AWARD

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. Himalyan Powerloom Co-operative Society Ltd., 95/1/3A Cossipore Road, Calcutta-2, and their workman Shri Jibach Misra, 5/H/7 Haridhan Dutta Lane, Calcutta-2, to this Court by its order No. 5023-IR/IR/8L-74/67, dated 25th September 1967, under section 10 read with sedction 2A of the Industrial Disputes Act on the following issue :

Issue

Whether terminatin of service of Shri Jibach-Misra by way of refusal of employment is justified ? To what relief, if any, is he entitled ?

Usual notices were sent to the parties directing them to appear on 11th December 1967 and the workman to file his written statement by that date. The workman appeared on that date and filed a petition praying for time for filing written statement which was allowed by my order No. 2, dated 11th December 1967, fixing 4th January 1968 for filing written statement by the petitioner-workman. The petitioner-workman also filed an authority authorising Shri M. D. Srimani, Advocate, to represent his case. The petitioner-workman took time for filing written statement on 4th January 1968 and again thereafter on 25th January 1968 and ultimately filed his written statement on 23rd February 1968. Th eoppossite party-Company was directed by my order No. 5, dated 23rd February 1968, for filing written statement by 28th March 1968 as such. In the meantime the notice sent to the opposite party Company came back with an endorsement 'not claimed'. Record was put up for orders on 20th April 1968 by my order No. 6, dated 28th March 1968, and as the parties were absent on that date again on 30th April 1968 for orders by my order No. 7, dated 20th April 1968. The opposite party-Company was absent even on that date. By my order No. 8, dated 30th April 1968, the record was put up on 24th May 1968 for hearing. As I was absent on 24th May 1968, the case was fixed for hearing on 21st June 1968 by my order No. 9, dated 24th May 1968. The opposite party-Company was absent even on this date and so the case was taken up ex-parte. I have already indicated that the notice sent to the opposite party-Company came back with an endorsement 'not claimed' and this amounts to service.

The petitioner-workman has examined himself as P.W.1 in support of his case. He has stated that he was serving under the opposite party-Company since March 1963. He was all along serving in 'A' shift since his appointment. But on 4th April 1967 or 5th April 1967 he was transferred to 'C' shift. He sent a representation to the Chief Inspector of factories, Government of West Bengal, in this matter. Ext. 1 is the copy of the representation sent to the Chief Inspector of factories, Government of West Bengal, and Ext,. 2 is the receipt showing sending of a representation as such. P.W. 1 has further stated that he served under the opposite party-Company till 26th April 1967/27th April 1967, but he was not allowed to join to his duties on 27th April 1967. He was told that he had been suspended from that date and a letter would be issued to him accordingly. Ext. 3 is the letter, dated 23rd April 1967, received by the petitioner-workman. This letter, however, shows that his services was terminated in accordance with his resignation letter, dated 27th April 1967. Copy of this letter was sent to the Chief Inspector of factories as well as to Shri S. C. Sen, Labour Officer. The petitioner-workman as P. W. 1 has categorically denied that he ever resigned from his service by any letter, dated 27th April 1967. He also sent a letter in reply to the opposite party -Company's letter, Ext. 3, dated 28th April 1967, and Ext. 4 is the copy of that letter. He has also categorically denied in his letter the fact of submitting any resignation by him on 27th April 1967 from his service . Ext. 3(a) is the letter, dated 10th May 1967, received in reply from the opposite party-Company, in which the opposite party Company maintained the stand that the patitioner-workman had submitted his resignation letter, dated 27th April 1967, which was accepted. The petitioner-workman thereafter sent a representation to the Labour Officer as a result of which there were Conciliation meetings. Ext. 7 and Ext. 7(a) are the notices of conciliation meetings as such sent to the petitioner-workman by the Labour Officer. The petitioner-workman sent a copy of his written statement by a Lawyer's letter, dated 16th April 1968, by registered post to the opposite party-Company, after the notice sent to the opposite party-Company returned with a postal endorsement 'not claimed 'written on the cover. The copy of this letter has been marked Ext. 8 and the relevant registration receipt marked Ext. 5(a) . This cover came back with an endorsement 'refused'. The cover has been opened and the original letter has been marked Ext. 8(a). The cover itself has been marked Ext. 9.

I have no reason to accept that the petitioner-workman submitted his resignation from his services on the existing evidence. The opposite party-Company could have easily produced the resignation letter of the petitioner-workman in support of its case.

On the existing evidence, I find that the petitioner-workman's services have been terminated by way of refusal of employment, which is not justified. Be it noted that there was no domestic enquiry against the petitioner-workman nor any finding of guilt against him.

On the existing evidence, the petitioner-workman has proved his termination of service by way of refusal of employment unjustified. The petitioner-workman, would, therefore, be entitled to reinstatement and back wages since the alleged termination of his service on 27th April 67 till the reinstatement in his services as such.

An award be passed accordingly directiing the opposite party-Company to reinstate the petitioner-workman in his service within one month from the date of publication of the award in the "Calcutta Gazette". The petitioner-workman would also be entitled to back wages since the alleged date of termination of his service on 27th April 1967 till the date of his reinstatement as if his service was never terminated as such.

This is my award.

No. 4775-I.R./IR/11L-380/67.—8th July 1968.—Whereas under the Government of West Bengal, Labour Department, order No. 801-I.R./IR/11L-353/63, dated the 26th February 1964, the industrial dispute between Messrs T. E. Thomson & Co. Ltd., 9A Esplanade East, Calcutta-1, and their workmen represented by Thomson & Company Employees' Union, 9A Rani Rashmoni Road, Calcutta-13, regarding the issues mentioned in the said order being matters specified in the third schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Seventh Industrial Tribunal;

And whereas the said Seventh Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an Industrial Dispute between Messrs. T. E. Thomson & Co. Ltd., Esplanade East, Calcutta-1, and their workmen represented by Thomson & Company Employees Union, 9A Rani Rashmoni Road, Calcutta-13 (Case No. VIII-56/64.)

BEFORE THE SEVENTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri R. K. SHARMA, H.J.S., Judge.

AWARD

This case arises out of a reference made by the Governor of West Bengal in the exercise of the powers conferred on him by section 10 of the Industrial Dispute Act, 1947. The order of reference has been conveyed to this Industrial Tribunal under Government of West Bengal, Labour Department, order No. 801-I.R./IR/11L-353/63, dated the 26th February 1964. The Industrial Dispute existing between Messrs. T. E. Thomson & Co. Ltd. (hereinafter called Company) and their workmen represented by Thomson & Company Employees' Union (hereinafter called the Union) has been referred for adjudication on the issues mentioned below :

Issues

(1) Grades and scales of pay.
(2) Dearness Allowance.
(3) Tiffin allowance.

On receipt of the order of reference, usual Notices were issued to the parties to the dispute in the usual manner calling upon them to appear before the Industrial Tribunal and to file their written statements. The parties filed their respective statements and the case became a contested one. After many vicissitudes the case arrived at the hearing stage. On the first two days, fixed for hearing of this case the case could not be heard due to suspension of all communications in the city and, on the second occasion, the case could not be heard as the Tribunal was on leave. On the third occasion also, the case could not be heard because the hearing date fell on the day on which the Presiding Officer was on leave. Ultimately, the case was fixed for hearing on 18th June 1968.

On 18th June 1968, the case was taken up for hearing. In spite of repeated calls, neither parties appeared and no step was taken by the parties to show cause for their non-appearance. In the circumstances, the Tribunal ordered that necessary award would be passed and reserved its award.

Sometime after that, at 12-15 p.m., the learned lawyer for the Union appeared and submitted that his client was not present and the Company was not also present. On being asked what instruction he had in the matter for the day from his client, he submitted that daily instructions were not necessary. On being asked by the tribunal whether he intended to proceed on with the case and examine his witness he submitted that he could not do so and he was not in a position to do so. No petition was however filed by him. In the circumstances, the tribunal ordered that its previous order would stand.

Thereafter at 12-45 p.m. on behalf of the Union one petition was filed which has been kept with the record. But no action was taken on the petition in view of the previous orders passed by the tribunal.

On the date of hearing when the case was called by the tribunal none appeared for the Union and there was no appearance for the Company. No cause was shown for the non-appearance of the parties. Therefore, it is evident that no one was truly interested in prosecuting this case. As there was no sufficient cause shown for the non-appearance of the parties, rule 22 of the West Bengal Industrial Disputes Rules, 1958, became attracted and the Tribunal could submit a suitable report to the State Government on the footing that the Industrial Dispute under reference was no longer in existence. The Tribunal, therefore, reserved its award. After that the learned lawyer for the Union put in his appearance and made certain submissions before the Tribunal which have been already recapitulated above. The submission made by the learned lawyer clearly shows that he had no instructions for the day . The learned lawyer was not in a position to go on with the case. In the circumstances, the Tribunal ordered that its previous order would stand.

The manner in which this case has been neglected by the Union clearly proves that it committed laches and it did not diligently prosecute the case. In the circumstances, the Tribunal feels justified in passing this 'no dispute award' in view of the absence of the parties, in view of the submissions made by the learned lawyer and also for non-prosecution.

Usual number of copies of this award be sent to the State Government for necessary action.

AWARD

Labour Department, Government of West Bengal, has referred an industrial dispute between the Hilji Co-operative Transport Society Ltd., Contai, Midnapur, and their workmen represented by Midnapur Motor Workers' Union, P.O. Contai, district Midnapur to this Court by its Order No. 3470-I.R./IR/4L-32/67, dated 24th July 1967, under section 10 Industrial Disputes Act on the following issue :—

Issue

Whether the termination of employment of Shri Satikinkar Dutta is justified ? To what relief, if any, is he entitled ?

Usual notices were served upon the parties directing them to appear on 8th September 1967 and the Union to file its written statement by that date. The Union appeared on that date and filed a petition for time for filing written statement, which was allowed by my order No. 2, dated 8th September 1967, fixing 25th September 1967 for filing written statement. The Union also filed an authority authorising Shri Patit Paban Pathak to represent its case. The O.P.-Company also appeared and filed an authority authorising Shri Anil Chandra Sen, Advocate, to represent its case. Both parties were absent on 25th September 1967 and the Union ultimately filed its written statement on 20th October 1967. By my order No. 4 dated 20th October 1967, the O.P.-Company was directed to file its written statement by 14th November 1967. The O.P.-Company took time for filing written statement on several occasions and ultimately filed its written statement on 2nd April 1968. The O.P.-Company also filed another authority on 22nd January 1968 authorising Shri C. L. Ganguli, Advocate, to represent its case. On 25th May 1968 the O.P.-Company filed a petition for hearing the case at Digha and the prayer was allowed by my Order No. 4, dated 25th May 1968. The case was taken up for hearing at Digha on 4th June 1968 and the Union was informed accordingly.

Both parties were present on 4th June 1968, when the case was taken up. The O.P.-Company filed a petition for adjournment on the ground that there was a talk of compromise between the parties. The petitioner-workmen had no objection to the prayer and the prayer was allowed by my order No. 15, dated 4th June 1968, fixing 8th June 1968 for compromise, in default for hearing. On 8th June 1968 the O.P.-Company filed another petition intimating that a Memorandum of Settlement has already drawn up between the parties and also prayed for adjournment for two days for filing the Memorandum of Settlement. The petitioner-workmen also stated that a Memorandum of Settlement has already been drawn up accordingly. By my Order No. 16, dated 5th June 1968, the prayer was allowed and 10th June 1968 was fixed for compromise. On 10th June 1968 the O.P.-Company filed a petition intimating that the dispute has been compromised on the basis of the terms contained in the Memorandum of Settlement, which was annexed with the petition and prayed for passing a 'no-dispute' award in terms of the settlement accordingly. The petition was endorsed by the petitioner-workmen on behalf of the Union. By my Order No. 17, dated 10th June 1968, 17th June 1968 was fixed for award.

It appears that the Memorandum of Seettlement is under the signature of Shri Ram Kanta Maity, Secretary, Midnapore Motor Workers' Union, Contai, and Shri S. S. Panda, Secretary of the O.P.-Company, both dated 5th June 1968 and has also been signed by the petitioner-workman Shri Santi Kinkar Dutta on the same date. On a perusal of the terms of compromise, I find that the terms are lawful, reasonable and fair and that the parties have compromised the entire dispute pending between them as such. Under the circumstances, I am inclined to pass a 'no-dispute' award on the basis of the terms of compromise contained in the Memorandum of Settlement between the parties. A 'no-dispute' award is passed accordingly in terms of the Memorandum of Settlement, dated 5th June 1968, filed by the parties, which be made a part of this award.

This is my award.

In the matter of a complaint under section 33A of the Industrial Disputes Act, 1947, filed by Shri Gopal Banerjee, workman, Bally Municipality, against Bally Municipality, P.O. BEFORE THE FIRST LABOUR COURT, WEST BENGAL

Present:
Shri S. P. BAGCHI, Judge.

AWARD

This is an application under section 33A of the Industrial Disputes Act filed by Shri Gopal Banerjee, a workman of the Bally Municipality, against the said municipality prayig for an award directing the said municipality to reinstate him in service with retrospective effect from 27th September 1966 and to pay all arrears of wages from that date till reinstatement on the ground that the order of his discharge was void, illegal and without jurisdiction.

The original reference out of which this case has arisen was made under G.O. No. 4597-I.R., dated 3rd October 1964.

The municipality appeared and filed its written statement. The case was set down for peremptory hearing. There was, however, a talk of compromise between the parties and in order to enable them to do so it was directed that they should either compromise the case by 26th June 1968 or get ready for peremptory hearing on 10th July 1968.

On 26th June 1968 the complainant, that is the workman concerned, placed on record an application withdrawing his complaint and stating, inter alia, that there was an agreement between the parties and that the case had been mutually compromised out of court The copy of the said agreement signed by both the parties was also placed on record. I have looked into the said agreement and the terms incorporated therein appear to me to be reasonable, fair and lawful· The terms, inter alia, are as follows :

"No. 1 : The worker Shri Gopal Banerjee will be reinstated with effect from 26th June 1968.

No. 2 : That though reinstated, he shall not claim any back wages, allowances or N.R.D.A. for the period from 27th September 1966 till 25th June 1968.

No. 3 : That there shall not be any contribution towards the Provident Fund either by workman Shri Banerjee or by the municipality for the period referred to in paragraph 2.

No. 4 : That the period from 27th September 1966 to 25th June 1968 will be treated as extraordinary leave granted to the said worker.

No. 5 : That he will be reinstated as Tractor Driver subject to the usual condition of the Municipal Service and he will be allowed to draw the same pay and allowances as he was drawing before his demotion on 1st July 1966.

No. 6 : That the worker will behave properly in future and in case of any misconduct or insubordination on his part, he will be dismissed from the Municipal Service forthwith."

I have also heard the applicant, the Secretary of the Bally Municipal Workers' and Employees' Union and Shri A. K. Ghosh, Administrator of the Bally Municipality, in the matter and they all have admitted before me that they had signed the agreement fully understanding the contents thereof. On a reference to the terms as embodied in the agreement there need not be any doubt that the parties have amicably settled their dispute out of court in terms of the said agreement.

Under the circumstances, I allow the prayer of the workman concerned and permit him to withdraw this case. The agreement placed on record by the parties to which a detailed reference has been made be kept with the record. The case is accordingly disposed of.

AWARD

The Government of West Bengal, Labour Department, by order No. 2543-I.R./IR/4L-24/67, dated the 14th June 1967, referred under section 10 of the Industrial Disputes Act, and industrial dispute between Messrs. Kamini Kumar Paul and others, owners of Bus No. WBR-1435, Route No. 85, 3/67 Biveknagar, Calcutta-32, and their workmen represented by Calcutta and 24-Parganas Bus Mazdoor Union, 132 Jessore Road, Calcutta-48, to this Tribunal relating to the undermentioned issue being a matter specified in the second schedule to the Industrial Disputes Act, 1947, for adjudication.

Issue

Whether termination of service of Shri Prangopal Kundu by the management is justified ? To what relief, if any, is he entiteld ?

Usual notices were served upon the parties directing them to appear and file written statement. The Company appeared before this tribunal through Shri M. M. Saha, Advocate, and prayed on several occasions, for time to file written statement, but ultimately the Company did not file any written statement and abstained from contesting this reference. The Union filed a written statement contending inter alia that Shri Pran Gopal Kundu, was employed as a driver of the bus in question, at a monthly wage of Rs.300 that the Calcutta and 24-Parganas Bus Mazdoor Union was organised in Route No. 85 some time in August 1965, and when Shri Kundu and other workmen of the aforesaid employers joined the union, the employers adopted various tactics to crush the trade union activities of the employes and Shri Kundu was chosen as the first target, when on the 23rd October 1965, Shri Kundu was dismissed on absolutely false and concocted allegations without any charge-sheet and without any domestic enquiry against Shri Kundu. The workmen prayed for reinstatement and for back wages.

As the Company chose not to oppose this reference, the same has been taken up for ex-parte hearing today.

The dismissed workmen Shri Pran Gopal Kundu has examined himself as the sole witness in this case. He has proved that there were always in all five employees including he himself, in plying bus No. WBR-1435, running in Route No. 85. He has also proved in his evidence that on 23rd October 1965 he was suddenly dismissed without any charge-sheet as the employees formed a union within a month prior to the date of his dismissal. He has categorically stated on oath that this is a case of victimisation for joining trade union movement. On the evidences on record I am satisfied that this is a case of victimisation and/or unfair labour practice, and I hold as such. On the materials placed before me, I further hold that the management is guilty of voilation of the principles of natural justice in this case. Accordingly, I hold that the termination of services of Shri Pran Gopal Kundu by the management is not at all justified. The dismissed employees in his evidence only prayed for back wages till the date of final publication of the award in the "Calcutta Gazette". I hold that Shri Pran Gopal Kundu is entitled to the relief as aforesaid prayed in his evidence.

It is ordered that the Company do pay all the back wages of the dismissed workman at the rate of Rs. 300 per month on and from 24th October 1965 till the date of final publication of this award in the "Calcutta Gazette".

This is my award.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

By Government of West Bengal, Labour Department, order No. 2291-I.R./IR/4L-57/66, dated the 30th May 1967, the present industrial dispute between Shri Rajdeo Singh, owner of Bus No. 83, and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication on the issue mentioned below :

Issue

Whether the termination of service of Sarbashri Lala Singh and Anukul Chakraborty is justified ? To what relief, if any, are they entitled ?

Notices were duly served on the parties and they appeared and filed their respective written statements. The case was fixed for hearing on 29th September 1967. On that date one of the concerned workman Lala Singh and the employer Shri Rajdeo Singh filed a joint petition wherein it was stated that the dispute between Lala Singh and the employer Rajdeo Singh had been compromised out of Court, and that this fact was intimated to the Union by Lala Singh with the request that the Union need not pursue the case of dispute between Lala Singh and his employer any more before the Tribunal. The Tribunal perused the petition of the parties and kept order reserved till final award.

Then 14th November 1967 was fixed for the hearing of the case in respect of the remaining one workman Shri Anukul Chakraborty. The case could not be taken up for hearing on that date because of absence of the Judge on leave. Subsequently 12th April 1968 and 22nd June 1968 were the dates fixed for the hearing of the case, but on none of the dates any of the parties appeared and took any steps.

From the fact that both the employer and the employee refrained from attending the proceedings of the Tribunal on two successive dates fixed by the Tribunal, it seems that the parties may have amicably settled their dispute out of Court, and that is why they are not keen and interested in pursuing the case. In the circumstances it will be of no use to drag the case any further uselessly.

I, therefore, pass a 'no dispute' award in regard to Anukul Chakraborty, one of the concerned workman in the issue under reference.

Regarding Lala Singh, the other concerned workman in the issue who has filed a compromise petition along with the employer Rajdeo Singh, my award will also be the same, although the reason is different from that in the case of Anukul Chakraborty. I pass a 'no dispute' award in the case of Lala Singh also.

In the joint petition of compromise by Lala Singh and Rajdeo Singh no terms of settlement or conditions of compromise have been mentioned. So I keep the joint petition of compromise in the record and do not make it a part of the award.

The reference is thus disposed of by a 'no dispute' award.

Both the parties appear today and pray for an award on the basis of the above terms of settlement. The terms of settlement have been duly signed by both the parties.

I have considered the terms of settlement which appear to be fair, reasonable and legal, and I accept the same. ANNEXURE

In the matter of an industrial dispute existing between Messrs. Mahindra & Mahindra Ltd., Hall and Anderson Buildings (1st Floor), Park Street, Calcutta-16, and their workmen represented by Mahindra & Mahindra Ltd. Employees' Union, 129-A Circular Garden Reach Road, Calcutta-23. (Case No. 632/67.)

Present for the Union : Shri Patit Paban Pathak, an officer of the Union.

By Government Order No. 3919-I.R./IR/10L-275/67, dated the 18th August 1967, this industrial dispute between Messrs. Mahindra & Mahindra Ltd. and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication on the following issue.

Issue

Whether the dismissal of Shri Ram Ujagir Tripathi and Shri Suraj Nath Singh is justified ? To what relief, if any, are they entitled ?

On receipt of notice from the Tribunal both parties appeared and filed their respective written statement.

The case of the Company is as follows :

Ram Ujagir Tripathi and Suraj Nath Singh were working the Company in the capacity of drivers. On 12th July 1966 at about 12 noon, during working hours, those two drivers quarrelled among themselves over the question of sitting arrangement on the bench provided there by the management. Following altercations these two drivers came to blows and beat each other resulting in physical injuries to both. On the same date these two drivers again became engaged in violent quarrel and assaulted each other. On account of such disorderly and indecent behaviour on their part charge-sheets were issued against these two drivers by the management. They replied to the charge-sheets. Then on 18th July 1966 O.P.W. 1 Shri Ajit Kumar Dey, the Personnel and Industrial Relations Officer of the Company, held an enquiry. Shri Tripathi and Shri Singh attended the enquiry. They were given every opportunity to defend themselves. On consideraion of the evidence the enquiring officer found them guilty in respect of the charges against them. On the basis of his findings the management dismissed these two drivers from the service of the Company.

The case of the Union is that the enquiry was held in violation of the standard of natural justice and that the order of dismissal was motivated and also too severe.

Decision with reasons

There is practically no dispute that on 12th July 1966 Ram Ujagir Tripathi and Surajnath Singh became engaged in violent quarrels and assaulted each other. It appears that charge-sheets were duly issued to these two workmen and they submitted their explanations. It is in evidence that O.P.W. 1 Shri A. K. Dey, the Personnel and Industrial Relations Officer of the

Company, held the enquiry into the allegations against these two persons on 18th July 1966. The proceedings have been marked exhibit in this case. It appears that the enquiring officer examined two witnesses who saw the occurrence. The witnesses were Dhruba Narayan Singh and Sabir Mean. The evidence of these two witnesses leave no room for doubt that these two workmen, namely, Ram Ujagir Tripathi and Surajnath Singh, quarrelled among themselves and assaulted each other. The record shows that these two workmen were given opportunity to cross-examine the witnesses. But Dhruba Narayan Singh was not cross-examined by any of them. So the enquiring officer was quite justified in accepting the evidence of these witnesses. Shri Tripathi cross-examined Sabir Mean, but Shri Singh did not cross-examine him even though he was given opportunity to do so. Cross-examination by Shri Tripathi did not reveal anything important. The evidence of Sabir Mean remained unshaken by cross-examination. It is clear from the evidence on record that Shri Singh and Shri Tripathi were given opportunity to defend themselves during the enquiry. I find that the enquiry was held in strict conformity with the principles of natural justice. I find that the enquiring officer did not show any biasness towards the management in holding the enquiry. By no means it can be said that the conclusion arrived at by him is incorrect or improper. As a matter of fact, it is an admitted fact that both the concerned workmen quarrelled among themselves and assaulted each other. It is submitted on behalf of the Union that the enquiring officer should have tried to ascertain as to which of the two workmen was the aggressor. In my opinion, the enquiring officer was not bound to deal with the question as to who of the two quarreling men was the aggressor. As an enquiring officer it was his duty to see whether the charges brought against these two workmen were true or not. The evidence disclosed that these two workmen quarrelled among themselves and became engaged in a violent wrestling with each other resulting in assaults and injuries to each. It is, therefore, clear that these two workmen were guilty of misconduct. Their conduct was proved to be disorderly and indecent, and it is clear that their acts were subversive of discipline. It is submitted on behalf of the Union that these two workmen quarrelled among themselves outside the premises of the company and, as such, their conduct was not connected with the discipline of the Company. This submission can hardly be accepted. The clear evidence of Dhrubanarayan is that the second round of fight took place in front of the Reception Room of the office. So it cannot be said that the acts of these workmen are not connected with the discipline of the company. In my opinion, their acts were undoubtedly subversive of discipline of the Company. It is argued on behalf of the Union that these two workmen compromised their dispute between them and as such the enquiring officer should not have held any enquiry. It may be true that these two workmen compromised their differences, but it is clear that this was done when the charge-sheets were issued against them, and when an enquiry was ordered over the charge-sheets by the management. It was not for the enquiring officer to consider whether the two quarrelling parties had compromised their differences or not. The enquiring officer was directed by the management to hold an enquiry into the charge-sheets against the two concerned workmen. Unless he was otherwise directed by the management he was bound to hold the enquiry. In my opinion the enquiring officer was quite justified in holding the enquiry. The management accepted the findings of the enquiring officer and dismissed the two workmen from the service of the Company. It is submitted on behalf of the Union that the punishment inflicted by the management on these two workmen was too severe. It is said that as the workmen compromised their differences the management should have taken lenient view of the matter. But it cannot be forgotten that these two workmen compromised their differences only when the enquiry was ordered into the allegations against them. They knew fully well that their behaviour was subversive of discipline of the Company, and that they were guilty of gross misconduct, and for this they might have thought it prudent to settle their differences amicably. This does not indicate that they did it out of repentance. They did not make any statement before the enquiring officer or before the management that they were really repentant of the misconduct committed by them. I, therefore, find that the punishment is not at all severe. Suraj Nath Singh in his explanation wanted to say that Tripathi was the aggressor whereas Tripathi said that what he did he did in self defence. The evidence of Dhrubanarayan does not show that Ram Ujagir Tripathi acted in self defence. As a matter of fact Tripathi did not put any question to Dhrubanarayan indicating that he had acted in self defence. On the other hand, the evidence of Dhrubanarayan and Sabir Mean indicate that both the concerned workmen fought violently with each other and both were actuated with the spirit of retaliation.

I find that the enquiring officer gave every opportunity to the two workmen concerned to defend themselves at the enquiry. I find that the enquiry was held in strict conformity with the principles of natural justice. There is nothing to indicate that the management was actuated by any spirit of victimisation. I also do not think that the order of dismissal was shocking or that it was disproportionate and too severe.

I find that the order of dismissal against Ram Ujagir Tripathi and Suraj Nath Singh is justified. These two workmen are not entitled to any relief in this case.

This is my award.

AWARD

The Government of West Bengal, in its Labour Department, by its order No. 5698-IR/IR/10L-59/67, dated the 6th November 1967, has referred to this Tribunal an industrial dispute between Messrs. Electric Works, 14 Sovaram Bysack Street, Calcutta-7, and their workman Shri Satyanarain Jha, 45/A R. K. Road, Rishra, Hooghly, for adjudication in respect of the following issue :

Issue

Whether the discharge of Shri Satyanarain Jha is justified ? To what relief, if any, is he entitled ?

The case of the worker is that he used to work as an electrician and had put in well over 15 years' service. That from the beginning of 1966 he was requesting the Company for increasing salary. That without assigning any reason the worker was refused work from 1st September 1966 and was told that his service was terminated. That he was not paid even the salary for the month of August 1966 and also for the period of work at Gorakhpur including food allowance. That he was not guilty of any misconduct and the action of the employer in terminating his services was wholly illegal, malafide and arbitrary.

The case of the Company is that the worker joined on 7th September 1963 and worked continually with break till 31st August 1966. He left service of his own accord and without intimation to the Company. That the Company granted him increment of Rs. 10 in October 1965. There was no claim for increment in July and August 1966. Shri Jha joined at a salary of Rs. 90 and was granted increment of Rs. 10 twice within a period of two years. The Company after waiting for a week sent Shri Basdeo, a Durwan, at the worker's residence on two occasions to call the worker but he was not found in his place. Shri Jha took a loan of Rs. 540 against valid receipts out of which he repaid only the sum of Rs. 190 and the balance of Rs. 350 still due to him while leaving service. He did not repay the loan even till this date. Shri Jha after leaving the job of this Company joined work at Rishra and is still working elsewhere. Shri Jha received all his dues for work at Gorakhpur and there are proper vouchers for the same and nothing is due. P.W.1 deposes that once he was sent to Gorakhpur. He was told that he would get some extra remuneration. He worked for six months but he was paid for three months. He came back to Calcutta. He demanded his dues. The Company did not pay him. His service was terminated from 1st September 1966. In cross-examination he states that at Gorakhpur his wages for three months have not been paid. He cannot say which are the months. He admits that while he went to Gorakhpur he took his wages after signing vouchers. When he used to take his wages he used to sign the vouchers. At the time of taking loans also he used to sign on vouchers. He proves his signatures on the vouchers, which are Ext. A series. It was suggested to him that all his dues at Gorakhpur have been paid. He however denies the suggestion. He denies the suggestion that he did not come to work since 1st September 1966. He also denies the suggestion that after giving up the job of this company he joined some company at Rishra. He however admits that he left his old residence, namely 41 Sib Thakur Lane since his service was terminated. He also admits that his present address is Krishna Textile, Rishra. He did not inform the Company about his new address. O.P.W.1 a clerk of the Company , deposes with reference to the attendance register Ext. B that Shri Jha joined the Company on 7th September 1963. Shri Jana proves the vouchers, Exts. C/1, to C/3, by which Shri Jha took loans. He also proves the register Ext. D, which shows the adjustment of loan. He also proves Exts.C/4 to C/8, the vouchers showing that Shri Jana was paid food allowance and conveyance allowance while he was at Gorakhpur. It is Shri Jana's evidence that Ext. C/9, the voucher shows that final settlement was made regarding Shri Jha's wages.

The witness asserts that Shri Jha did not come to the Company from 1st September 1966. He used to live near the office. On 2nd September 1966 he sent the watchman to his house. He was not found. After 2/3 days the watchman was again sent. He was not found. Never after 31st October 1966 Shri Jha came to the office. On this point the witness is fully supported by O.P.W. 2, Basdeo. It is his evidence that he is working as a durwan at the Company since 1963, He knows Satyanarayan Jha. He was sent by the management to enquire of Shri Jha. He went to his house on two occasions, but did not find him. In cross-examination he states that before September 1966 on some occasions he went to Satyanarayan Jha's house. On the first occasion in September 1966 he went to his house in the morning and on the second occasion at 11 a.m. Thus the worker has hopelessly failed to prove that his dues have not been paid. Rather it has been satisfactorily proved by the Company by documentary evidence that Shri Jha was paid all his dues and that Shri Jha took a loan of Rs. 540 and repaid only Rs. 140. It is the case of the worker that his service was illegally terminated from 1st September 1966. While it is the case of the Company that the worker of his own accord left the job and did not come to work since 1st September 1966. Besides the oral statement of the worker he has nothing to show that the Company terminated his services. The Company has filed the attendance register which shows that from 1st September 1966 the worker did no report for duty. O.P.W. 1 and O.P.W. 2 both deposed that the worker did not come to the office from 1st September 1966. The Company has succeeded in proving that attempts were made twice to call Shri Jha but he was not found at his residence. It is further in evidence that subsequently he left the old address and was living at Rishra. It is the case of the Company that after giving up the job of this Company the worker joined some company at Risra, and was staying there. On the evidence on record, I find that Shri Jha was not discharged by the Company. It has been proved in this case that Shri Jha left the Company of his own accord. That being so, it is not necessary for me to decide whether the discharge of Shri Jha is justified. As I have already found that nothing is due to the worker from the Company, the worker is therefore not entitled to any relief.

This is my award.

AWARD

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. M. K. Engineering Works, 'W' Road, Howrah, and their workmen represented by Howrah small Factories Workers' Union, 144 Netaji Subhas Road, Khurut, Howrah, to this Court by its order No. 3150-I.R./IR/10L-286/66, dated 12th July 1967, under section 10, Industrial Disputes Act, on the following issue:

Issue

Whether dismissal of Shri Ramapada Hait is justified? What relief, if any, is he entitled to?

Usual notices were served upon the parties directing them to appear on 19th August 1967 and the Union to file written statement by that date. The Union appeared on 19th August 1967 and filed a petition for time for filing written statement, which was allowed by my order No. 2, dated 19th August 1967, fixing 4th September 1967 for filing written statement by the Union. The Union filed an authority authorising Shri S. R. Ghosh, Advocate, to represent its case and the opposit party-Company also filed an authority authorising Shri N. Das Gupta and Shri D. K. Das Gupta, Advocates to represent their case. The Union took time for filing written statement on 4th September 1967 and ultimately filed its written statement on 19th September 1967. By my order No. 4, dated 19th September 1967, the opposit party-Company was directed to file written statement on 4th October 1967. The opposit party-Company took time and ultimately filed their written statement on 14th November 1967. The case was fixed up for hearing on 20th December 1967 and the parties filed a joint petition for adjournment on the ground that there is a talk of compromise between the parties. By my order No. 9, dated 20th December 1967, the case was fixed up on 5th January 1968 for compromise or for hearing. On 5th January 1968 both the parties filed a joint petition of compromise praying for passing an award in terms of the compromise. They also filed another petition for final disposal of the case on 31st March 1968, the date fixed for payment of the stipulated amount of Rs. 1,200 by the opposit party-Company to the petitioner-workmen by way of compromise. By my order No. 10, dated 5th January 1968, the record was put up on 31st March 1968 for award. As 31st March 1968 was a Sunday, the record was put up on 1st April 1968. The opposit party-Company filed a petition stating that due to financial difficulties it was not possible to pay Rs. 1,200 according to the settlement before 15th May 1968 and so for putting up the record on 16th May 1968. The learned lawyer for the Union consented to the prayer and by my order No. 11, dated 1st April 1968, the prayer was allowed and the record was put up on 16th May 1968 for award. The award could not be passed on 16th May 1968 as all the Courts' employees were absent on that date. By my order No. 12, dated 16th May 1968, the record was put up on 27th May 1968 for award. As the parties took no steps on 27th May 1968 the record has been put up on this date for award.

It is clear from the joint petition of compromise filed by the parties on 5th January 1968 containing the signatures of the petitioner-workman Shri Rampada Hait and Shri Ajoy Kumar Karkar, Partner, on behalf of the opposit party-Company, both dated 5th January 1968 as well as the respective advocate of the Union and the opposit party-Company that the parties have settled the industrial dispute out of Court on the terms embodied in the petition. The compromise was effected on the terms that the petitioner-workman would have no claim for reinstatement as well as back wages, leave wages and/or bonus, etc., and would get Rs. 1,200 from the opposit party-Company payable by 31st March 1968. On a perusal of the joint petition of compromise, I find that the terms are lawful, reasonable and fair. The opposit party-Company prayed for extension of time for payment of the stipulated sum of Rs. 1,200 to the petitioner-workman by their petition, dated 1st April 1968, to which the learned lawyer for the Union consented and the consent order was passed fixing 16th May 1968 for award. It is, therefore, clear that the time of payment as indicated in the compromise was not an essence of the contract of settlement as to the dispute involved in the present case. There is no report by the Union or by the opposit party-Company that the amount has since been paid. I, however, do not find any ground for withholding the award any further simply on that ground and the agreement of the parties embodied in the joint petition of compromise entitles me to pass a 'No-dispute' award allowing Rs. 1,200 payable to the petitioner-workman by the opposit party-Company on the basis of the compromise. I am also entitled to fix a date of payment in the award itself when the opposit party-Company had failed to make payment of stipulated sum of Rs. 1,200 by the date fixed. Under the circumstances, I am inclined to pass a 'No-dispute' award in terms of the joint petition of compromise fixing the date for payment of the stipulated sum of Rs. 1,200 to the petitioner-workman by the opposit party-Company. A 'No-dispute' award be passed accordingly in terms of the joint petition of compromise, which do form a part of this award, directing that the opposit party-Company shall pay the stipulated sum of Rs. 1,200 to the petitioner-workman within one month from the date of publication of this award in the "Calcutta Gazette".

This is my award.

By Government of West Bengal, Labour Department, order No. 5730-I.R./IR/10L-405(A)/67, dated the 7th November 1967, this industrial dispute between Messrs. General Radio and Applicances Ltd. and their workmen represented by General Radio and Applicances Ltd. Employees' Union was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication upon the issue mentioned below.

Issue

Whether the workmen are entitled to more by way of bonus than what has been paid for accounting year ending on 31st December 1964?

Notices were served on the parties and they appeared and filed their respective written statement. Then, after several adjournments on the prayers of the parties, 29th April 1968 was the date fixed for the filing of documents. On that date the Company raised some preliminary legal objections and prayed for decision on the same before the hearing of the case was taken up. 4th June 1968 was the date fixed for hearing of preliminary points of objection. Again the date was shifted to 22nd June 1968 at the prayer of the parties. On 22nd June 1968 both the parties appeared. On that date the Secretary of the Union filed a petition before the Tribunal stating that the Union had decided not to press for adjudication of the issue under reference, and he prayed that a 'no dispute award' might be passed in respect of the present reference.

When the party at whose instance the reference was made does not want to proceed with the case and has abandoned the dispute, there can be no reason for the Tribunal to stand against the decision of the said party.

I, therefore, accept the prayer of the Union and pass a 'no dispute' award on this reference.

AWARD

The Government of West Bengal, Labour Department, by its order No. 3847-I.R.|IR|11L-339|67, dated 16th August 1967, referred this industrial dispute between Messrs. Omar Brothers & Co., 61 Colootola Street, Calcutta-1 (hereinafter called the Company), and their workmen represented by Calcutta Leather Workers' Union, 12 Arpuli Lane, Calcutta-12, (hereinafter referred to as the Union), to this Tribunal for adjudication under section 10 on the following issues:

Issues

(1) Wages—Grades and Scales.
(2) Dearness Allowance.
(3) Leave.

The Company took a preliminary objection that in view of the agreement between the parties and as the said agreement had not been terminated by the Union, the present reference is not maintainable. The said preliminary objection was heard by my predecessor in office, who by his order No. 11, dated 25th April 1968, has held that issues Nos. 1 and 2, namely, issues for wages—Grades and Scales, and Dearness Allowance, are not maintainable, and that this Tribunal shall decide only the third issue, viz., Issue for Leave.

At the hearing on issue No. 3 regarding leave, O.P.W. 1, Aktar Alam, who is a partner of the Company, has deposed that there are 16 workers in their Company, that on the basis of the agreement between the Company and the representatives of the Union, dated 3rd February 1960 (Ext. C) the workers are getting 15 days' festival holidays at present, that in similar concerns festival holidays granted vary from 8 to 10 days in a year and that their Company cannot grant any further holiday to their workmen. In paragraph 7 of the written statement filed by the Union the workmen have demanded 15 days' casual leave, 15 days' sick leave and one month's privilege leave in addition to the festival holidays already enjoyed by them. In evidence, P.W. 1, Ram Swaran Ram, has stated that the workmen pray for 15 days' casual leave, 15 days' sick leave and one month's privilege leave in addition to the festival holidays and that in the similar concerns more holidays are granted.

The admitted agreement between parties, Ext. C, dated 3rd February 1960, shows that at that time the parties mutually settled their dispute with regard to leave on the condition that all workers will get 15 days' festival holidays in a year with full pay and wages. It is admitted by the parties at the hearing that the Company has been acting according to the terms of the said agreement by granting 15 days' festival holidays to all their workmen.

The Union has not adduced any evidence to show that any other Company in this trade grants more leave on full pay to its workmen. It appears from the terms of settlement, Ext. A, that the Company has agreed to pay one month's wages as bonus for the year 1964 to all permanent workmen and that it will enhance the wages of all workmen by Rs. 8 per month which will be given effect to while paying wages for the month of October 1964. I am not satisfied regarding the Union's demand for more facilities in the shape of extra leave. The leave granted by the Company to its workmen at present appears to be fair. In the circumstances, I reject the demand of the Union for leave in issue No. 3, and hold that the leave granted by the Company to its workmen at present should continue.

This is my award.

AWARD

The Government of West Bengal, in its Labour Department, by its order No. 6944-I.R./IR/13L-65/67, dated 30th December 1967, has referred to this Tribunal an industrial dispute between Messrs. The Eastern Printing House, 9 Dharmatala Street, Calcutta-13, and their workmen presented by the West Bengal Press Workers' & Employees' Union, 84/1A Bepin Behari Ganguly Street, Calcutta-12, for adjudication in respect of the following issue:

Issue:

Is the dismissal of Shri Sushil Kumar Nandi justified? What relief, if any, is he entitled to?

The case of the workman as narrated in the written statement filed by the Union is that Shri Sushil Kumar Nandi had been working in the Company for last 14 years as a Compositor, meritoriously and efficiently. Shri Nandi is a member of the Executive Committee of the Union. That on 12th May 1967, the Company issued a charge-sheet against Shri Nandi with a preconceived notion of dismissing him from the service on the alleged vague charge of making defamatory statements against Shri Anil Baran Gangaly, Assistant Manager of the said Company. On 4th May 1967, at about 6 p.m. he was required to show cause within three days from the date of receipt of the said letter as to why he should not be dismissed or otherwise punished. Shri Nandi replied to the charge-sheet on 16th May 1967, denying the charges brought against him. On 13th May 1967, the workers of the said Company submitted a joint statement in support of and corroborating the statements made by Shri Nandi on the 16th May 1967. It was stated that the charges against Shri Nandi were baseless, motivated and mala fide. On 13th May 1967, a so-called enquiry was held against Shri Nandi but he was not given proper and reasonable opportunities for his self-defence. The principles of natural justice were violated. The alleged enquiry was not fair and proper. Shri Nandi has been dismissed with effect from 1st July 1967. There were conciliation proceedings before the Conciliation Officer but to no effect. Shri Nandi received a copy of the dismissal order, dated 30th June 1967, on 7th July 1967. That the dismissal is illegal, bad in law, mala fide and void ab initio. In the circumstances, it is prayed that this Tribunal be pleased to held that the dismissal of Shri Nandi is unjustified and he is entitled to reinstatement with full back wages.

The case of the Company is that the Company had no knowledge of Shri Nandi's membership in any Union or of his having been a member of the Executive Committee of the Union. It is submitted that Shri Nandi made defamatory statements on 4th May 1967, at about 6 p.m. in presence of other workers against Shri Anil Baran Ganguli, Assistant Manager, in connection with the fund as alleged of Workers' Co-operative and used abusive languages against him. A charge-sheet was accordingly issued to Shri Nandi on 12th May 1967. Shri Nandi submitted his explanation on 16th May 1967. The enquiry was held on 13th June 1967, which was attended by Shri Nandi. Four witnesses were examined at the enquiry and Shri Nandi cross-examined all of them. Shri Nandi was asked to make his statement at the enquiry when he submitted a letter addressed to the employer and signed by several workmen. He stated that he had nothing further to add. He did not produce any of the signatories of the letter. It is denied that the charges are baseless, motivated or mala fide or that Shri Nandi was denied fair and reasonable opportunities for his defence. The Enquiry Officer in consideration of the charge-sheet, explanation, statements of witnesses at the enquiry and the records produced at the enquiry was satisfied that the charges were proved and he found Shri Nandi guilty. The Enquiry Officer submitted his report with recommendation of the punishment of dismissal. The Proprietor considered the report and decided to dismiss Shri Nandi. Accordingly, the order of dismissal with effect from 1st July 1967, was communicated to Shri Nandi on 30th June 1967, but Shri Nandi having refused to sign in acknowledgement thereof a copy was sent to him under registered post and also under certificate of posting on 30th June 1967. It is submitted that the order of dismissal is perfectly legal, valid and justified and that in the circumstances the workman is entitled to no relief.

Both the parties have adduced evidence and proved documents. In this case a domestic enquiry was held. That being so, the scope of this Tribunal is very limited. This Tribunal will not enter into the merits of the enquiry proceedings unless it can be shown by the workmen that the enquiry was held illegally and that there was violation of the principles of natural justice, and that the finding of the Enquiry Officer is perverse. O. P. W. 1, Shri N. Das Gupta who is a Director of a Printing Press made the enquiry. It is his evidence that the Proprietor of Eastern Printing Press requested him to hold the enquiry. He took down the minutes of the proceedings in his own hand, which he proves as Ext. C at the enquiry. Shri Nandi was present all along. Shri Nandi cross-examined the witnesses at the enquiry. Shri Nandi signed on the minutes of the proceedings. On the basis of the enquiry he prepared the report and submitted the report to the Proprietor. He proves the report which is signed by him. The report is Ext. D. He admits that at the enquiry Shri Nandi submitted the letter Ext. E. Shri Nandi did not state that he wanted to examine all persons named in the letter. Shri Nandi did not want a copy of the minutes of enquiry proceedings. The Proprietor requested him to hold the enquiry by the letter, Ext. F. In cross-examination he states that he made the enquiry on the basis of the charge-sheet marked Ext. 1. He denies the suggestion that Shri Nandi did not cross-examine and he himself cross-examined the witnesses. He denies the suggestion that Shri Nandi requested him to call the persons named in Ext. E, as witnesses, but he did not allow. At the beginning of the enquiry he wanted the names of the witnesses to be examined by the parties when Shri Nandi stated that he will only examine himself. Shri Nandi deposes that at the enquiry the Company was representing their case through an outsider. The enquiry proceedings show that the statement is not correct. Shri Nandi wanted to represent his case by the Secretary of the Union but that prayer was disallowed. So he protested. It is admitted by the Company that the Company disallowed Shri Nandi's prayer to represent his case by the Secretary of the Union. I find nothing wrong in that. He wanted to examine the workers who filed the application, Ext. 6, but his prayer was not allowed by the Officer. Shri Nandi has examined some of the signatories to the letter, Ext. 6, which is again Ext. E. P. W. 2. Shri S. R. Singh Roy simply proves his signature on Ext. 6. He states that he does not remember when he put his signature. He does not even remember the time when he signed. A compositor named Biswanath requested him to sign. P. W. 3 Gopal Das Roy deposes that he cannot say why Shri Nandi was charge-sheeted. He simply proves his signature on Ext. 6. Though he cannot say why Shri Nandi was charge-sheeted it is his evidence that they wrote the application stating that Shri Nandi was not guilty and that they should be examined as witnesses. In the application there is nothing to show that the signatories wanted to be examined as witnesses. P. W. 4 Anup Chandra Dey deposes that he cannot say why Shri Nandi has been dismissed. He simply proves his signature on Ext. 6. It is his evidence that he cannot say the contents of the application, Ext. 6, without reading the same. But at the same time he states that the contents of the application are correct. In cross-examination he states that he cannot say who wrote the application and he did not see anybody to write the application. He simply put his signature. Such being the nature of evidence of the signatories to Ext. 6 no importance should be attached to the same. O. P. W. 2, Shri Anil Baran Ganguly, Assistant Manager of the Eastern Printing Press, states that on 4th May 1967, Shri Nandi came to his table and stated that he had taken the amount which had been stolen from the Co-operative. They had a Samity named 'Apat Kalin Sahayya Samity'. The committee consisted of workmen and office staff. Shri Nandi demanded back the amount from him stating that he got proof that he took the amount. He protested when he again repeated that he should be ashamed because he stole the amount. For this behaviour Shri Nandi was charge-sheeted. This witness was present at the enquiry. He deposes that Shri Nandi cross-examined him and three other witnesses at the enquiry. These witnesses put their signatures on the minutes of the proceedings. The Enquiry Officer asked Shri Nandi if he wanted to examine witnesses and Shri Nandi submitted an application stating that whatever he had to say was mentioned in the application and he would not examine any witnesses. Thus O. P. W. 1, is fully supported by O. P. W. 2, on this point. It is Shri Ganguly's evidence that Shri Nandi did not want any copy of the minutes of the preceedings. He denies the suggestion that the Company used to bear grudge against Shri Nandi as he was engaged in the Union activities. It is further his evidence that after the enquiry the Proprietor dismissed Shri Nandi from 1st July 1967. A letter intimating the order of dismissal was handed over to Shri Nandi on 30th June 1967, at the office in his presence. Shri Nandi was asked to sign and he refused to sign and did not accept the letter and left the office on the same day. Notices were sent to Shri Nandi's residential address—one by registered post and the other by certificate of posting. O. P. W. 3, Shri Rabindra Kumar Dutta Chowdhury is the Manager of the Eastern Printing Press. It is his evidence that on the basis of the enquiry report the Proprietor dismissed Shri Nandi. He wanted to hand over the letter of Shri Nandi and requested him to put his signature on the copy. Shri Nandi did not sign and did not take the notice. Notices were then sent by registered post and under certificate of posting. Nothing has been elicited in cross-examination of O.P.W. 1, and O. P. W. 2, from which it can be said that the enquiry has not been held in a proper and legal manner. I find that all opportunities were given to the workman to dedefend his case. He attended the enquiry all along. He cross-examinned the witnesses. He put his signature on all the pages of the minutes of the proceedings. The enquiry was held by an outsider who had no manner of interest in the Company or any grudge against the worker. It is stated that the charge is vague and as such it is defective. The charge-sheet has been proved as Ext. 1. Goinng through the charge-sheet I find that the substance of the allegation against Shri Nandi were mentioned in the charge-sheet. He understood the charges quite well and gave an explanation to the charges. I do not find any defect in the framing of the charge-sheet. On a consideration of the entire evidence on record oral and documentary, I find that the enquiry against Shri Nandi was held in a proper and legal manner. There has been no illegality or irregularity in the enquiry.

That being so, the order of dismissal on the basis of the report of the Enquiry Officer is quite legal and valid. The workman in the circumstances is entitled to no relief.

This is my award.

Under section 10 of the Industrial Disputes Act the Government of West Bengal in the Labour Department by order No. 4202-I.R./IR/11L-77/67, dated 29th August 1967, referred to the Fifth Industrial Tribunal an industrial dispute relating to the undermentioned issue existing between Bengal Paper Mill Co. Ltd.,Ranigunj, and their workmen represented by Bengal Paper Mill Mazdoor Union. Subsequently by order No. 1803-I.R./IR/11L-77/67, dated 28th March 1968, the Government withdrew the proceedings of that dispute from the Tribunal and transferred the same to this Ninth Tribunal for adjudication.

Issue

Whether the workmen are entitled to wages for the period of lock-out from 23rd October 1965 to 7th November 1965. If so, at what rates ?

Both parties had appeared before the Fifth Tribunal and filed their respective written statement. After the transfer of the proceedings to this Tribunal the parties appeared here on getting notice. On 10th June 1968 the Company filed a petition praying for the decision of some preliminary objection taken by them in their written statement. The Company contends that this reference is not maintainable and the Tribunal has no jurisdiction to entertain the same. This preliminary point was heard by me first and the learned representatives of both parties argued at length on this point.

The case of the Union in the written statement inter-alia is that since the early part of 1965 the Company was violating the existing agreements and was issuing charge-sheets and suspension orders upon the workers. These issues were being discussed both at bipartite and tripartite levels but nothing could be done due to the adamant stand taken by the management. The Company suddenly declared a lock-out with effect from 23rd October 1965 and it came to an end on 7th November 1965 by an agreement, dated 6th November 1965, and the mills started working again on and from 8th November 1965. It is alleged that the Company made mis-statement of facts in the notice of lock-out and the responsibility of the lock-out was entirely of the management, and the workmen were not in any way liable for the same. Accordingly the Union has claimed full wages for the period of the said lock-out.

The case of the Company in its pleading in brief is that in September 1965 the Union made a demand for bonus for that year and the Company offered 4 per cent. of the total annual wages to be paid as advance in that month. The Union did not accept this offer and demanded three and a half months basic wages as annual bonus. The Company did not agree and conciliation proceedings started before the Deputy Labour Commissioner. Meanwhile the workmen in order to force the management to yield to their demands indulged in undisciplined activities on a large scale and adopted "go-slow" tactics as described in details in the written statement. As a result of this action of the workmen there was a heavy fall in the production. The management repeatedly requested the workmen by notices to restore normal working conditions but it had no effect; and the Deputy Labour Commissioner and Assistant Labour Commissioner also failed in their attempts to persuade the workmen to get the normal working restarted. In the circumstances the management had no alternative but to close the mill with effect from 23rd October 1965. Thereafter by a settlement, dated 6th November 1965, the union agreed to restore the normal working of the mill including acting in higher grades. It is alleged that the action taken by the workmen is illegal and unjustified and hence they are not entitled to any wages for the period of no work.

The Company has raised a specific plea in its written statement that the dispute has been settled by a settlement, dated 6th November 1965, and as such this Tribunal has no jurisdiction to decide the issue appearing in the order of reference. This point was canvassed before me by the learned Advocate of the Company as a preliminary point, and it was contested by the union.

It is admitted by both sides that the parties entered into a tripartite settlement signed by the representatives of the employer and the workmen and also by the Conciliation Officer on 6th November 1965 and this has been filed before me. The terms of the settlement inter-alia provide that the workmen will act in higher posts on payment of acting allowance; they will continue to work overtime in accordance with the provisions of the Factories Act when directed by the superior officers; they will not leave the machine unattended so that production is not hampered, etc. In that settlement the union has further assured the management that they will co-operate with the latter and advise the workmen not to waste unnecessary time during tea-brake, etc. It was further agreed that five suspended workers would write to the management a letter (in the form enclosed as annexure to the agreement) and on receipt of such letter the management would allow them to resume their normal duties pending inquiry into the charge-sheets. As a special case the management agreed that the period of this closure would be counted for the purpose of determining the qualifying period of 240 days for the purpose of statutory leave with wages. As regards bonus, the Union agreed to draw provisionally two months' basic wages in terms of the letter of the Deputy Labour Commissioner, dated 22nd September, 1965, and it was stipulated that the issue of bonus would be taken up for discussion at bipartite level as soon as possible after the closing of the accounts for the year ending 31st December 1965, and if no settlement is reached within a reasonable period the matter would be taken up for conciliation in the usual course. Lastly the management agreed that no workmen would be victimised.

From the terms of the settlement, dated 6th November 1965, it will be clear that all the disputes between the parties were settled. It may be noted that even the dispute regarding bonus has been settled finally by a subsequent memo. of settlement, dated 17th August 1966, in terms of the provision of the settlement dated 6th November 1965. In the circumstance it is difficult to believe that the parties left the question of payment of wages for the period of lock-out or closer (as the case may be) unsettled. Of course there is no express term of settlement regarding this matter, but it is obvious that this question of wage was also settled by implication. The fact that the union gave the management assurance about the restoration of normal working condition and due continuation of work by the workmen as before so that the production is not hampered in any way, as specifically stated in the memo. of settlement dated 6th November 1965, goes to show that the Union indirectly admitted that the workers has not been attending to normal works resulting to fall of production before the mill was closed by the management. It appears that the union had waived the claim for wages for the lock-out period in the circumstance as stated above, as otherwise we could have found a specific term in the settlement regarding the payment of wages for this period of closer.

It may also be noted that the decision of the issue regarding payment of wages for lock-out period, would depend on the question as to whether the lock-out or closer was justified. In order to decide that point this Tribunal will have to enter into the question whether the workers had adopted 'go-slow' tactics resulting to fall in production as alleged by the management. When both parties have amicably settled this issue of alleged slow-down of work by the workmen and the resulting loss of production , by a triparite settlement, this Tribunal has no jurisdiction to enter into that question again. Moreover there is every likelihood of recrudescence of fresh disturbances upsetting the present cordial and harmonious relationship between the parties if this Tribunal takes up the matters relating to the old dispute which have already been amicably settled by both sides. It is significant that the question, whether this period of lock-out would be counted for determination of the qualifying period for the purpose of statutory leave with wages, was considered and a specific term to this effect was incorporated in the memo. of settlement. In the circumstance it is difficult to believe that the question of payment of wages had not been considered at that time. Obviously the union did not make any claim for the wage of the lock-out period, rather this claim appears to have been given up by the union as their fault is indirectly admitted in the terms of settlement. Otherwise a definite term in respect of the question of payment of wages for this period would have appeared in this settlement.

Considering all this point I find that this Tribunal cannot decide the issue appearing in the order of reference, and this reference is not maintainable as the dispute has already been settled amicably.

This is a reference under section 10 of the Industrial Disputes Act in respect of an industrial dispute relating to the undermentioned issue existing between Messrs. Shalimar Chemical Works Pvt. Ltd., 1 Chetla Central Road, Calcutta-27 (Works at Shalimar Park, Narendrapur, 24-Parganas), and their workmen represented by Shalimar Chemical Works Shramik Congress, Baikunthapur, post office Rajpur, 24-Parganas, sent to this Court by the Government of West Bengal, Labour Department, order No. 2139-I.R./IR/11L-144/68, dated 11th April 1968, for adjudication.

Issue

Whether the termination of employment of Sarvasri Manager Routh, Harinand Prosad, Madan Mondal and Srigopal Chaudhury is justified ? What relief are they entitled to ?

The parties, however, placed on record a joint application stating inter alia that they had amicably settled their dispute and praying for a "No-dispute" award in terms of the said application. I have looked into the Memorandum of Settlement placed on record by the parties and I consider the terms thereof to be lawful, fair and reasonable. I have also heard the parties and the Advocates who signed as witnesses to the said application in the matter and they admitted that the application was signed by the parties understanding the contents thereof. On a reference to the terms as embodied in the joint application which I accept there need not be any doubt that the parties have settled their dispute amicably, on lawful and reasonable terms.

Under the circumstances, I pass a "No dispute" award in terms of the joint application of the parties. The joint application of the parties do form part of the award.

AWARD

The Government of West Bengal, in its Labour Department, by order No. 5646-I.R./IR/11L-528/67 dated 31st October 1967, has referred to this Tribunal an industrial dispute between Messrs. Yuen Lee Son Tannery, 47 South Tangra Road, Calcutta-46, and their workmen represented by Leather & Tannery Mazdoor Sabha, 104 Christopher Road, Calcuta-46, for adjudication in respect of the following issue:

Issue

1. Whether the management is justified in refusing payment for the special holiday on the 9th May 1966? What relief, if any, are the workmen entitled to in this respect?

2. Whether the dismissal of the following workmen is justified? What relief, if any, are they entitled to?

Sarbasree (1) Sagar Ram, (2) Baluswar Ram, (3) Jugiswar Ram, (4) Ram Bran Ram, (5) Rameswar Ram, (6) Budh Ram, (7) Ganpat Ram, (8) Gadu Ram, (9) Chhatu Ram, (10) Titar Ram, (11) Bhanu Ram; (12) Lalchau Ram and (13) Budhan Ram.

This is a reference under section 10 of the Industrial Disputes Act. The workman are represented by Leather & Tannery Mazdoor Sabha. In the written statement filed by the said Mazdoor Sabha it is stated that due to the inordinate delay made by the Labour Directorate even to refer the matter to adjudication and give the workers an opportunity in getting justice the workers lost faith in the adjudication machinery itself and in utter despair were forced to accept whatever the management offered to them and accept retrenchment. It is prayed that this Tribunal be pleased to call for all the papers and enquire into the conduct of Shri S. K. Banerjee, Labour Officer, who was responsible for coercing the labour indirectly to accept retrenchment by making inordinate delay in conciliation proceedings. The Sabha did not appear when the case was called for hearing. The workmen also did not appear. As such the case was taken up for ex-parte hearing. Mr. Lie Euo Chu has been examined as P.W.1. It is his evidence that he looks after the business of the Company of which his uncle is one of the Partners. He also looks after this case. He proves the receipts, Ext. 1 series by which it is seen that all the workmen mentioned in the order of reference accepted payment in full and final satisfaction of their claims. That being so, the workmen cannot now raise the issue of dismissal. As regards issue No. 1 P.W.1 deposes that the Company declared 9th May 1966 a holiday and all the workmen were paid their wages for that day. There is nothing to contradict the statement of P.W.1 That being so, issue No. 1, also fails. It may be mentioned that this Tribunal has no business to call for the papers and make an enquiry into the conduct of Shri S. K. Banerjee, the Labor Officer. Both the issues therefore must be decided in favour of the company The workmen are entitled to no relief.

This is my award.

AWARD

This case arises out of an order of reference of the Governor under Government of West Bengal, Labour Department, order No. 2666-I.R./IR/10L-95/67, dated the 20th June 1967. Under that order, an Industrial dispute existing between Messrs. Abrasives and Castings Ltd. (hereinafter referred to as the Company) and their workmen represented by Motor Vehicles Drivers' Congress (hereinafter called the Congress) has been referred to this Industrial Tribunal for adjudication in exercise of the powers conferred upon the Governor by section 10 of the Industrial Disputes Act, 1947. The issue referred to is as follows:

Issue

Whether refusal of employment to Shri Sukhdev Rai is justified? What relief, if any, is he entitled to?

On receipt of the order of reference this case was registered on 29th June 1967 and the parties were called upon to file their respective written statement. The parties thereafter filed their respective written statements and the case became a contested one. Thereafter various steps were taken by the parties in this case. On 28th March 1968 a petition was filed on behalf of the Company demanding a preliminary hearing on the points raised by the Company in the written statement touching upon the question of jurisdiction of this Tribunal before hearing the dispute on merits under the aforesaid order of reference. On 30th April 1968 an order was passed and 25th May 1968 was fixed for hearing the preliminary issues raised by the Company in its written statement. The parties wanted to adduce oral evidence on the preliminary objection raised by the Company and so the Tribunal allowed them to do so. Four witnesses were examined for the Company and one witness was examined for the Congress. A number of documents filed by the Company were marked as exhibits. Thereafter 21st June 1968 was fixed for arguments, On 21st June 1968 Shri S. Roy Chowdhury, Advocate, appeared for the Congress and Shri K. P. Mukherjee, Advocate, appeared for the Company. The learned Advocates addressed the Tribunal on the preliminary objection raised by the Company and the Tribunal reserved its order.

In short, the case of the Congress is that Shri Sukhdev Rai was employed as a permanent driver by the Company on a monthly salary of Rs. 162. The workman had put in a service of more than six years with the Company without any blemish whatsoever. Shri Rai is a member of Motor Vehicles Drivers' Congress which is an industrywise Union. At the initial stage Shri Rai had been told that overtime wages would be paid but after a lapse of considerable period of time when it was found that Company did not pay such overtime wages, the workman began to press his claim in that regard. When the Company refused to pay overtime wages to him, Shri Rai reported the matter to the Congress. The Congress advised Shri Rai to put his claim before the Management and thereafter to report the result to the Congress. When Shri Roy represented his case before the Management regarding his demand for overtime wages, the Management without any justification became furious and advised him to sever his connection with the Congress. Thereafter Shri Roy obtained a sanctioned leave from 8th November 1965 to 22nd November 1965 (both days inclusive). On expiry of the said period of leave, Shri Rai reported to the Company for resuming work but the Management most arbitrarily, without assigning any reason whatsoever, refused him employment with effect from 23rd November 1965. The Congress took up the case of Shri Rai and protested against this unjustified act of the Company. But the Management did not come to reason and continued to refuse employment to Shri Rai. Thereafter the Congress raised an industrial dispute and the Labour Directorate made attempts at conciliation. The conciliation attempt having failed due to the unreasonable attitude of the Management, the dispute was referred to this Tribunal for adjudication. The Congress prays for reinstatement of the workman in his previous job with all wages, allowances and other dues for the period of forced unemployment.

In short, on merit the Company took the plea that Shri Rai left the employment of the Company by submitting his voluntary resignation. Therefore, the question of refusing employment to Shri Rai did not at all arise. But the Company raised some preliminary objections regarding the jurisdiction of the Tribunal to enter into the merits of the case. Raising preliminary objections, the Company stated:

(a) That the dispute, if any, between the Company and Shri Sukhdeo Rai is not an industrial dispute within the meaning of the provisions of the Industrial Disputes Act, 1947.

(b) That there was neither any existence nor any apprehension of any dispute relating to the case of Shri Sukhdeo Rai between the said Company and its workmen in general.

(c) That the Motor Vehicles Drivers' Congress has got no locus standi to represent the workmen of the Company and to represent them or to raise any dispute on their behalf.

(d) That the Motor Vehicles Drivers' Congress is not a trade union of the workmen of the establishment of the Company and workmen concerned employed by the Company are not all members of the Motor Vehicles Drivers' Congress.

(e) That the said order of reference is misconceived and ultra vires the provisions of the Industrial Disputes Act, 1947.

(f) That the said order of reference is otherwise bad in law.

In its petition, dated 27th March 1968, filed on 28th March 1968, the Company demanded a hearing on preliminary issues raised by it on the ground that in terms of the principles decided by the Hon'ble Supreme Court in various cases including the case of Express Newspaper Ltd. and Messrs. Tandur & Navangari Stone Quarries (Private) Ltd., it is necessary that such preliminary issues should be heard and decided at the first instance. The Company also maintained that the same principles have been reiterated by the Hon'ble High Court, Calcutta, in the case of National Iron & Steel Company Ltd. The Congress raised no objection on the question of hearing the preliminary points or issues raised by the Company. Hence the preliminary objections raised by the Company were heard on 21st June 1968 after admitting some documentary and oral evidence.

Now I shall refer to the oral evidence referred to and relied upon by the parties in canvassing their respective cases before me.

O.P.W.1 Shri Ancheri Basudeva Nandan stated that he was employed in Abrassive and Casting Ltd. from 10 years back. He further stated that there was a registered Union of the employees of the Company. According to him, at Bally, this Company has got a factory and there is a union of the employees there. Further according to him, at Pagladanga there is one unit of the Company and there are two unions of the employees of the Company there. In cross-examination he stated that he worked as a Stenographer of the Company and his knowledge about labour matters were acquired when he had to take dictation touching upon those matters. O.P.W.2 Shri Basudha Ranjan Naha, an employee of the Office of the Registrar of Trade Unions, appears before the Tribunal with the authenticated rules of Motor Vehicles Drivers' Congress, West Bengal, and of Abrasive & Castings Workmen's Union. P.W.1 Shri P. K. Acharya, General Secretary to Motor Vehicles Drivers' Congress, West Bengal, stated in his evidence that Shri Sukhdeo Rai was a member of the Congress from the year 1963. He also stated that on the question of dismissal of Shri Rai, the Congress wrote letters to the Secretary of Abrasive & Casting Ltd., but received no reply. Thereafter he raised the dispute regarding that matter in the Labour Directorate. In cross-examination, he said that Shri Sukhdeo Rai was outside Calcutta and was not a witness in the preliminary hearings. He further stated "except the drivers, other employees of Abrasives & Castings Ltd., are not our members. In Abrasives & Castings Ltd., there was only one driver who was Sukhdev Rai. In June 1967 the membership of our Congress was 5,000". Further in his cross-examination it appears from his deposition when he stated "I do not know the Secretary of the Abrasives & Castings Ltd. I cannot give the name of any employee of Abrasives & Castings Ltd., who could be said to have raised the dispute for Sukdev Rai, . . . I do not know whether any workman of Abrasives & Castings Ltd., raised or not a dispute regarding refusal of employment to Sukdev Rai.' I have been doing trade unionism for the last 20 years. I know Shri Anadi Das who is a trade unionist, but I cannot say whether he has a trade union in Abrasives & Castings Ltd."

The Learned Advocate for the Company submits that the present dispute even if it exists is an individual dispute and not an industrial dispute. The Learned Advocate draws the atention of the Tribunal to Ext. A and Ext. B. Ext. A is the constitution of the Motor Vehicles Drivers' Congress, West Bengal, which is a party to the dispute and Ext. B is a document containing the rules of Abrasives and Castings Workmen's Union which is not a party to the dispute. Further the Learned Advocate refers to the relevant portions of evidence given by O.P.W.1 and P.W.1. The Learned Advocate points out that the Congress is not the Union of the workmen of the Company. Only Shri Sukhdev Rai is the member of the Congress whereas other workmen of the Company are members of Messrs. Abrasives and Castings Workmen's Union. The Learned Advocate points out that the cause of Shri Sukhdev Rai has not been espoused by Abrasives and Castings Workmen's Union but it has been espoused by the Congress which does not function among the workmen of the Company. The Learned Advocate contends that espousal of the cause of Sukhdev Rai by the Congress does not convert an individual dispute into an industrial dispute. Criticising the order of reference the Learned Advocate contends that an industrial dispute could not exist between the Congress and the Company because its workmen were not represented by the Congress at all. The Learned Advocate submits that the order of reference is a misconceived one and this order of reference cannot convert an individual dispute between Sukhdev Rai and the Company into an industrial dispute. The Learned Advocate contends that though Abrasives and Castings Workmen's Union functions among the Workmen of the company it did not espouse the cause of Sukhdev Rai. Therefore, it must be held that there is no dispute between the Company and its workmen. The Learned Advocate draws the attention of the Court first to the Supreme Court Case reported in AIR 1959 S.C.104. Speaking for the Court Shri Venkataraman Iyyer, Justice, has observed to the effect that the preponderance of judicial opinion is clearly in favour of the last of the three views stated by him in that case, and there is considerable reason behind it. Notwithstanding that the language of section 2(k) is wide enough to cover a dispute between an employer and a single exployee and cannot per se be an industrial dispute but it may be one if it is taken up by the Union or a number of workmen. The Learned Advocate submits that the present case, the dispute between Shri Sukhdev Rai and the Company has not been taken up by the Union which functions among the workmen of the Company. Therefore, the present dispute remained an individual dispute. Thereafter, the Learned Advocate refers me to the case reported in A.I.R. 1959 P. 267 in paragraph 7 of the judgement in the case referred to above. Shri D. N. Sinha, Justice (as he then was) has observed as follows: "The Industrial Disputes Act is a legislation intended to ensure industrial harmony and when an individual case is taken up by a class of workmen, then it becomes an industrial struggle and loses its limited scope. But I find no justification in holding that a workman's cause can be taken up by a Union unconnected with the employer or the industry concerned, and still pass the test whereby an individual dispute can be transformed into an industrial dispute. The employer is not concerned with the workmen who are not in his employ. He cannot possibly have an industrial dispute or any dispute with persons who are not in his employ. The real test appears to me to be as to whether the majority, or a large portion of the workmen employed in the particular industry, are concerned in the dispute or not. Where the Union is of the workmen employed in that particular industry, it may be presumed that when the Union takes up the cause of an individual workmen it signifies a concerted action on the part of the workmen who are members of that Union. But I do not see by what means it is possible for a Union of workmen unconnected with the particular industry concerned, to take up such a cause and transformed it into an industrial dispute between a particular employer and his workmen. On the other hand, I do not wish to confine the principle unduly. I do not say that under no circumstances could a workman be represented by a Union which is not the Union of the Workmen of that particular industry concerned. If a large number of workmen of a particular industry become members of a Union which is not strictly speaking the Union of the industry or the establishment concerned, the principle might be extended."

The Learned Advocate submits that in the present case it is seen that in the espousal of the cause of Sukhdeo Rai no workman of the Company is involved. No workman of the Company is a member of the Congress which is a party to the dispute. Therefore the espousal of Sekhdeo Rai's cause by the Congress cannot convert an individual dispute into an industrial dispute. The Learned Advocate further refers me to the concluding lines of the same case where it has been stated, "Only one workman of the Company is a member of this Union and there is no possibility of the Company being faced with an industrial dispute with its workmen in general, as a result of the facts and circumstances as they have happened in this case." The Learned Advocate submits that in this case also only one workman of the Company happens to be a member of the Congress. Therefore, the Company cannot be faced with an industrial dispute with its workmen in general as a result of its dispute with Sukhdev Rai. The learned Advocate contended that therefore the present dispute cannot be considered to be an industrial dispute. Thereafter the learned Advocate referred me to another case of Calcutta High Court reported in A.I.R.1963 P.543. In that case Justice Sinha (as his Lordship then was) has observed: "The law therefore is that an outside union can, by supporting an individual workman, convert an individual dispute into an industrial dispute, only if a large number of workmen of the industrial unit concerned in the dispute, or a majority of them are members of such a union."

This being the law on the subject, let us consider the facts of the present case. I have already mentioned above that the workmen dismissed were four manjhis out of a total number of 40 manjhis and 170 dandis. It is admitted that the Calcutta Boatman Union is not a union of the industrial unit carried on by the employer. On the question as to whether these four manjhis were members of the said union, there was same dispute. It was said that, although they became members at one time, they failed to pay their membership subscription for six months, and therefore, under the rules of the union, they ceased to be members. I do not think it is necessary to cosider this aspect in more detail. I shall assume that these workmen were in fact members of the Calcutta Boatmen Union. Applying the test given above, that would not enable the said union to convert the dispute between such workmen and the employer into an industrial dispute. The further requirement is that a large number of the workmen, or a majority of workmen in the business or industrial unit carried on by the employer should be members of the said union."

On the strength of this observation, the Learned Advocate contends that the present dispute is an individual dispute and so the State Government had no authority to refer the same for adjudication to this Industrial Tribunal under section 10 of the Industrial Disputes Act.

It is an admitted fact that the Congress is not a Union of the workmen of the Company. It has been said that it is an industry wise union and all its members are drivers. The Company appointed only one driver and that driver was Shri Sukhdev Rai who was a member of that Congress. It is also an admitted fact that the workmen of the Company are organised under different trade Unions and Sukhdev Rai is not a member of any of those Unions. None of those Unions has espoused the cause of Sukhdev Rai. Therefore, on account of a dispute between Sukhdev Rai and the Company there cannot arise an industrial dispute between the Company and its workmen. In the order of reference, it has been stated that the workmen of Abressive and Castings Ltd. are represented by Motor Vehicles Drivers' Congress. From the evidence on record it does not seem to be true. Asserting that the dispute of Sukhdev Rai has not been espoused by substantial number of workmen working under the Company, the learned Advocate for the Company submits that this dispute cannot acquire the colour and character of an industrial dispute. As the workmen of the Company did not espouse the dispute of Sukhdev Rai the industrial harmony in the Company was not at all affected. Therefore, relying upon the authority cited by the learned Advocate of the Company I must hold that the present dispute is an individual dispute between Sukhdev Rai and the Company. The Congress which espoused the cause of Sukhdev Rai does not represent the workmen of the Company, except Shri Sukhdev Rai. Therefore, espousal of this dispute by Motor Vehicles Drivers' Congress cannot affect the harmony that exist between the Company and the generality of its workmen.

The learned Advocate for the Congress however submits that the dispute arose at the end of 1965. Therefore section 2A of the Industrial Disputes Act converted the so called individual dispute between Sukhdev Rai and the Company into an industrial dispute. From the Act, it appears that section 2A of the Industrial Disputes Act was inserted by Act 35 of 1965 with effect from 1st December 1965. From the written statement of the Congress, it appears that Sukhdev Rai was refused employment with effect from 23rd November 1965. Hence, it is clear that the cause of action in this dispute arose on 23rd November 1965 when employment was refused to Sukhdev Rai. Section 2A of the Act came into effect from 1st December 1965. Therefore, it must be held that the present dispute arose before the Industrial Disputes Act came into force. So, section 2A is not at all attracted. In the next place, from the reference, it is clear that the dispute exists not between the Company and Sukhdev Rai but between the Company and its workmen represented by Motor Vehicles Drivers' Congress. I have already stated above that Motor Vehicles Drivers' Congress does not at all represent the workmen of the Company. It is also made clear above that the workmen of the Company did not espouse the cause of Sukhdev Rai so had no dispute at all with the Company. Therefore, in my opinion, the present order of reference is a misconceived one. In my opinion, the dispute that has been referred to for adjudication is an individual dispute and not an industrial dispute as defined in section 2(k) of the Industrial Disputes Act. Under the circumstances, the preliminary objection raised by the Learned Advocate of the Company must be upheld.

The preliminary objection succeeds. This Tribunal has no jurisdiction to adjudicate the individual dispute referred to it under the orders of the Governor of West Bengal. The order of reference is not maintainable. In the result, the Congress is not entitled to any relief from this Tribunal.

This is my award.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Hospital Appliances Manufacturing Co., 18 Paymental Garden Lane, Calcutta-15, and their workmen represented by East Calcutta Engineering Maddoor Sabha, 44|20 Debendra Chandra Dey Road, Calcutta-15 (Case No. 899 of 1967.)

BEFORE THE FIFTH INDUSTRIIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. K. Mutsuddi, Judge,

Fifth Industrial Tribunal.

By the Government of West Bengal, Labour Department, order No. 6267-I.R.|IR|11L-536|67, dated 1st December 1967, this industrial dispute between Messrs. Hospital Appliances Manufacturing Co. and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication on the issue mentioned below:

Issue

Whether the dismissal of Shri Bankim Chandra Ray is justified? What relief, if any, is he entitled to?

On receipt of notice from the Tribunal both parties made appearance and submitted their respective written statement.

The case of the Union is that Bankim Chandra Roy, a permanent worker of the Company, was wrongfully dismissed from the service of the Company on 19th June 1967.

The case of the Company is that Bankim Ch. Roy himself tendered his resignation on 3rd June 1967, and the same was accepted by the management.

Decision

In this case the question is whether Bankim Roy was. dismisissed from the service of the Company or whether he left the service voluntarily.

It is the case of the Union that Bankim was dismissed from service on 19th June 1967. The Union has not examined any witness to prove the allegation. On the other hand, the Company's witness O.P.W. 1, Shri Amiya Biswas says that Bankim Roy resigned his service by a letter. He denies emphatically that Bankim Roy was dismissed from the service. I find no reason as to why I should disbelieve his evidence specially when the workman does not come forward to say that he was dismissed from his service. Moreover the documentary evidence show that Bankim Roy left the service voluntarily. Ext. 3 is the letter of resignation submitted by Bankim Roy. This document conclusively proves that the story of dismissal from service is absolutely false and that Bankim actually left the service voluntarily. It is not a case of dismissal. So I find that there was no question of issuing of charge-sheet to the workman.

I find that the workman left the job voluntarily. He is, therefore, entitled to no relief in this case.

This is my award.

AWARD

These four cases were taken up analogously by my predecessor by his order No. 20, dated 10th March 1965.

These are the petitions under section 33A, Industrial Disputes Act, by the respective petitioner-workman against their employer Messrs. Russa Garage Electrical Works (P) Ltd., and were filed before the Seventh Industrial Tribunal.

The cases of the respective petitioner-workman as well as that of the O.P.-Company in each case are of identical nature.

The petitioners-workmen in each case were serving under the O.P.-Company. An industrial dispute between the O.P.-Company and their workmen was referred to the Seventh Industrial Tribunal. The O.P.-Company dismissed the respective petitioners-workmen in each case in violation of the provision of section 33(2)(b), Industrial Disputes Act, on different dates, which has been specified in the respective petition. All the workmen were suffering under very unfair service conditions including extremely low wages. They organised themselves for collective bargaining and ameliorating their just and legitimate grievances about 9 or 10 months before the filing of the petition. The O.P.-Company did not like their trade union activities and adopted a vindictive and victimising attitude. The active organisers of the trade union movement were singled out and dismissed from their services. Charge-sheets were served upon the respective petitioner-workmen in case Nos. 8/67, 9/67 and 11/67 to which they replied. The finding of guilt in the other case was done behind the back of the petitioner-workman and in gross violation of the principles of natural justice. The petitioner-workman in case No. 10|67 was dismissed without any enquiry by way of victimisation as such. No notice pay was paid to them nor any approval of the orders of dismissal was taken from the Seventh Industrial Tribunal in accordance with section 33 Industrial Disputes Act. The orders of dismissal were passed by way of victimisation and mala fide and are instances of gross unfair labour practice.

The O.P.-Company's case in all the cases is that there were no violation of the provision of section 33(2)(b), Industrial Disputes Act, and also that the present petitions under section 33A are not maintainable. Their specific cases in cases Nos. 8|67, 9|67 and 11|67 are that all the petitioner-workmen were charge-sheeted on specific ground of misconduct and on their filing of respective explanations enquiries were held, when the petitioner-workmen were given full opportunities to defend their respective case at the time of respective domestic enquiry against them and they were found guilty of the charges levelled against them. They were thereafter dismissed from their respective service. The specific defence in case No. 10|67 is that the petitioner-workman relinquished his service voluntarily and there was no dismissal as alleged. It is specifically denied that the petitioner-workmen were dismissed by way of victimisation or unfair labour practice as alleged.

All these cases were transferred to this Court by my learned predecessor by his order No. 32, dated 14th August 1967, passed in each case.

It is not disputed before me at the time of the present hearing that there has been violation on the part of the O.P.-Company to comply with the provision of section 33(2)(b), Industrial Disputes Act, by way of payment of one month's wage to the respective petitioner-workman and seeking approval before the Seventh Industrial Tribunal of passing the respective order of dismissal against each of the petitioner-workmen as such.

It is, however, well settled law that the O.P.-Company is entitled to justify these acts by way of dismissal of the delinquent workmen on the ground of misconduct even after non-compliance with section 33(2)(b), Industrial Disputes Act, at the time of hearing of a petition under section 33A, Industrial Disputes Act, by the concerned workmen as such. At this stage, therefore, this Court must examine the evidence adduced at the time of the hearing to consider whether there was a proper domestic enquiry in accordance with the law and in consonance with the principles of natural justice against each of the petitioner-workmen as alleged and whether the order of dismissal passed against each of the petitioner-workman on the basis of the respective findings of the domestic enquiry are justified.

The petitioner-workmen have examined five witnesses in support of their cases including the petitioner-workmen Karamdeo Shaw of Case No. 8/67, Budhi Ram Kahar of Case No. 9|67, Burmananda Gupta of Case No. 10/67 and Ramdeo Prasad Kahar of Case No. 11|67 as P.Ws 4, 3, 1 and 2, respectively. P.W. 5 is the only other witness, who is the General Secretary of the Union, Burrabazar Jamadar Sangha. P. W. 3 and 4 have deposed that at the time of the respective domestic enquiry they were merely asked by the Enquiring Officer whether they were guilty of the charges or not. On their answering in the negative, they were asked to leave the place of enquiry and no prosecution witnesses were examined in their presence. P.W. 4 has also stated that after formation of the Union, the O.P.-Company became annoyed of the labourers and Shri P. C. Mukherjee of the O. P.-Company asked them to leave the membership of the Union, to which they did not agree and thereafter the charge-sheets were served upon them. P.W. 1 also states that on his submitting reply to the charge-sheet, Mukherjee Saheb called him for enquiry. He ascertained from P.W. 1 whether they had formed any Union and the answer being in the affirmative asked him to leave the Union. P.W. 1 did not agree to give up the Union, when Mukherjee Saheb asked him whether he (P.W. 1) had committed any offence. He replied in the negative and after that P.W. 1 was asked to go away. P.W. 2 stated that he was not called to any enquiry at all. The Manager came and asked him whether he had committed any offence, when he replied in the negative. Thereafter the Manager asked him to carry on his work. Mukherjee Saheb called him and asked him and other workmen to give up the Union and threatened if they did not give up the Union, they would be dismissed and would not be reappointed. He also did not receive any charge-sheet. All these witnesses were cross-examined and nothing transpired during their cross-examination, because of which they may be disbelieved. It would be interesting to consider the evidence of the Enquirying Officer as O. P. W. 1 at this stage. He held domestic enquiries against Karamdeo, Budhi Ram and Ramdeo Prasad Kahar. Exhibits A, B and C are the respective enquiry proceedings and Exts. A(1), B(1) and C(1) are the respective enquiry reports. He has admitted in his cross-examination that he had personal knowledge about the incident covered by the charge-sheets against three petitioner-workmen. He saw that these workmen were involved in a row created in the room of Shri Mukherjee, the Director of the O.P.-Company and the police came. He has categorically admitted that to some extent he relied upon his personal knowledge, while making the enquiry and coming to his findings. It is crystal clear, therefore, that in Case Nos. 8|67, 9|67 and 11|67 against Karamdeo Shaw, Budhi Ram Kahar and Ram Prosad Kahar, the enquiries were vitiated by the bias of the Enquiring Officer and were, therefore, not carried out in accordance with the law or in consence with the principles of natural justice. No evidence has been adduced at the time of the presnt hearing of the cases to support the O.P.-Company's cases of misconduct against these three petitioner-workmen. So I must accept the respective cases of the petitioner-workmen in case Nos. 8|67, 9|67 and 11|67 and find that the orders of dismissal passed against them by way of violation of section 33(2)(b), Industrial Disputes Act, could not be supported by any independent evidence as well. As to case No. 10|67, the specific evidence of the petitioner-workman as P. W. 1 is that he was dismissed without charge-sheet or any enquiry by way of victimisation. At the time of the hearing of the case, he, however, stated that he got two charge-sheets Exts. 1 and 1(a) to which he replied. He was called for an enquiry, but there was no enquiry. The evidence of the O.P.-Company is that the petitioner workman in case No. 10|67 voluntarily left his service. There is no evidence on this point and so this case cannot be believed on the existing evidence.

On the above discussions, I hold that the orders of dismissal were passed against the petitioner-workmen in case Nos. 8/67, 9/67 and 11/67 by violation of the provisions of section 33, Industrial Disputes Act, and the petitioner-workmen in those cases are entitled to reinstatement with back wages, as if there were no dismissal from their respective service. They are also entitled to reinstatement within one month from the date of publication of these awards.

In case No. 10|67 I hold that the petitioner-workman was dismissed from the service by way of refusal of employment in violation of the provision of section 33, Industrial Disputes Act, and that he never voluntarily left his service as alleged by the O.P.-Company and he is entitled to reinstatement with back wages, as if his service was never terminated. He would also be entitled to reinstatement within one month from the date of publication of this award.

Awards be passed accordingly in respect of the case Nos. 8/67, 9/67, 10/67 and 11/67 holding that the orders of dismissal passed against the petitioner-workmen in case Nos. 8|67, 9|67 and 11|67 are unjustified and the order of termination of service passed against the petitioner-workman in case No. 10|67 is unjustified and are all in violation of the provisions of section 33, Industrial Disputes Act, and all the petitioner-workmen are entitled to reinstatement and back wages, as if their respective service was never terminated by way of dismissal or otherwise and the O.P.-Company shall reinstate all the petitioner-workmen within one month from the date of publication of these awards in the Calcutta Gazette.

These are my awards.

AWARD

The Government of West Bengal, in the Labour Department, by order No. 3863-I.R./IR/11L-281/67, dated the 16th August 1967, referred to this Tribunal under section 10 of the Industrial Disputes Act an industrial dispute between Messrs. Spencer Aerated Water Factory (P) Ltd., 87 Dr. Suresh Sarkar Road, Entally, Calcutta-14, and their workmen represented by Spencer Mazdoor Union, 5 Dr. Suresh Sarkar Road, Calcutta-14, for adjudication in respect of the following issue.

Issue

Whether the dismissal of Shrimati Nilima Mukherjee is justified. What relief, if any, is she entitled to?

After receipt of the reference, notices were actually served on both the parties. The Company as well as the Union filed separate written statements of their own.

It is an admitted fact that the dismissed workman Shrimati Nilima Mukherjee was employed under the Company as a bottle washer having joined the same some time in the year 1963. For an incident on 4th July 1964 inside the factory a charge-sheet dated 7th July 1964 (vide Ext. B) was served on Shrimati Nilima Mukherjee. It has been alleged in the charge-sheet that on the asking of the Supervisor to cleanse the bottles which were not properly cleansed on the previous day (3rd July 1964), Shrimati Nilima Mukherjee flared up and flatly refused to carry out the instructions. Shrimati Nilima Mukherjee grew angry at this, started shouting, abusing and threatening her co-workers and the Supervisor as well, which created a grave situation so that the other workmen had to stop their work for about an hour. This action on the part of Shrimati Nilima Mukherjee was a gross misconduct, subversive of discipline. It is then admitted that Shrimati Nilima Mukherjee replied to the charge-sheet (vide Ext. C her explanation. date 9th July 1964), in which she denied the allegations to the charge-sheet and, on the other hand, she alleged that she had some quarrel with her other co-workers, including Shrimati Sushila and Shrimati Puspa. Then a notice of enquiry (Ext. D, dated 28th July 1964) was served on Nilima Mukherjee requiring her to be present at the enquiry proceedings to be held on 3rd August 1964. The enquiry proceedings were actually held by D.W. 1 Shri Nandalal Addy, Assistant (Clerk), working under the Company. Shrimati Nilima Mukherjee was all along present during the enquiry proceedings. Shri Nandalal Addy has proved his enquiry proceedings (Ext. A). Exhibit A/1, dated 13th August 1964, is his report of enquiry. In his report D.W. 1 came to the conclusion that Shrimati Nilima Mukherjee is guilty to the charges, viz., acts of insubordination to the lawful order of the Supervisor and also acts, subversive of discipline. Shri Nandalal Addy also recommended her dismissal. The Company authorities after receipt of this enquiry report, dated 13th August 1964, wrote to Shrimati Nilima Mukherjee on 18th August 1964, having agreed with the findings of the Enquiry Officer, to offer unqualified apology within three days from the date of the receipt of the said original letter, copy being Ext. D(1). Shrimati Nilima Mukherjee admittedly received the said letter and refused to tender any apology, by writing a letter, copy being Ext. 3(a), dated 24th August 1964. Then the Company authorities by a letter, dated 15th September 1964, dismissed Shrimati Nilima Mukherjee forthwith. Shrimati Nilima Mukherjee admittedly received the said letter of dismissal. On the same date, Rs. 42.50 N.P., the admitted amount of one month's wages, was sent to Shrimati Mukherjee by M.O. and Shrimati Nilima Mukherjee in turn received the same by signing the M.O. receipt, Ext. G(1). The Company then admittedly filed an application (vide Ext. 4) under section 33(2)(b) of the Industrial Disputes Act before the Judge, Fifth Industrial Tribunal, praying for approval of the Company's action by way of dismissing Shrimati Nilima Mukherjee. Shrimati Nilima Mukherjee appeared in that case and contested the same. The Enquiry Officer Shri Nandalal Addy was examined in that proceeding. Exhibit 2 is the certified copy of his deposition. The Supervisor of the Company, Shri S. N. Chatterji, whose orders were defied by Shrimati Nilima Mukherjee was also examined in that proceeding as P.W. 2. Exhibit H is the certified copy of his deposition there. Shri K. P. Mukherji, the then Judge, Fifth Industrial Tribunal, on the evidences placed before him, by the Company as well as the dismissed workman, came to the conclusion that the order of dismissal of Shrimati Mukherjee by the Company was bona fide. He was further of opinion that there was sufficient compliance with the proviso to section 33(2)(b) of the Act. He was also of opinion that the finding of the Enquiry Officer was not perverse or baseless and that the decision of the management in dismissing Shrimati Nilima Mukherjee was not actuated by any desire of victimisation or unfair labour practice. Thus, the order of the Company by way of dismissal of Shrimati Nilima Mukherjee was approved on 19th February 1965. Exhibit 1 is the certified copy of the order of the said Judge, Fifth Industrial Tribunal. Then the instant reference under section 10 of the Industrial Disputes Act has been made.

The Union in the written statement contended that the dismissal was nothing short of victimisation and of unfair labour practice. The allegations in the charge-sheet Ext. B have been denied. According to her, further, the enquiry by Shri Nandalal Addy was perfunctory and that the finding of the Enquiry Officer was also not correct. Thus, it has been contended that the order of dismissal is improper, illegal and unfair with ulterior motive of crushing a rival union, namely, Spencer Mazdoor Union, of which Shrimati Nilima Mukherjee was a member.

The Company in their written statement alleged that for commission of gross misconduct by Shrimati Nilima Mukherjee, the charge-sheet, Ext. B, dated 7th July 1964, was served on Shrimati Nilima Mukherjee, giving details of the charges therein. Shri Nandalal Addy, the Enquiry Officer, held the enquiry proceedings in a fair manner and he came to the conclusion that Shrimati Nilima Mukherjee was guilty of the allegations made in the charge-sheet.

On behalf of the workman, three witnesses including the dismissed workman (P.W. 3) Shrimati Nilima Mukherjee and two others were examined, P.W. 1 is an assistant in the Office of the Labour Directorate and P.W. 2 is a clerk of the Office of the Registrar of Trade Unions. On the other hand, on behalf of the Company, only one witness Shri Nandalal Addy, the Enquiry Officer, has been examined.

In dealing with cases like the instant one, we must remember in mind the broad principles of law as mentioned below. The management, of a concern, undoubtedly, has power to direct its own internal administration and discipline, but the power is not unlimited and when a dispute arises Industrial Tribunals have been given the power to see whether the termination of service of a workman is justified and to give appropriate relief, but in cases of dismissal on misconduct, the Tribunal does not, however, act as a court of appeal and substitutes its own judgment for that of the management. It will only interfere—

(i) where there is want of good faith;

(ii) where there is victimisation or unfair labour practice;

(iii) when the management has been guilty of a basic error or violation of a principle of natural justice; and

(iv) when on materials the finding is completely baseless, or perverse.

The Company's allegations are that on 4th July 1964 when the female bottle washers including the dismissed workman Shrimati Nilima Mukherjee were asked by the Supervisor of the Company (Shri S. N. Chatterji) to rewash the uncleaned bottles which were not properly washed previous day (3rd July 1964), Shrimati Nilima Mukherjee flared up and refused to carry out the instructions of Shri Chatterji and behaved with him in an unwanted manner and also instigated the other co-workers for defying lawful instructions of the Supervisor. Shrimati Nilima Mukherjee also grew angry and started shouting, abusing and threatening her co-workers and also the Supervisor creating a grave situation so that the other workmen had to stop their work out of fear, resulting in stoppage and dislocation of the normal work of the Company for about an hour. According to the Company, Shrimati Nilima Mukherjee by aforesaid acts had committed acts subversive of discipline and peace of the factory, and violated deliberately the lawful and justifiable orders of the Supervisor. There was a domestic enquiry, as I have already mentioned above, by Shri Nandalal Addy (D. W. 1). Shri Nandalal Addy enquired into the proceedings in presence of Shrimati Nilima Mukherjee herself. It appears from the evidence adduced before me that Shrimati Nilima fully participated in the said proceedings. It has been argued before me that actually the proceedings were done not by Shri Addy but by Shri Amar Dutt, the Managing Director of the Company. But this fact has not been mentioned in the written statement filed before me and as such I reject this contention.

It has next been contended before me on behalf of the workman that the proceedings under section 33(2)(b) have not been properly heard and decided. But this contention also cannot be accepted because this Tribunal is not sitting in appeal over the order of the then Judge, Fifth Industrial Tribunal, passed in the proceeding under section 33(2)(b) of the Act. It has again been contended on behalf of the workman that in the application under section 33(2)(b), the address of the workman Shrimati Nilima Mukherjee has not been mentioned. This fact is true as it appears from the copy of such application (Ext. 4). It has next been contended that actually Shrimati Mukherjee had to appear before the Judge, Fifth Industrial Tribunal, and took out the copy (Ext. 4) only in three sheets, and that the annexures mentioned in the application have not been handed over to her in Court. This contention is also a belated one because this allegation does not find place in the written statement before me. Furthermore, admittedly Nilima Mukherjee contested the application under section 33(2)(b). The learned representative on her behalf who appeared before the Judge, Fifth Industrial Tribunal, also did not raise any such complaint before the Judge, Fifth Industrial Tribunal, at the time of hearing of the said application, as it appears from the certified copy of the order, Ext. 1. So, I reject this contention also.

The learned representative appearing for the workman has drawn my attention to certain statements of Shri Nandalal Addy in Ext. 2 and also of Shri S. N. Chatterji in Ext. H and contended that the Judge, Fifth Industrial Tribunal, should not have come to the conclusion as he had concluded as per the judgment, Ext. 1. But we should remember that I am not sitting in appeal over the judgment and order of the Judge, Fifth Industrial Tribunal, passed in the application under section 33(2)(b). An Industrial Tribunal, to which a dispute arising from dismissal has been referred for adjudication, is not an appeal court having the power to examine the correctness of the conclusions of fact arrived at also by a domestic tribunal. I have carefully considered the evidences adduced before Shri Addy in the enquiry proceedings, Ext. 1, and I find that there was nothing improper or unfair in the enquiry conducted by him. Furthermore, it does not appear before me that the action taken against the workman was ever actuated by any ulterior motive in definance of the principles of natural justice. It is not a case of victimisation or unfair labour practice because it has been admitted by Shrimati Nilima Mukherjee herself before me that excepting she herself no other employee of the Company who are members of the same Union, viz., Mazdoor Union, has ever been dismissed or discharged. All such members are still working under the Company. She admitted that all members of Mazdoor Union who are employees of the Company are still working there. She admits that no member of Mazdoor Union excepting herself was dismissed by the Company. Furthermore, it is in evidence that the Company authorities on receipt of the enquiry report Ext. A(1) took a very lenient view and simply asked Nilima Mukherjee to tender unqualified apology. Admittedly Shrimati Nilima Mukherjee refused to tender apology. Accordingly the Company authorities had no other alternative but to dismiss her. Admittedly eight female employees were working in the factory of the Company. Excepting Shrimati Nilima Mukherjee other female workers are still working there. Over and above the domestic enquiry, we find that the action of the Company by way of dismissal of Shrimati Nilima Mukherjee was approved by the Judge, Fifth Industrial Tribunal, in the proceeding under section 33(2)(b). It is thus beyond the powers of this Industrial Tribunal to set at naught the action taken by the management. Whether the material before the domestic tribunal was adequate or not or whether the particular witness upon whom reliance was placed should have been believed or not was entirely a matter for consideration of the domestic tribunal. The Industrial Tribunal, while adjudicating upon an industrial dispute referred to it, does not possess the power of receiving the evidence adduced before the domestic tribunal or of taking fresh evidence before it except in the limited classes of cases. In the instant case, I have considered the evidences adduced before the Enquiry Officer and also the evidences adduced before me and on a careful consideration of the same, I agree that the Company's finding that Shrimati Nilima Mukherjee was guilty to the charges as described in the charge-sheet, Ext. B, namely, acts of insubordination to the lawful order of the Supervisor and also acts subversive of discipline. The enquiry proceedings (vide Ext. A) held by Shri Nandalal Addy (D.W. 1), I hold, were held in accordance with the rules of natural justice and that the conclusions reached at the said enquiry. are not perverse. So, this Tribunal was not entitled to consider the propriety or correctness of the said conclusions. It also appears that in terminating the services of the employee, management had not acted maliciously or vindictively or has not been actuated by a desire to punish the employees for trade union activities. So, the conduct of the management in dismissing the employee is not mala fide and I hold as such. The evidences both oral and documentary adduced before me and the circumstances arising therefrom do not justify a finding as to the mala fides or victimisation in the instant case.

The management, I hold, is not guilty of a basic error or violation of the principles of natural justice. The finding of the Enquiry Officer, I hold, is not completely baseless or perverse.

In the result, I hold that the dismissal of Shrimati Nilima Mukherjee, by the management, is justified and that she is not entitled to any relief.

This is my award.

AWARD

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. Aryan Engineering Works Ltd., 180 Cnittaranjan Avenue, Calcutta-7 (Factory at B. T. Road, Khardah, 24-Parganas), and their workmen represented by Aryan Engineering Mazdoor Union, P.O. Khardah, 24-Parganas, to this Court by its order No. 5942-I.R./IR/10L-271/67, dated 14th November 1967, under section 10, Industrial Disputes Act, on the following issue :

Issue

> Whether the closure declared in terms of the Company's notice, dated 10th July 1967, is real and bona fide ? Whether the said closure was beyond the control of the management and in the circumstances justified ? What relief, if any, are the workmen entitled to ?

Usual notices were served upon the parties directing them to appear on 7th February 1968 and the Union to file its written statement by that date. The Union appeared on 7th February 1968 and filed a petition praying time for filing written statement, which was allowed by my order No. 2, dated 7th February 1968, fixing 2nd March 1968 for filing written statement by the Union. The Union was absent on that date and also on further dates fixed for filing written statement by the Union on 6th April 1968 and 7th May 1968 by my orders Nos. 3 and 4, dated 2nd March 1968 and 6th April 1968, respectively. The opposite party Company was all along absent and never appeared before the Court. As the parties were absent on 7th May 1968, by my order No. 5, dated 7th May 1968, the record was put up on 31st May 1968 for orders. As the parties were absent even on 31st May 1968 the record has been put up on this date by my order No. 6, dated 31st May 1968, for orders.

It appears from the record that the notices issued to the Union as well as the opposite party Company were served upon them as evident from the respective acknowledgment receipt. The Union actually appeared on 7th February 1968 and filed a petition for time for filing written statement. The Union has not appeared in this case thereafter nor has taken any steps by way of filing written statement. It is clear that the Union is not interested in pursuing the present dispute. Under the circumstances, I am inclined to pass a 'no-dispute' award. A 'no-dispute' award be passed accordingly.

This is my award.

Hindusthan Construction Co. Ltd., Haldia, Midnapore, and their workman Shri M. R. Dutta, C/o. Hindusthan Construction Co. Ltd., post office Sutahata, Midnapore, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Labour Court;

ANNEXURE

In the matter of an industrial dispute between Messrs. Hindusthan Construction Co. Ltd., Haldia, Midnapore and their workman Shri M.R.Dutta, C/o. Hindusthan Construction Co. Ltd., post office Sutahata, Midnapore, referred under section 10 under G.O.No.2907-I.R./IR/10L-13/68, dated 15th May 1968. (Case No. VIII044/68.)

BEFORE THE FIRST LABOUR COURT, WEST BENGAL

Present :

Shri S. P. BAGCHI, Judge.

AWARD

This is a reference under section 10 of the Industrial Disputes Act, 1947, in respect of an industrial dispute relating to the undermentioned issue existing between Messrs. Hindusthan Construction Co. Ltd., Haldia, Midnapore, and their workmen Shri M.R.Dutta, C/o. Hindusthan Construction Co. Ltd., post office Sutahata, Midnapore, sent to this Court by the Government of West Bengal, Labour Department, order No. 2907-I.R./IR/10L-13/68, dated 15th May 1968, for adjudication.

Issue

Whether the termination of service of Shri M.R. Dutta is justified? To what relief, if any, is he entitled?

The parties, however, placed on record a joint application stating *inter alia* that they had mutually settled the dispute between them and that a necessary award should be passed in the case accordingly. I have looked into the petition of compormise placed on record by the parties and I think the terms embodied therein are reasonable, fair and lawful. The parties also admitted before me that they had signed the joint application understanding fully the contents thereof. On a reference to the terms as embodied in the joint application of the parties there can hardly be any doubt that the parties have amicably settled their dispute out of Court. There can therefore be no reason for me not to accept the terms of the parties as incorporated in the petition of compromise. I accordingly accept them and pass a "No-dispute" award in terms of joint application of the parties. The joint application of the parties do form part of the award.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, interment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe cadidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. The concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect

An Act further to amend the Bengal Vagrancy Act, 1943.

6 of 1968. In exercise of the powers conferred by section 3 of the West Bengal State Legislature (Delegation of Powers) Act, 1968, the President is pleased to enact as follows:—

1. This Act may be called the Bengal Vagrancy (Amendment) Act, 1968. **Short title.**

Bengal Act VII of 1943. **2.** In section 2 of the Bengal Vagrancy Act, 1943 (hereinafter referred to as the principal Act), after clause (*1*), the following clause shall be inserted, namely:— **Amendment of section 2.**

'(*1a*) "Board of Visitors" means a Board of Visitors established under sub-section (*1*) of section 13A;'.

3. After section 13 of the principal Act, the following section shall be inserted, namely:— **Insertion of new section 13A.**

"13A. (*1*) For every receiving centre and every vagrants' **Board of Visitors.**
the State Government shall establish a

(*2*) A Board of Visitors may visit the receiving centre or the vagrants' home for which it is established and record its comments on any matter it may think fit pertaining to the working of the receiving centre or the vagrants' home for the consideration of the officer-in-charge thereof and for this purpose, any member of the Board of Visitors shall have the right to visit such receiving centre or vagrants' home at any time between the hours of sunrise and sunset.

(*3*) Copies of comments recorded by a Board of Visitors under sub-section (*2*) shall, as soon as may be after they are recorded, be forwarded by the officer-in-charge of the receiving centre or the Manager of the vagrants' home, as the case may be, to the Board.".

Amendment of section 28. **4.** In sub-section (*2*) of section 28 of the principal Act, after clause (*h*), the following clause shall be inserted, namely:—

"(*hh*) the manner in which a Board of Visitors may be constituted under sub-section (*1*) of section 13A and the number of members which a Board of Visitors may consist of;".

ZAKIR HUSAIN,
President.

V. N. BHATIA,
Secy. to the Govt. of India.

Reasons for the enactment

Section 3 of the Bengal Vagrancy Act, 1943 provides, *inter alia*, that the State Government shall establish a Board to be called the Vagrancy Advisory Board. In pursuance of the aforesaid provision, a Vagrancy Advisory Board has already been established by the Government of West Bengal and it is composed of eleven officials and six non-officials as its members. Although it is provided in sub-section (*3*) of section 3 of the Act that any member of the Board may enter and inspect at any time any receiving centre or vagrants' home, yet, the receiving centres and the vagrants' homes are so widely dispersed that it is hardly possible for the Vagrancy Advisory Board to look into the details of the working of each receiving centre or vagrants' home thoroughly. In the course of administration of the receiving centres and vagrants' homes it has been felt by the Government of West Bengal that if a Board of Visitors could be attached with each centre or home the efficiency in regard to its day to day management could be much improved. With this end in view it is proposed to amend the Bengal Vagrancy Act, 1943 (Bengal Act VII of 1943) suitably so as to provide for the establishment of a Board of Visitors for every receiving centre and every vagrants' home.

2. The proposed measure seeks to achieve the above object.

3. The Committee constituted under the proviso to sub-section (*2*) of section 3 of the West Bengal State Legislature (Delegation of Powers) Act, 1968 (6 of 1968) has been consulted before the enactment of this measure as a President's Act.

KAILASH CHANDRA,
Commissioner, Social Welfare and ex-officio *Jt. Secy., Govt. of India, Department of Social Welfare.*

AWARD

The Government of West Bengal, in the Labour Department, by order No. 1925-I.R./IR/7L-23/65, dated the 2nd April 1968, referred to this Tribunal under section 10 of the Industrial Disputes Act, an industrial dispute between Messrs. The Agarpara Company Ltd., post office Kamarhatty, 24-Parganas, and their workmen represented by two Unions, being (i) Agarpara Jute Mill Workers' Union, Panja Villa, Agarpara, 24-Parganas, and (ii) Bengal Chatkal Mazdoor Union, 66/2 Dasu Babu's Bagan, post office Kamarhatty, 24-Parganas, for adjudication on the following issue :—

Issue

> Whether rotation of shift should be introduced for the Batching, Winding and Spinning Departments in the light of the recommendations made by the Jute Wage Board? If so, from what date?

After receipt of the order of reference usual notices were served on the company and also on the two unions. Only one Union being Agarpara Jute Mill Workers' Union filed a written statement supporting introduction of the system of rotation of shift duty, for the administration of social justice. The other Union as well as the Company did not file any written statement.

Today (3rd July 1968), a joint petition by both the aforesaid two unions supporting introduction of the rotation of shift duty has been filed. In the said joint petition, the Senior Labour Officer of the Company also endorsed to the effect that the management have got no objection to pass an award in terms of the said joint petition signed by Shri Sanat Dutt, Secretary of Agarpara Jute Mill Workers' Union, and Shri Chatur Ali, President, Branch Committee, Bengal Chatkal Mazdur Union. I have heard both the aforesaid persons, as well as the Senior Labour Officer of the Company Shri S. N. Chatterji. I have perused the terms of the joint petition filed by the two Unions, which terms have also been agreed upon by the Company. I find the said terms to be bona fide, legal and proper and I accept the same. Accordingly I pass a "no dispute" award in this case making the joint petition filed before this Tribunal today, as an annexure to this award.

This is my award.

For the Company : Shri A. Sarkar, Advocate.

AWARD

The Government of West Bengal, in the Labour Department, by order No. 3769-I.R./IR/11L-344/67, dated the 10th August 1967, referred under section 10, read with section 2A of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. East India Paint & Chemical Works Ltd., 103A Surendra Nath Banerjee Road, Calcutta, and their workman, Shri Ram Kanai Roy, C/o. Shri M. K. Roy, 22A Prakash Mukherji Lane, Shibpur, Howrah, regarding the matter as per the issue, to this tribunal, constituted under section 7A of the Industrial Disputes by notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Whether the termination of service of Shri Ram Kanai Roy, is justified ? To what relief, if any, is he entitled ?

After service of notices on both the parties, they appeared and filed wirtten statements.

The workman Shri Ram Kanai Roy in his written statement filed on 6th October 1967 contended that he used to work at the Company's Head Office at 103A Surendranath Banerjee Road as a typist. On 6th October 1965, he was served with a show cause notice (vide Ext. A—the copy) containing certain false allegations, to which he replied and gave his explanation, Ext. B, dated the 8th October 1965. On 7th October 1965, in the meantime he was also served another letter, Ext. 2, and by the aforesaid letter, Ext. B, dated 8th October 1965, he also gave replies to the allegations in Ext. 2 also. Then on 11th October 1967, when the workman went to report for duty he filed the medical certificate, Ext D, with a forwarding letter, Ext. C, he was verbally told that his services have already been terminated. Then he referred the matter to the Union but the union did not take up his cause. Then he applied before the Labour Commissioner and ultimately the instant reference under section 10 read with section 2A of the Industrial Disputes Act has been made as aforesaid. According to this workman, the action of the Company was wholly illegal only to victimise the workman.

The Company in their written statement, filed on 18th December 1967, contended that on 1st October 1965 at about 4-30 p.m. (Saptami Day), the Managing Director requested the workman to leave the office after typing some important bills and letters urgently required to be despatched, but the workman without any reasons left out of the office in a very defiant manner. Accordingly a show cause notice (copy being Ext. A), dated 6th October 1965, was served on the workman demanding his explanation for misbehaviour on 1st October 1965. In the meantime, the workman sent the letter, Ext. E, dated 6th October 1965, praying for leave on account of illness till 9th October 1965. But the workman began absenting himself on and from 11th October 1965 and as such, the Company sent a letter, dated 27th January 1966 (vide Ext. 3), which letter was returned back unserved, informing the workman that his name has already been struck off from the attendance register of the Company on account of continued absence. According to the Company, it is a clear case of abandonment of services on the part of the workman Shri Ram Kanai Roy, because the workman has not been served with any suspension order and after production of the medical certificate, he began absenting without any permission or sanction. The refusal of employment to the workman on 11th October 1965 as alleged, has been denied on behalf of the Company. The workman, according to the Company, is not entitled to any relief in this case. The maintainability of the order of reference has been challenged as bad in law, because the union has not espoused the cause of the workman in this case.

The workman has examined himself (P.W 2) and another witness, Shri Deb Prosad Mallick, a former employee of the Company, as his two witnesses before me. On the other hand, the attendance clerk (D.W. 1) Mr. James and the cashier (D.W. 2) Shri Sanat Chatterji, of the Company are the two witnesses examined before me on behalf of the Company.

It is an admitted fact that Shri Ram Kanai Roy the workman concerned, joined the services of the Company in 1954 as a typist. He continued as such till 1st October 1965, on which date, according to the workman himself in chief, his services were terminated. It is also an admitted fact in this case that on 1st October 1965 at about 4-30 p.m., the Managing Director of the Company Messrs. East India Paint & Chemical Works Ltd. asked the workman to leave office after typing certain important letters and documents and that the workman did actually leave the office without typing the same in defiance of the orders of the Managing Director. This fact has been admitted by the workman's own witness Shri Deb Prosad Mullick. He admitted in his cross-examination that on 1st October 1965, the Managing Director of the Company asked Ram Kanai Roy to leave the office after finishing some pending work; but Ram Kanai Babu *on the alleged ground of ill-health* refused to do such work and actually left the office without finishing the same. It is also admitted that from 2nd October 1965 till 5th October 1965 there were Pujah holidays, and the office of the Company reopended on 6th October 1965. It is also admitted that the workman did not attend office from 6th October 1965 till 9th October 1965 and it has transpired in evidence that the workman applied for leave for those days (vide Ext. E). 10th October was a Sunday and it is also admitted in evidence before me that the workman attended office on 11th October 1965 along with the medical fitness certificate (vide Ext. D), which certificate has actually been submitted to the Company authorities by the workman on that date. It is further admitted by the Company's own witnesses D. W.s. 1 and 2, that the workman was not allowed to sign the attendance register on 11th October 1965, and that since after the date i.e., since 12th October 1965, the workman did never come or attend office of the Company at 103A Surendra Nath Banerji Road. Thus it is admitted that after 11th October 1965 the workman did never serve under the Company. But according to the workman himself, his services were actually terminated on 1st October 1965. So I accept this statement of the workman himself that since 1st October 1965, the services of the workman were actually terminated.

Now, according to the learned Advocate appearing for the Company, this reference under section 10 read with section 2A of the Industrial Disputes Act is not maintainable because, the cause of this workman has neither been taken up by the Union, which is admittedly in existence at the Company, of which the President is Shri Panchanan Bhattacharji, nor by a substantial number of workmen of the Company. Under section 2(k) of the Industrial Disputes Act, "industrial disputes" means any dispute or difference between employers and employees or between employers and workmen, or between workmen and workmen, which is connected with the employment or non-employment or the terms of employment or with the conditions of labour, of any person. It is now a well-settled principle of law that industrial disputes, i.e., disputes directly concerning a single workman individually can take up the character of an industrial dispute, to which the Act applies, only when it is collectively supported and taken up by the other workmen or by a section of them or a union representing them before the date of reference. In other words, a dispute between an employer and a single workman is not per se an industrial dispute; but it may become as such, if taken by a number of workmen or a union representing the workmen. Collective support by the workmen is essential for making an individual dispute an industrial dispute.

In the instant case, the order of reference shows that the cause of the dismissed workman Shri Ram Kanai Roy has not been taken up by any union of the Company or by any other workman. Shri Ram Kanai Roy (P.W. 2) admitted in his evidence that he was a member of the union; that after 11th October 1965 he approached the union authorities, who assured him to take up his cause, but the union authorities subsequently did not support his cause. According to the workman, the union President asked him to apply before the Labour Commissioner direct. The dispute thus it is undisputed in this case, was initiated by the dismissed employee alone.

Section 2A of the Act added by the Industrial Disputes Act, 1965, which provides that where any employer discharges, dismisses, retrenches or otherwise terminates the services of an individual workman, any dispute or difference between that workman and his employer connected with, or arising out of, such discharge, dismissal, retrenchment or termination shall be deemed to be an industrial dispute notwithstanding that no other workman nor any union of workman is a party to the dispute, has got no application in the instant case. The said section 2A came into force on 1st December 1965. The employment of Ram Kanai Roy was according to him terminated on 1st October 1965 or even latest on 11th October 1965, when the aforesaid added section 2A did not come into operation. This section 2A has got no retrospective effect and as such the said section does not convert the instant dispute of a single workman into an industrial dispute. Accordingly I hold that section 2A, which came into operation on 1st December 1965, does not convert the instant dispute of a single workman whose cause has neither been taken by a large number of workmen nor by the union of the Company, into an industrial dispute, within the meaning of section 2(k) of the Industrial Disputes Act.

In the result, I hold that this tribunal has got no jurisdiction to adjudicate the issue under reference or to give any relief whatsoever to the worker Ram Kanai Roy, as I further hold that the order of reference is not maintainable in law. Though this reference could have been disposed of only on the decision of the aforesaid question of maintainability, I may add here that the evidences adduced before me do not also support the case of the workman. It is true that undisputedly the workman came to office on 11th October 1965 and handed over the medical certificate Ext. D, for his absence till 9th October 1965. It is also admitted in this case that the workman was refused to sign the attendance register on that date. Now, according to the workman he was actually driven out by the Managing Director on 11th October 1965. He is supported by P.W. 1 who stated that on 11th October 1965, on the asking of Ram Kanai Babu as to why his services were terminated, the Manaiging Director threatened him and asked him to leave the office immediately. Now according to the workman, he having been driven out of the office that day came to Taltola police-station and lodged an information there. This G. D. Entry has not been called for and produced before me. In cross-examination, this workman admitted to have received the letter of the Company, Ext. 3, dated 27th January 1966, informing him, the workman, that his name was struck off from the attendance register on the ground of continued absence. Now it is also admitted by the workman himself in his cross-examination that after 11th October 1965 he did never go to the office. He also never applied to the Company authorities for joining his services there. He also never complained in writing about the misbehaviour of the Managing Director of the Company meted out to him on 11th October 1965. On the aforesaid admissions of the workman himself, the only conclusion I can draw is that Ram Kanai Roy did voluntarily give up his services after 11th October 1965 and I hold as such.

Accordingly I hold that the termination of service of Shri Ram Kanai Roy is justified and that he is not entitled to any relief.

The order of reference fails both on questions of law as well as on facts.

This is my award.

AWARD

The Government of West Bengal, in its Labour Department, by its order No. 6810-I.R./IR/11L-422/66, dated 26th December 1967, has referred to this Tribunal an industrial dispute between Messrs. Vinar Ltd., Garment Division, 2A Shakespeare Sarani, Calcutta-16, and their workman Sm. Bharati Sengupta, 754A Block-P, New Alipore, Calcutta-53, for adjudication in respect of the following issue :—

Issue

Whether termination of service of Sm. Bharati Sengupta is justified ? What relief, if any, is she entitled to ?

This is a reference under section 10 read with section 2A of the Industrial Disputes Act, 1947.

The case of the worker is that she entered the service of the Company as an apprentice in terms of the letter of appointment, dated 19th February 1966. That the normal period of apprenticeship is 12 months which was to end in February 1967, but much before February 1967 being satisfied by the work she was promoted as a regular worker with effect from 1st July 1966 and her wages was also raised from Rs. 75 per month to Rs. 3·50 per day. That without any rhyme or reason, on 3rd February 1967 at about 3 p.m. her services was terminated and she was made to accept a payment. The matter was brought to the notice of the Managing Director who assured proper enquiry and finally the Managing Director on 20th April 1967 told her that nothing could be done in the matter. That the Conciliation Officer tried his best to effect a settlement but in vain and hence this reference. The worker prays for re-instatement with full compensation.

The case of the Company as narrated in the written statement may briefly be stated as follows :—

In the year 1966 the Company engaged about 100 female apprentices for training under the German experts. During such period of training, some of the apprentices left the training of their own accord, for some others the training period was extended and some of them after the expiry of the initial period of twelve months' apprenticeship period were absorbed as permanent employee and were confirmed in writing while making permanent. In no case the period of training was less than the initial period of training for twelve months. During the period of training the Company considered their respective capabilities of the workers, to see if an apprentice can be at all absorbed as permanent employee in future. In the month of July 1966 the mode of disbursements of allowance to some apprentices including that of Sm. Bharati Sengupta were made at the rate of Rs. 3·50 per day instead of Rs. 75 per month to increase the efficiency of such apprentices. Such change in the mode of disbursement of allowances to the said apprentices did not in any way change their respective status as apprentices. The company considered the performance of duties and ability to work as an apprentice of Sm. Bharati Sengupta in the course of her training. As the period of 12 months of apprenticeship in terms of the said letter, dated the 19th February 1966, was about to expire, the Company duly considered the performance of duties and ability, service records as per reports of the superior staff of Sm. Bharati Sengupta and decided not to extend her period of apprenticeship or to make her permanent. Accordingly, the Factory Manager, Mr. Simon Mendonca discussed such decision of the management with Sm. Bharati Sengupta, was paid on the 3rd February 1967 all her legal dues in full and final settlement of all her claims against the Company. Further on 3rd February 1967 Sm. Bharati Sengupta accepted without any objection or protest the consequences which followed in terms of the said letter of appointment, dated 19th February 1966. The Company reiterates that for reasons stated earlier the wrongful allegation of termination of service is baseless as there was no termination of service by the Company and the cessation of the period of apprenticeship was in terms of the letter of appointment, dated 19th February 1966. In paragraph 18 it is stated that if the Tribunal is pleased to hold that the said reference is maintainable in law and in terms of the letter, dated the 19th February 1966, there cannot be cessation of the period of apprenticeship prior to the expiry of twelve months, the Company is willing to pay to Sm. Bharati Sengupta the allowance as an apprentice for the unexpired period of twelve months, i.e., 4th February 1967 to 18th February 1967.

The matter which awaits decision is a very simple one. It is the case of the worker that in the month of July being satisfied with her work she was made permanent and her monthly allowance of Rs. 75 was changed into a daily rate of Rs. 3·50. On the other hand, it is the case of the Company that as per terms of the appointment letter, dated 19th February 1966, all the workers had to remain an apprentice for a period of twelve months. On the expiry of the period of apprenticeship some apprentices were confirmed, the period of apprenticeship in cases of some were extended and services of some others were dispensed with. It is the admitted position that Sm. Bharati Sengupta joined the Company as an apprentice on 19th February 1966 as per letter of appointment, Ext. 1. It is her case that she got the memo., Ext. 2. The memo. is an internal memo, dated 19th July 1966, signed by Simon Mendonca and addressed to the office. In this memo. it is seen that Sm. Sengupta and 15 other apprentices were ordered to get a daily rate of Rs. 3·50 from 1st July 1966. The worker relies upon Ext. 2 to prove that by this memo. she was made a permanent worker and her period of apprenticeship was over. In cross-examination she admits that besides Ext. 2 she has no paper to show that she became a worker from apprentice. In this connection it is necessary to pursue the terms of appointment as per Ext. 1. The appointment letter states that Sm. Sengupta was employed as an apprentice to learn the work for a period of 12 months. It was further stated that during the period of training as an apprentice she will be entitled to Rs. 75 per mensem. After the expiry of the apprenticeship the Company by its discretion may extend the period of such apprenticeship for a further period of six months or in the alternative employ her as a permanent worker. In case she be appointed as a permanent worker the terms and conditions of services of the Garment Division will be applicable to her including the service rules of the abovementioned establishment which may be amended from time to time. In case she be not appointed as a permanent worker on the expiry of the period of apprenticeship or any extended period, her service will come automatically to an end and no notice shall be required for such purpose. Ext. 2 mentions Sm. Sengupta and 15 others as workers. Ext. 2 further shows that the wages of the workers was changed from monthly rate to daily rate. By no stretch of imagination it can be said that this memo. shows in any way that Sm. Sengupta was made a permanent worker from 1st July 1966 and her apprenticeship period was over. This memo. cannot override the terms embodied in the letter of appointment, Ext. 1. O.P.W. 1, Commercial Manager, deposes that in January 1966 they took 10 apprentices to be trained as Group Leaders. In February they took about 100 apprentices for the purpose of training them under the German traniners. They took all the apprentices for a period of 12 months. Letters of appointment were issued to all the apprentices. They were taken on condition that during the peirod of apprenticeship they were required to perform their services satisfactorily and if their work was not up to the mark their period of probation would either be extended or their services would be terminated. By the end of January 1967 they decided to assess the working results of all the apprentices taken in February 1966. They considered the cases of all the apprentices. The Committee consisted of four persons namely Mr. Rohatgi, Quality Controller and Method trainer, Mr. Chakraborty, Supervisor, and Mr. Simon Mendonca, Factory Manager, and the witness himself. It is his evidence that approximately 20 were confirmed. The period of probation in respect of 30 apprentices was extended and 15 workers were told that their work was not up to the mark. Those workers either left the job of their own accord or their services were terminated. He further states that the work of Miss Sengupta and two other workers were not found satisfactory and their dues were paid in the month of February 1967. This witness deposes that the management decided to change the wages at the daily rate. Identical memos. like Ext. 2 were sent to all the apprentices in the beginning of February. The case of Miss Sengupta was considered by the Committee of four men. The decision was taken regarding Miss Sengupta and others that their work were not up to the mark and they should not be confirmed or their period of probation should not be extended. O.P.W. 2 is Mr. D. Chakravorty, the Supervisor. It is his evidence that Miss Sengupta did not complete her apprenticeship period. Prior to her completion of apprenticeship period they adjudged her overall performances and decided that she was not suitable for work. Meetings were held from January 1967 because that was the month when the first batch of group leaders taken were due to be confirmed. The witness states that the apprentices who were recruited in February 1966 were given Rs. 75 per month. The wages of all the apprentices were changed in the month of July 1966 form monthly rate to daily rate. The first batch of apprentices was confirmed for the first time in February 1967.

On a consideration of the oral and documentary evidence on record I find that the workman has hopelessly failed to prove that in the month of July on the basis of memo. Ext. 2, she was made a permanent worker and her apprenticeship period was over. On the other hand I have no hesitation to hold that the worker is bound by the terms of appointment as per the letter of appointment, Ext. 1. That being so, her period of probation was up to 18th February 1967. It is true that the management took the decision that Sm. Sengupta's work was not up to the mark, few days before her period of apprenticeship was over. I do not find any illegality in that. But at the same time when Sm. Sengupta was appointed as an apprentice for a period of 12 months she is entitled to get her wages from 4th February 1967 to 18th February 1967. As has already been indicated the Company is agreeable to pay the amount. In fine, I am to state that the worker is not entitled to the relief as claimed. The Company is directed to pay her wages for the peirod from 4th February 1967 to 18th February 1967.

This is my award.

AWARD

The Government of West Bengal, in its Labour Department, by its order No. 6405-I.R./IR/8L-95/67, dated 8th December 1967, has referred to this Tribunal an industrial dispute between Messrs. National Cotton Company, 22 Canning Street, Calcutta-1, and their workman Shri Kailash Singh, 34 Ezra Street, Calcutta-1, for adjudication in respect of the following issue :

Issue

Whether the termination of service of Shri Kailash Singh is justified ? What relief, if any, is he entitled to ?

The case of the workman is that he was working as a Peon since 1959 and worked up to August 1967 when his salary was increased to Rs. 90. He was discharged from service on 8th August 1967 without any lawful justification and without valid notice. His service has been wrongfully terminated. Before the Conciliation Officer nothing was settled and hence the reference.

The case of the Company is that Shri Singh left the Company in September 1964 and thereafter again offered to work in the post of probationary and temporary peon during May 1966 when the Company with much reluctance and in view of Shri Singh's tendering apology agreed to take Shri Singh. Shri Singh worked till 9th August 1967 when he was dismissed for reasons of gross misconduct, indiscipline and severe dereliction of duty. It is stated that the termination is justified and legal and the workman is entitled to no relief.

The petititoner has examined himself. It is his evidence that the Company terminated his service on 9th August 1967. The Company gave him a registered letter on 29th December 1967 intimating that his service has been terminated. The Proprietor of the Company O. P. W. 1 admits that Ext. 1 was sent to the workman on 29th December 1967. Before that the worker was not informed in writing that his service was terminated from 9th August 1967. The worker denies that there was ever any insubordination or disobedience on his part. O. P. W. 1 deposes that in August 1967 Shri Singh's service was terminated for misconduct and for not discharging duties properly. He did not use to come regularly. He admits that he did not issue any charge-sheet or show cause notice to the worker. He further admits that there is nothing in writing to show that the worker was given any chance to explain the charges. This being the position it must be said the the order of termination was illegally made. It is interesting to note that though the worker's service was terminated from 9th August 1967 he was informed by a letter dated 29th December 1967. I therefore hold that the order of termination is illegal and unjustified and the same must be set aside.

In this connection it must be noted that the worker himself states that he does not want reinstatement. He however wants all his dues and compensation. When the worker himself does not want reinstatement I do not pass any order for reinstatement. The payment register filed by the Company shows that Shri Singh was paid his salary up to July 1967. O. P. W. 1 deposes that his dues up to August were paid. The payment register for the month of August does not show that any payment was made to Shri Singh in August. In examination-in-chief he deposes that Shri Singh's full dues were paid and at the time of termination Shri Singh already took some advance but in cross-examination he states that he does not remember the actual amount of loan taken by the worker and he has nothing to show that he has taken the loan. I, therefore, do not believe in the absence of evidence that Shri Singh took loan. It is admitted that Shri Singh did not get his wages from 1st August 1967 to 8th August 1967, assuming that his service was terminated on 9th August 1967. Again he was not given any compensatory pay in lieu of notice as I have found that the order of termination is illegal and as the worker does not want reinstatement I am of opinion that the workman should be adequately compensated. The worker should get a sum of Rs. 540. The Company is directed to pay the amount in two equal monthly instalments immediately on the publication of the award.

This is my award.

Murarka Paint & Varnish Works Private Ltd., and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication on the issue mentioned below :

Issue

Whether the dismissal of Shri Namwar Sing, is justified. What relief, if any, is he entitled to. ?

On receipt of the order of reference notices were served on the parties, and they appeared before the Tribunal and filed their respective written statements. 18th May 1967 was the date fixed for the filing of documents by the parties, if any. Thereafter on 4th August 1967 the parties filed a joint petition praying for an adjouurment on the ground that there had been negotiations going between the parties for an amicable settlement of the dispute. Time was allowed till 22nd August 1967. Then again several adjournments were taken by the parties, and on 6th July 1968 a joint petition of compromise was filed by the parties embodying therein the terms of settlement and praying for an award in terms of the said terms of settlement.

I have perused the terms of settlement which appear to be fair, reasonable and lawful, and I accept the same.

In the circumstances I pass this award on compromise between the parties in terms of the settlement embodied in the joint petition of the parties. The Compromise petition along with the terms of settlement be annexed to this award and made a part thereof.

AWARD

By order No. 4095-I.R./IR/11L-380/67, dated the 23rd August 1967, Government of West Bengal, in the Labour Department, referred an industrial dispute between Messrs Singer Sewing Machine Co., and their workmen represented by Singer Employees' Union for adjudication on the following issue:

Issue

Bonus for the years 1964 and 1965 payable in the years 1965 and 1966.

After issue of usual notices the Union representing the workmen filed written statement on 26th October 1967. Thereafter the Company filed written statement on 20th December 1967.

Union's case in brief is that the Company had been paying bonus at the rate of two months' basic wages to the workmen from 1951 onwards for an unbroken period of more than 13 years mostly on agreements between the Company and the Union. Even in 1963 the Company decided to pay bonus at the same rate although the Company suffered loss during that year. The Union by a letter demanded bonus at the maximum rate for the year 1964 as provided in the Bonus Ordinance and it is alleged that the Company earned a net profit of Rs. 1,83,088. As the demand was not acceeded to by the Company, the Union filed dispute before the Labour Commissioner in October 1965 claiming bonus for 1964 at 20 per cent. of the annual earnings. The workmen however accepted bonus at the minimum rate of 4 per cent. of the annual earnings under protest. For the year 1965, the Union by its letter demanded bonus at 12 per cent. of the annual earnings as the sales turn over during that year was the highest. It is further alleged that the demand not having been met by the Company the Union filed dispute before the Labour Commissioner in August 1966 claiming bonus for 1965 at the rate of 12 per cent. of the annual earnings and the Union further informed the Labour Commissioner that the calculations made by the Company were not acceptable to the Union. It was further alleged that after lengthy conciliation proceedings to arrive at a settlement having failed, Government of West Bengal, referred the present dispute for adjudication before this Tribunal. The Union further stated that the workmen accepted bonus for 1965 at the minimum rate also under protest at the request of the conciliation officer. The Union therefore submitted that since the Company had paid bonus at uniform rate for long 13 years up to 1963, it cannot depart from the past practice and the workmen were therefore entitled to said uniform rate of bonus according to the provisions laid down under section 34(2) of the Payment of Bonus Act.

The Company took a preliminary objection on the question of bonus for the year 1965 alleging that there was no conciliation proceedings over that issue and the Tribunal cannot therefore proceed with the adjudication of the said purported issue. Company's case is further that it had been paying bonus to its workmen at a uniform rate so long on the specific agreement from time to time with the Union, the last being the agreement, dated 15th November 1961, regarding bonus for the years 1960, 1961 and 1962. The said agreement is marked annexure "A" to the written statement. The Company then alleged that this last agreement was terminated by the Company's letter, dated 30th March 1964, copy of which is made annexure "B" to the written statement. The allegation of the Union that there was no termination of the agreement was thus false. The Company then alleged that voluntarily out of its own motion and without prejudice it paid bonus for 1963 at the same uniform rate and in the absence of any award, agreement, settlement or contract of service in existence for the payment of bonus for the years 1964 and 1965, the workman cannot take shelter on the score of the terminated agreement or past practice and claim bonus at the rate of two months' basic pay. The Company paid bonus to its workmen for the years 1964 and 1965 as per scheme under the Payment of Bonus Act and such payment of bonus was based on the trading results as per Company's balance-sheets and profit and loss accounts. The calculations of bonus payable under the Payment of Bonus Act, 1965, during the years in 1964 and 1965 are shown in annexures D and E to the written statement. Such calculations are based on the audited balance-sheets of the Company for those years. As it showed deficit during both these years, the wokmen were not entitled to claim more than the minimum bonus at 4 per cent. of their wages and bonus had in fact been paid by the Company at such minimum rate. The

Union's demand of bonus at 20 per cent. of the annual earnings for 1964 and at 12 per cent. of the annual earnings as bonus for 1965 was therefore wholly untenable and unjustified. In the circumstances there is no question or any justification for any award of any higher amount of bonus during the two years and the Company pleaded further it was not in a position to pay higher bonus in addition to what had already been paid to the workmen for the years 1964 and 1965.

Appearances of the parties are as follows:

For the Company : Shri K. B. Basu, Counsel.

For the Union : Shri Phani Ghosh, President of the Union.

Even though the letter, dated 30th March 1964, by which the last extended agreement, dated 15th November, 1961, had been terminated was made annexure B to the written statement and copy of which have been made over to the Union, the Union took no pains to deny it categorically nor the Union did controvert the calculations of bonus for the years 1964 and 1965 shown in annexures D and E to the written statement. In fact even during hearing the Union did not examine any witness or lead any evidence to controvert the calculations shown in annexures D and E to the written statement filed by the Company. On the contrary, Shri Ghosh, President of the Union, argued the case for the Union accepting the audited balance-sheets and profit and loss accounts for the two years under review and calculations shown in annexures D and E on the basis of such balance-sheets and profit and loss Accounts for 1964 and 1965. Under section 23 of the Payment of Bonus Act there is a presumption about accuracy of the balance-sheet and profit and loss account of the Company and since it was not even challenged during trial, the starting point for adjudication over the issue will be the audited balance-sheets, Exts A and A/1. This must be so when the workmen represented by the Union never asked for any clarification on any item of the audited balance-sheets, exhibits A and A/1.

On behalf of the Company P. W. 1., F. J., Dalal was examined. He is the law and personnel manager of the Company. He stated in his evidence that the Company's calculations regarding bonus for the years 1964 and 1965 had been made according to the provisions laid down under the Payment of Bonus Act, 1965, and the gross profit was arrived at under Schedule II of the Payment of Bonus Act. The capital of the Company in India was found out by adding together the fixed assets and the current assets as shown in the balance-sheets and deducting therefrom the current liabilities. Then there was deduction of prior charges as are permissible under the provisions of the Bonus Act. Under Schedule II of the Payment of Bonus Act computation of gross profits has to be made following the provisions laid down in section 4 (b) of the Act. Calculating gross profits under Schedule II of the Payment of Bonus Act and deducting therefrom the prior charges as permissible under section 6 of the Act after finding out of capital of the Company, the available surplus or deficit was arrived at. Annexures D and E to the written statement which remained unchallenged would show that in both the years 1964 and 1965 the company suffered deficit during these two accounting years up to the end of December of each year. Conceivably, therefore, there is no question of any payment of maximum bonus or bonus exceeding the minimum bonus admissible under section 10 of the Act. Admittedly the workman had already received payment of bonus at the minimum rate of 4 per cent. of annual earnings under protest. In the circumstances of the case the workmen must remain satisfied with the minimum bonus which they could claim under section 10 of the Payment of Bonus Act, 1965, when there were deficits during both these years.

Shri Ghosh, as President of the Union, argued further that the admitted position was that the Company paid bonus at a uniform rate of two months' basic pay for a continued period of 13 years up to 1963 and the Company cannot now be allowed to depart from that simply because on calculations under the Payment of Bonus Act there were over-all deficits during both the years 1964 and 1965. He wanted to take shelter on the plea that the Company had its duty to pay bonus at such uniform rate when these were due or at least up to the date when in May 1965 the Bonus Ordinance came into being. He argued further that the Supreme Court struck down the provisions laid down is section 34(2) of the Payment of Bonus Act as ultra vires of the Constitution but that was done long after sometime in 1966. Consequently the Company should not be allowed to take advantage of that position. This argument does not appear to have any force and to my mind it is futile and wholly untenable. The Union cannot take advantage of the position of the agreement which as observed already had been terminated by the letter made annexure B to the written statement of the Company because at the relevant time there was no existence of any agreement or extended agreement. By sub-section (1) of section 34 of the Payment of Bonus Act, a clean slate was prepared for the operation of the provisions of the Act with reference to the date of promulgation of the Payment of Bonus Ordinance, i.e., 29th May 1965, and since then agreement or awards were wiped away for the full operation of the Act. Being so, this Tribunal has no hesitation to hold that the workmen represented by the Union cannot get any advantage from such prior agreement or extended agreement which ultimately was terminated by letter, dated 30th March 1964, annexure B to the written statement filed by the Company. In the absence of any existing agreement or extended agreement since after 29th May 1965, there was no scope for attracting the operation of section 34(1) of the Payment of Bonus Act, 1965. In the circumstances this Tribunal must hold that the workmen of the Company were not entitled to any higher amount as bonus beyond the minimum bonus at 4 per cent. of the annual earnings as contemplated by section 10 of the Payment of Bonus Act, 1965, and since bonus at such minimum rate had already been paid by the Company, this Tribunal must negative the claim of the workmen made in the present reference and the workmen are not entitled to any further amount as bonus for the years 1964 and 1965 payable in 1965 and 1966.

This is the award of the Tribunal.

AWARD

The Government of West Bengal, in its Labour Department, by its order No. 4482-IR/IR/10L-210/66, dated 11th September 1967, has referred to this Tribunal an industrial dispute between Messrs Vijaysree Commercial (P) Ltd., 15 India Exchange Place, Calcutta-1, and their workman Shri Tushar Kanti Basu represented by Vijaysree Commercial Workers' Union, 66 Sobha Bazar Street, Calcutta-5, for adjudication in respect of the following issue:—

Issue

Whether refusal of employment to Shri Tushar Kanti Basu is justified? What relief, if any, is he entitled?

In this case the Company was directed to file the written statement first. The case of the Company is that Shri Tushar Kanti Basu joined in April 1965 as a worker and was getting Rs. 125 per month. That on 10th January 1967 the Administrative Officer received a written complaint from the immediate superior of Shri Basu about his disobedience and refusal to carry out the orders and instructions of superior officers. The Administrative Officer by a letter, dated 11th January 1967, directed the workman to show cause why disciplinary action should not be taken against him. The cause was shown and the management suspended Shri Basu, the workman, from 13th January 1967 to 19th January 1967. That on 20th January 1967 the workman came to attend the office at 11 a.m. whereas the scheduled time is 8-30 a.m. The Manager decided that Shri Basu should not be allowed to resume his duties on that date. Thereafter the workman started absenting himself and did not report for duty at all from 21st January 1967. But the workman with an ulterior motive started writing post cards under Certificate of Posting from 25th January 1967 almost daily alleging falsely that the workman was attending the factory gate from 8-30 a.m. to 5 p.m. but he was not being allowed to work. The Administrative Officer by a registered letter, dated 3rd February 1967, directed the workman to resume his duties immediately and on failure it was stated that the Company would be compelled to strike out his name. That no reply was given to the said letter; neither Shri Basu reported for duty. It is however admitted that the Company received two more post cards, dated 9th and 10th February 1967, with his false plea that he was present in the Factory from 8-30 a.m. to 5 p.m. but he was not allowed to do any duty. That as the workman continued to be absent even after receipt of the letter, dated 3rd February 1967, his name was struck off from the attendance register on the ground of voluntary abandonment of service.

The Company also raised a preliminary objection, namely, that the present reference is not maintainable because the Government has not framed the issue correctly. It was wrong for the Government to say that there was refusal of employment. The stand taken by the workman was that he was refused employment and the stand taken by the Company was that Shri Basu voluntarily abandoned his services. These disputed matters were raised before the Conciliation Officer. As no settlement could be arrived at, the matter was referred to Government. That being so, the Government should not have believed that there was actual refusal of employment and as such the issue ought not to have been framed in the way it has been framed. When the matter has been referred to this Tribunal and when both the parties adduced oral and documentary evidence before this Tribunal, this Tribunal will have to see whether in fact there was refusal of employment or voluntary abandonment of service. In such circumstances, I do not find that there has been any illegality in framing the issue and that being so I am of opinion that the reference is quite valid. The preliminary objection raised on behalf of the Company is thus negatived.

The case of the workman as stated by the Union in its written statement is that the allegations against him about the incident of 11th January 1967 are all false, and that he was illegally suspended from 13th January 1967 to 19th January 1967. That on 20th January 1967 the workman went to join his duty as usual at 8-30 a.m. but he was not allowed to join his duty. That since 20th January 1967 Shri Basu had been reporting for duty as usual at 8-30 a.m. at the Time Office of the Factory but he was kept waiting at the Time Office from 8-30 a.m.

to 5 p.m. He was not assigned any duties. Shri Basu kept on reporting the matter to the Administrative Officer by sending letters under certificate of posting. The workman received Company's letter, dated 3rd February 1967, on 9th February 1967 and gave a reply of the said letter. It is stated that it is false to say that Shri Basu voluntarily abandoned his service. Since 20th January 1967 he all along attended the office from 8-30 a.m. to 5 p.m. but he was not allowed to work. He wrote letters after letters to the Administrative Officer for assigning work to him but to no effect. In the circumstances it is prayed that this Tribunal would be pleased to hold that there has been refusal of employment to Shri Basu and that refusal of employment is unjustified and Shri Basu is entitled to reinstatement with full back wages and other benefits, if any.

The matter for consideration is a very short one. The Company's case is that Shri Basu did not report for duty since 21st January 1967 while it is the case of Shri Basu that he all along attended the office since 21st January 1967 but he was refused employment. On behalf of the Company Shri Mohanlal Bazaz, Store-in-charge has been examined. His evidence is of little importance because he stated that he could not say if Tushar Babu came to the factory on 21st January 1967. That Shri Basu came to the factory on 20th January 1967 is admitted by the Company. This witness states that he has not seen Tushar Babu at the factory on 21st January 1967 to 9th February 1967. Even assuming that the witness spoke the truth then even his not seeing for the period from 21st January 1967 to 9th February 1967 does not in any way prove that Shri Basu did not attend office during that period. The only other witness is the Works Manager of the Factory, Mr. Saraogi, P.W.2. He cannot have any personal knowledge about the incident because he joined the Company in April 1967. It is his evidence that before him Mr. Agarwalla was the Manager. Mr. Agarwalla left when the witness joined. It is his evidence that he has no personal knowledge about the incident regarding Shri Basu. He is very fair to say that whatever he stated in examination in chief was with reference to records. After he joined the Company he perused all the files of the Company and came to know about the incident regarding Shri Basu. Peculiarly enough Mr. Agarwalla, the then Manager of the Company, the most important witness, has not been examined in this case. P.W.2 deposes that the Company does not know the whereabouts of Mr. Agarwalla. It is very difficult to believe the statement. In cross-examination he admits that when a worker is appointed in the Company his address is noted. Mr. Agarwalla's address must have been noted in the records of the Company because he was no less a person than the Manager of the Company. The witness further said that he could not say if Mr. Agarwalla's address is in the record of the Company. He also cannot say if the Company has tried to find out the whereabouts of Mr. Agarwalla. It is his further evidence that Mr. Agarwalla knew everything regarding the incident of Shri Basu. The other most important witness was O.P. Sarma of Time Office. That witness also has not been examined by the Company. The Company has examined two witnesses P. W. 1, does not prove anything and P.W.2 has no personal knowledge. Thus the Company has hopelessly failed to prove that Shri Basu did not report for duty since 21st January 1967. The workman has proved that he actually wrote a number of letters under certificate of posting. The Company admits that it received those letters. It is very hard to believe that the worker did not attend the office and yet went on writing letters daily to the Administrative Officer stating that he attended office but he was not allowed employment. It appears from Ext. C that on 21st January 1967 he was refused employment because he attended office late. The workman has proved Ext. 5 which is a certificate granted by Shri O.P.Sarma on 8th February 1967. The certificate shows that Shri Tushar Kanti Basu was regularly reporting for his duty right from 21st January 1967 to 8th February 1967 and his time of arrival and departure was 8-30 a.m. and 5 p.m. for all the days mentioned above. Much comment has been made about the certificate. It is stated that as O.P.Sarma left the Company the workman somehow managed to obtain his certificate. I fail to understand why O.P.Sarma will make some deliberate false statements in order to oblige a petty worker like Shri Tushar Kanti Basu. It is in evidence that on receipt of the Company's letter, dated 3rd February 1967, the workman replied and stated that he attended office but he was refused employment. It is the evidence of P.W. 2 that as Shri Basu did not report for duty his name was struck off from 13th February 1967. He however admits in cross-examination that no letter was sent to Shri Basu intimating him that his name was struck off from 13th February 1967. As has already been stated P.W.2 has no knowledge about anything besides the records. It is thus seen that the Company suddenly decided to strike out Shri Basu's name. But Shri Basu was kept completely in the dark about the fact that his name was struck off. On a careful perusal of the entire evidence on record and considering the facts and circumstances of the case I have no hesitation to say that in this case the Company has absolutely failed to prove that Shri Basu did not report for duty from 21st January 1967. Again assuming that Shri Basu absented himself without leave on prior permission of the authorities then also the Company acted in an illegal way in striking out Shri Basu's name. On this point the learned Advocate for the workman refers to a decision reported in 13 F.L.R. 1967 P.77 (Mafatlal Narandas Barot and J.D. Rathod, Divisional Controller, State Transport Mehsana and another). In this case it was held by their Lordships of the Supreme Court "It is true that the competent authority may visit the punishment of discharge or removal from service on a person who has absented himself without leave and without reasonable cause, but this cannot entail automatic removal from service without giving such person reasonable opportunity to show cause why he will not be removed. The employee is entitled to a reasonable opportunity to show cause which includes an opportunity to deny his guilt and establish his innocence which he can do only when he knows what the charges levelled against him are and the allegations on which such charges are based." In this case as has been indicated above no opportunity was given to the workman to show cause, he was not informed even that his name was struck off. The learned Advocate for the Company refers to two decisions in which it has been held that according to the provision of the Standing Orders absence for a particular period mentioned in the Standing Orders without leave or permission will be considered as voluntary abandonment of service and the employee's service will be automatically terminated. In the present case it is not the case of the Company that the service of Shri Basu was terminated according to the provision of the Standing Orders. No Standing Orders has been proved in this case. Considering the facts of the case and also the legal position I am of opinion that in this case Shri

Basu's name was illegally struck off and that there was refusal of employment by the Company to the workman and that refusal was illegal. The Company is therefore directed to reinstate Shri Tushar Kanti Basu immediately. Shri Basu is also entitled to get the back wages and his services would be deemed to have been continued from 20th January 1967.

MEMORANDUM OF SETTLEMENT

Name of the Parties

Messrs. Air Survey Company of India Private Ltd., 6/2 Jessore Road, Dum Dum, Calcutta-28

And

And their workmen represented by Aero Employees' Union (Regd. No. 2845), Gurdwara, No. 2 Gate, Calcutta Airport, post office Sultanpur, district 24-Parganas.

Representing Management : Mr. K. K. Roy, Managing Director.

Representing Workmen : Mr. N. Guha, President of the Union.

Short recital of the case

As per terms of the Agreement, dated 17th September 1967 (between the representatives of the Union namely Aero Employees' Union representing the workers of the Company and the Management in presence of Shri R. K. Ghosh, Labour Officer, West Bengal), discussions on the different dates were held between the representatives of the Union and the Management regarding the mode, manner and time of the deductible advance (given in October 1967 to all workmen of the Company drawing salary up to Rs. 300 per month) and in certain cases to some drawing salary more than Rs.300 per month as a special consideration. The representatives of the Union expressed its willingness to settle the bonus issue for the year ended on 31st December 1966 without taking recourse to adjudication. The Union contended that the said advance should not be deducted but should be treated as payment against their demand for the bonus for that year.

In the course of the discussions the Union also raised the question of bonus for the years ended 1962, 1963, 1964 and 1965 which are subject pending adjudication by giving them some more amount, beyond what has actually been paid, by ex-gratia payment for those years.

The management contended that, on the trading results of the year and or as per calculation to the second schedule of the Payment of Bonus Act, 1965, the workmen were not entitled to any profit-sharing bonus for the years prior to the Payment of Bonus Act coming into force and/or not entitled to any bonus except under section 10 of the Act, after the same came into force.

However, in order to create better relationship between the employer and the employees the Management agreed to discuss the points raised by the Union but at the same time pointed out that some settlement regarding payment of bonus should be reached for some future years to maintain peace in the industry.

After protracted discussions, the matters have been settled on the following terms:

Terms of Settlement

1. It was agreed that the bonus for the next three years, namely, 1967-68, 1968-69 and 1969-70 will be paid according to the Payment of Bonus Act, 1965, subject, however, that in case of workmen drawing total wages up to Rs.500 per month—if the calculation as per second schedule of the Act, falls below 9 per cent. of the total wages of the workmen for the year, the difference between the actual calculation and the 9 per cent. will be made up by making extra payment to that extent, as an ex-gratia payment. Fulfilling the conditions stated hereinbefore and after by-partite examinations of the calculation under second schedule to the payment of bonus Act, the Union after recording its views on the said examination with the Management, on the year to year basis shall not raise any dispute during the Agreement period but may raise the dispute in a constitutional manner, if any difference of opinion is formed, regarding the said calculation under second schedule, on the expiry of the Agreement period.

2. The Company and the Union shall within a month of signing this settlement jointly apply to the Tribunals concerned for withdrawal of the Bonus disputes regarding the years 1962-63, 1963-64, 1964-65 and 1966-67 pending before them.

The Bonus issue for the year ended on 31st March 1967— now pending conciliation before the Labour Officer—shall also be withdrawn by the Union.

3. In view of the terms and conditions as contained in clauses 1 and 2 the Management agree not to recover the advance of 6 per cent. made by it in terms of settlement, dated 17th September 1967, or in accordance with Managing Director's discretion in pursuance to clause 3

of the said settlement, dated 17th September 1967, and shall treat this as an ex-gatia payment.

AWARD

The Government of West Bengal, in the Labour Department, order No. 4219-I.R./IR/11L-372/66, dated 1st November 1966, referred to this Tribunal, an industrial dispute between Messrs. The East India Clinic Ltd., 8/5 Aipore Road, Calcutta-27, and its workmen represented by the East India Clinic Employees' Association, Q-313A Umesh Niogi Road, Calcutta-24, for adjudication.

During the pendency of the said proceeding in this Tribunal, Shri Bharat Nayak, employed as Dhobi under the aforesaid Clinic, filed the instant application on 26th September 1967, under section 33A of the Industrial Disputes Act, praying for an order of reinstatement to be made by the Company with all back wages. He alleged in his application that by a letter, dated 11th September 1967, the Company terminated his service for some alleged misconduct, without any charge-sheet and without holding any domestic enquiry over the alleged misconduct. The Company, it has been alleged in the application, violated the principles of natural justice and accordingly he made this complaint under section 33A of the Industrial Disputes Act for the aforesaid reliefs.

The Company in the written statement contended inter alia that the dismissal of the petitioner Shri Bharat Nayak is justified, Lastly, it has been stated in their written statement that in view of their unconditional apology tendered by the applicant, the Company took him back on its rolls without any break in his service.

Today (3rd July 1968), which has been fixed for hearing of this case, the petitioner Shri Bharat Nayak, has not appeared. He is also found absent on repeated calls and it is thus presumed that no complaint exists now.

According to the learned lawyer for the Company, who is present in Court, no complaint exists in this case, on the ground that the workman has already been taken in service by the Company without any break in his service. I also find that the petitioner cannot have any grievance now and as such no complaint actually exists today on the aforesaid ground as taken up in the written statement, filed by the Company. The case is thus disposed of accordingly.

This is my award.

Pranati Ganguli, 9/1/C Dr. Suresh Sarkar Road, Calcutta-14, for adjudication in respect of the following issue :

Issue

Whether dismissal of Sm. Pranati Ganguli is justified? To what relief, if any, is she entitled?

After receipt of the order of reference, usual notices were served on both the parties. The Company as well as the workman filed separate written statements of their own.

Admittedly, the workman Mrs. Pranati Ganguli used to work with Messrs. Albert David Ltd. One Shri D. N. Bhattacharji was a common Director of this Company, as well as the Company in question here, being Messrs. British Electrical and Pumps Private Ltd. On the request of the workman, Sm. Ganguly Shri Bhattacharji gave her a letter addressed to Shri R. N. Mukherji (D.W.1), one of the three Directors of British Electrical and Pumps Private Ltd., and with that letter, Sm. Pranati Ganguli met Shri Mukherji and joined the Company in question as a telephone operator on 23rd October 1962. Sm. Ganguli worked as such for a continuous period of four years and then a charge-sheet, dated 14th November 1966 (vide Ext. A), was served on her. Sm. Ganguli gave her explanation, Ext. B, on 16th November 1966. Then a notice of enquiry, dated 17th November 1966 (vide Ext. E), informing Sm. Ganguli that the enquiry proceedings would be held on 22nd November 1966 by Shri B. P. Chakraborty (D.W.2) was served on her (vide the acknowledgment receipt, Ext. F). Then Shri Chakrabarti held the enquiry proceedings admittedly on the date fixed. Before him, four witnesses were examined and Sm. Ganguli also gave her statement and signed the same (vide Ext. C). The enquiry proceedings (Ext. G) as well as the enquiry report, Ext. H, of Shri Chakrabarti, dated 29th November 1966, were sent to Shri B. N. Bhattacharji, another Director of the Company. Shri Chakrabarti found Sm. Ganguli guilty of the following charges :

(1) She is habitually late in attendance in the period of April 1964 to October 1966.

(2) She is lacking in attentiveness, promptness, good and regular attendance.

(3) She is guilty of indifference and defiance in her attitude.

But Shri Chakrabarti exonerated her from other points of charges, as per Ext. A. He also suggested severe punishment to the delinquent for her faults. The Company authorities accepted the findings of Shri Chakrabarti and dismissed her with effect from 30th November 1966 by sending a letter of dismissal, dated 29th November 1966 (vide Ext. D), admittedly served on Sm. Ganguli on 5th December 1966 (vide the acknowledgement receipt, Ext. D/1). It has also been admitted by Sm. Ganguli in her cross-examination that she also refused to accept her arrear pay, sent to her by the Company through post office by M.O. (vide the M.O. coupon, Ext. K).

Now, Sm. Ganguli in her written statement alleged inter alia that she had never been negligent, indifferent or indisciplined during her service with the Company nor had there been any occasion to be verbally warned, reprimanded or charge-sheeted for any misconduct. She has taken up a plea, as the immediate cause of her dismissal. According to her, Shri R. Mukherji (D W.1), Director of the Company, some days prior to the date of the charge-sheet, called her in his chamber and invited her to have lunch with him. As Sm. Ganguli was a poor widow and as Shri Mukherji was a bachelor, she refused to accept the aforesaid offer of Shri Mukherji and as such she was charge-sheeted. According to her, the enquiry proceedings by Shri B. P Chakrabarti, are not fair and impartial, and that copies of all documents have not been delivered to her. According to her further, the charge is maliciously motivated and the workman has been victimised on the basis of a vague, indifinite and absurd allegations. Accordingly she prayed for an order of reinstatement with full back wages.

The Company in their written statement contended inter alia that the workman was charge-sheeted for several instances of misconduct:

(i) Habitual late attendance in the period of April 1964 to October 1966.

(ii) Want of attentiveness, promptness, good and regular attendance and courtesy of a Telephone Operator which are the essential qualities of a telephone operator, and

(iii) Indifference and defiance in attitude.

It has been asserted that the enquiry proceedings by Shri B. P. Chakraborty were held in a very fair and impartial manner. Sm. Ganguli participated in the said proceedings and even cross-examined some of the witnesses examined by the Company before the enquiry officer. The allegations of the charge being motivated or malicious, or vague are denied. Invitation to Sm. Ganguli by Shri R. N. Mukherji for a lunch several days prior to the date of the charge-sheet as alleged by Sm. Ganguli has been denied.

Sm. Ganguli has examined herself as her sole witness. On the other hand, three witnesses have been examined on behalf of the Company. D.W.1 Shri R. N. Mukherji is one of the three Directors of the Company, Shri B. P. Chakrabarti (D W 2), an Advocate of the Calcutta High Court, is the Enquiry Officer in this case. D.W.3, Shri Malay Chakrabarti is a Senior Assistant of the Company. He has produced and proved two attendance registers of their office staff, from April 1962 to March 1966 and from April 1966 onwards. [Vide Exts. I and I(1)] He has also proved a charge, showing the late attendance in office of Sm. Ganguli (vide Ext. J).

On behalf of Sm. Ganguli first of all it has been alleged that the charge is vague and mala fide and it has been further contended that the copies of the chart, Ext. J, and also the copies of the attendance registers, Exts. I and I(1), were not sent to her, along with the charge-sheet. It has further been contended that late attendance in office is a normal feature in case of the Company in question. Lastly, it has also been contended that the enquiry proceedings, Ext. G, have been subsequently created. On the aforesaid grounds, it has been contended on behalf of Sm. Ganguli that the enquiry proceedings are not fair and that the principles of natural justice have been violated in this case. But I find on a careful perusal of Ext. A, that the charges against Sm. Ganguli are neither vague nor indefinite. The charge-sheet runs as follows:

"* * * *

You are hereby charged for the following acts of misdemeanour:

(1) Habitual late attendance in the period of April 1964 to October 1966—lateness ranging from 10 mins. to 30 mins. on several days.

(2) Lacking in the essential qualities of Telephone Operator, viz., attentiveness, promptness, good and regular attendance and courtesy of a telephone operator.

(3) Indifference and defiance in attitude."

It is true that copies of Exts. J and I series were not served on Sm Ganguli along with the charge-sheet but she admitted that this chart, Ext. J, and the attendance registers were actually placed before the enquiry officer at the time of the enquiry. Sm. Ganguly admitted in her evidence that they were to sign their attendance register noting the time of attendance. The entries in the attendance registers as well as the chart, Ext. J, prepared from the same, have not been challenged before me in any way. From the timings, as given in the attendance registers admittedly in the hands of Sm. Ganguli, it appears that she was late in attending office at the rate of 18 days every month during April 1964 to December 1964; 17 days every month in the year 1965; 17 days every month during January to October 1966. Thus her total late attendance in office in the year 1964 is 167 days; in 1965 the same is 211 days and for 10 months in 1966 it comes up to 176 days. It further appears that she was late in her daily attendance for more than 10 minutes ranging from 11 minutes to 30 minutes or over 30 minutes, for 67 days in 1964 and 93 days in 1965 and 62 days in 1966 in 10 months. There was an attempt at the time of the hearing on behalf of the workman that there was an unwritten law in their Head Office located at Stephen House, Dalhousie Square, that the employees of the Company are permitted to attend their office every day late by 10 minutes. D.W 3 an Assistant in the Head Office also admitted in his cross-examination that there is an unwritten practice in their office that 10 minutes late attendance would not be taken into account and that this was done by the Accountant in their office. But this admission of D.W.3 does not, in my opinion, improve the case of Sm. Ganguli. Two notices have been exhibited in this case, which are dated 2nd November 1964 and 28th June 1966 [vide Exts. M and M(1)] These notices show that the members of the staff were always directed to observe punctuality of office time which is from 9-30 a.m. to 5-30 p.m. on week days with recess of one hour, and from 9-30 a.m. to 2 p.m. on Saturdays. But from the aforesaid data, I have given, it appears that Sm. Ganguli was late by more than 10 minutes for a number of days in every month. Such kind of late attendance of Sm. Ganguli as a telephone operator, is, in my opinion, really harmful for the Company. According to Shri Mukherji, previous to the submission of the charge-sheet, he called for Mrs. Ganguli several times and warned her and asked her to be carful in future and as Sm. Ganguli could not be corrected, she had to be charge-sheeted. Shri Mukherji also stated to questions for the learned lawyer for the employee that they have no grace period for the attendance of a telephone operator

The fact that the copies of Exts. I series and the chart, Ext. J, were not served on Sm. Ganguli along with the charge-sheet in my opinion, does not vitiate the charge-sheet or the enquiry proceedings in any way, because admittedly noting of time regarding attendance was made by the hands of Sm. Ganguli herself.

The allegations of Sm. Ganguli to the effect that Shri Chakravarty (D.W.2) did not allow her to be represented by a lawyer before him, does not stand at all. Shri Chakrabarty is an Advocate of the High Court and according to Shri Mukherjee (D.W.1), a lawyer was selected to enquire into the allegations into the charge-sheet against Sm. Ganguli so that he could not be biased. I do not find anything bad in the matter of enquiry by Shri Chakravarty (D.W.2). He stated that even on his asking, Mrs. Ganguli declined to be represented by another independent person and also she did neither produce any witness nor any document before him. Mrs. Ganguli of course, admitted that Shri Chakrabarti recorded the evidence of four witnesses examined before him and that on his asking on the last page of the evidences recorded by him, she signed. She also stated that she was not given any scope to cross-examine the witnesses examined before the enquiry officer on behalf of the Company but Shri Chakrabarty stated that Mrs. Ganguli cross-examined two witnesses and declined to cross-examine the other two. Mrs. Ganguly also made a statement before him. Of the aforesaid two witnesses, P.W.1 Sm. Ganguli and Shri B. P. Chakrabarti (D.W.2), I may mention here that I have seen the demeanour of both the witnesses on the witness-box and I am inclined to believe Shri B. P. Chakravarti (D.W.2). In her explanation, Ext. B, Sm. Ganguli stated to be really sorry to the effect that due to very uncertain public transport in the city occasionally, she had been compelled to come a little late. She also admitted in her statement (vide Ext. C) given before the enquiry officer that one Mr. Seal who was examined as one of the four witnesses before the enquiry officer at the time of domestic enquiry, once had told her that the honorary accountant Mr. H. K. Roy had complained that he did not get the respond while ringing was going on, from 9-30 a.m. about six months back.

As regards the allegations of Sm. Ganguli to the effect that as she refused an invitation of Shri R. N. Mukerji to have a lunch with him, the charge-sheet was drawn up against her, I may mention here that Shri R. N. Mukherji categorically denied this fact in his evidence before me. He stated that he never invited Mrs. Ganguli for a lunch with him, far to speak of 5/7 days prior to the date of the charge-sheet. Sm. Ganguli also admitted in her cross-examination that she did not mention in her explanation (Ext. B) that she was invited to have lunch by Shri R. N. Mukherji, 7 days prior to the submission of the charge-sheet. She further admitted that during her four years of service under the Company she was never invited by anybody of the Company including the Manager. She applied to the Labour Commissioner and in that application, she did not mention this fact. So, this allegation of Sm. Ganguli, I hold, is an after-thought and must be disbelieved. I disbelieve Sm. Ganguli and I hold that she stated falsehood by alleging that on her refusal to accept the invitation of Shri R. N. Mukherji to have lunch with him 5/7 days prior to the date of the charge-sheet, the charge-sheet was actually served on her. I also hold that the charges are not at all mala fide.

On a consideration of the entire evidence on record I hold that the enquiry proceedings were not subsequently created as alleged by Sm Ganguli. This tribunal, to which a dispute arising out of dismissal of Sm. Ganguli has been referred for adjudication, is not appeal Court having the power to examine the correctness of the conclusions of fact arrived at by the domestic tribunal. Considering the entire evidences on record adduced before this Tribunal, I find that there was nothing improper or unfair in the enquiry proceedings conducted by Shri B. P. Chakrabarty. I further hold that the action taken against Sm. Ganguli was not actuated by any ulterior motive and that the principles of natural justice have not been infringed. Shri R. N. Mukherji (D.W.1) has stated on oath in his chief that during the period of service of Sm. Ganguly, they received many complaints from the staff and also from outside regarding bad work of Sm. Ganguli by not attending outside and internal telephonic calls. He further stated that many times he called for Sm. Ganguli and asked her to be careful in future. There has been no cross-examination on this point. In cross-examination he also stated that previous to the submission of the charge-sheet he called for Sm. Ganguli several times and warned her and asked her to be careful in future. He proceeded to say that as Sm. Ganguli could not be corrected ultimately, she had to be charge-sheeted. Thus, it is beyond the power of this tribunal to set at naught the action taken by the management in this case.

The Industrial Tribunal while adjudicating upon an industrial dispute referred to it, does not possess the powers of reviewing the evidence adduced before the domestic tribunal or of taking fresh evidence before it except only in limited class of cases. The evidences and circumstances arising out of evidences on record prove (1) that there is no want of good faith, (2) no victimisation or unfair labour practice, (3) that the management cannot be held to be guilty of basic error or violation of the principles of natural justice, and (4) that the finding of the enquiry officer is not completely baseless or perverse. So, I hold that the charges are not also mala fide.

The punishment is not, in my opinion, severe because she was found guilty in habitual late attendance all along from April 1964 till October 1966. She was found guilty as lacking in attentiveness, promptness and regular attendance and she was guilty of indifference and defiance in her attitude.

In the result, I hold that the dismissal of Sm. Pranati Ganguly by the Company is justified and that she is not entitled to any relief.

This is my award.

By order No. 6102-IR/IR/10L-417/67, dated Calcutta the 21st November 1967, Government of West Bengal, Labour Department, referred an industrial dispute between Messrs. R. D. Alloys and their workmen represented by R. D. Alloys Workers' Union which was referred to this for adjudication on the following :

Issues

1. Wages and D.A.
2. Leave and holidays.

After service of usual notices and after several adjournments Union filed written statement on 26th February 1968. The company also took several adjournments for filing written statement but ultimately on 12th June 1968 the Company's Advocate filed a petition along with a memorandum of settlement praying for a "no dispute" award. Since under the memorandum of settlement filed the approach of a "no dispute" should be by a joint approach by the parties, the matter was deferred. On 6th July 1968, the Company's representative and its Advocate and the Union filed a joint petition as per clause '6' of the terms of settlement, dated 21st May 1968. Parties now prayed for an award as per clause 6 of the settlement, dated 21st May 1968, filed by the Company on 12th June 1968. The terms of settlement, dated 21st May 1968, are fair and reasonable and accordingly accepted as settling all disputes between the parties. The result is that at the date of hearing there is no existence of any subsisting dispute between the parties. The Tribunal accordingly passed a "no dispute" award as per clause 6 of the settlement, dated 21st May 1968, filed by the company on 12th June 1968.

AWARD

This industrial dispute between Messrs. Tecalemit (Hind) Ltd. (hereinafter called the Company) and their workmen represented by Tecalemit (Hind) Employees' Union (hereinafter called the Union), was referred under Government of West Bengal, Labour Department, order No. 1429/IR/IR/10L-16/66, dated the 16th April 1966, to the Second Industrial Tribunal for adjudication on the following issue :

Issue

Is the termination of service of Shri Kalyan Das justified ? To what relief, if any, is he entitled ?

Thereafter the said industrial dispute was withdrawn from the file of the Second Industrial Tribunal and transferred to the file of the Seventh Industrial Tribunal for speedy disposal by Government of West Bengal, Labour Department, order No. 3134-IR/IR/10L-16/66, dated the 6th August 1966. This is done by the Governor in exercise of the powers conferred under section 33B of the Industrial Disputes Act, 1947.

Having been called upon to file their written statements, the parties to the dispute filed their respective written statements. The case then became a contested one. Because of various reasons the case could not be taken up at an earlier date but later on when a date was fixed for hearing, parties took time on one ground or the other. Ultimately the parties entered into private negotiation and settled the dispute amicably out of Court.

Having come to the settlement the parties filed a joint petition of compromise embodying in their petition the terms on which the parties amicably settled their dispute. I have perused the petition of compromise and found the terms on which the parties have settled their dispute amicably fair and reasonable. Therefore, I have no hesitation in accepting the petition of compromise filed by the parties. Accepting the petition of compromise which bears the signatures of the representatives of the parties to the dispute. I hereby pass a compromise award on the basis of the said petition and dispose of this case. The petition is to be published as annexure A of this Award and shall form an integral part of the same. Usual number of copies be sent to the State Government for necessary action.

Present :

Shri T. K. MUTSUDDI, Judge,

Present for the Company : Shri Nalini Mohan Das Gupta, Advocate.

Present for the Union : Shri Sunil Dhar, Advocate.

By Order No. 4812-I.R./IR/11L-107/66, dated the 21st September 1967, the Government of West Bengal in the Labour Department, has referred to this Tribunal under section 10 of the Industrial Disputes Act, this industrial dispute between Messrs. Bengal Processing Mills and their workmen for adjudication upon the following issue :

Issue

Whether retrenchment of Sarbasri (1) Manick Lal Mitra, (2) Fatik Chand Das, (3) Narayan Ch. Roy, (4) Sushil Ch. Ghorai, (5) Prafulla Kr. Majumdar, (6) Sushil Kumar Dutta, (7) Narayan Ch. Acharya, (8) Monoranjan Roy, (9) Nripendra Kumar Biswas, (10) Kamal Krishan Ghosh, (11) Banshidhar Yadav, (12) Kartick Ch. Dey, (13) Amar Ch. Sarkar, (14) Jiban Kumar Goswami, (15) Nemai Chand Saha, (16) Sushanta Kumar Talukdar, (17) Surendra Chandra Das, (18) Sukumar Roy, (19) Sukumar Ghosh, (20) Manik Ch. Dutta, (21) Balaram Saha, (22) Khetra Mohan Saha, (23) Kartick Ch. Bhattacharjee, (24) Kalipada Das, and (25) Gopal Chandra Dey is justified ? To what relief, if any, are the workmen individually entitled ?

On receipt of notice from the Tribunal both parties made appearance and filed their respective written statement.

According to the Union the notices of retrenchment served on the workmen concerned are invalid and, as such, the retrenchment is unjustified. It appears that workmen having serial numbers (1) to (11) in the order of reference were retrenched by a notice which has been marked Ext. B, and the remaining workmen as per order of reference were retrenched by the notice, marked Ext A. It is submitted by the learned lawyer on behalf of the workmen that both the notices were invalid as there was no offer for payment under section 25F of the Industrial Disputes Act before the retrenchment. It has been held in the case reported in A. I. R. 1960(SC) page 610 that on a plain reading of section 25F(b) it is clear that the requirement prescribed by it is a condition precedent for the retrenchment of the workman, and noncompliance with the said condition renders the impugned retrenchment invalid and in-operative. The learned lawyer on behalf of the Company concedes that the retrenchment is illegal so far as workmen mentioned as per serial Nos. (1) to (11) in the order of refernence are concerned. It appears that in Ext. B there is no mention of payment of compensation before the date of retrenchment. These 11 workmen were retrenched with effect from 12th May 1966. It was stated in the notice, Ext. B, that the retrenched workmen would be paid their dues on 14th May 1966. It is therefore, clear that the workmen concerned were not offered payment before their retrenchment. I, therefore, find that the retrenchment of these 11 workmen is invalid. It appears that the Company closed down its business on 10th June 1966. The retrenched workmen should therefore get their full wages up to that date, and also compensation as mentioned in section 25F(b) of the Industrial Disputes Act.

The remaining workmen were retrenched by the notice, Ext. A. According to the learned lawyer of the Union this notice is also invalid. It appears that by this notice workmen covered by serial Nos. twelve to twenty-five in the order of reference were retrenched with effect from 27th May 1966 and they were asked to collect their dues by 28th May 1966. It is submitted by the learned lawyer for the Union that this notice does not indicate that the workmen concerned were asked to collect their dues before the retrenchment. I am, however, unable to agree with him. The relevant sentence is as follows: "Retrenched workmen are asked to collect their legal dues by 28th May 1966". The notice was given on 26th April 1966. The sentence quoted above from the notice, Ext. A, means that the retrenched workmen were asked to collect their dues on any day between 26th April 1966 and 28th May 1966. So it cannot be said that the retrenched workmen were not asked to collect their dues before the retrenchment. I find that the retrenchment of these workmen bearing serial Nos. twelve to twenty-five in the order of reference is valid and justified. These workmen are not entitled to any relief in this case. They should collect their dues from the company if they have not done so yet.

The Company is directed to pay full wages to the workmen covered under serial Nos. one to eleven in the order of reference for the period up to 10th June 1966 and also compensation as prescribed under section 25F(b) of the Industrial Disputes Act within one month from the date of publication of this award in the "Calcutta Gazette".

This is my award.

AWARD

The Government of West Bengal, in the Labour Department, order No. 2467-I.R./IR/11L-203/67, dated the 9th June 1967, referred an industrial dispute between Messrs. Chitrabani Cinema, Monirampore, P.O. Barrackpore, 24-Parganas, and their two workmen (1) Shri Swarup Chandra Adhikari and (2) shri Sushil Adhikary, both of Monirampore (Ghatakpara), P.O. Barrackpore, district 24-Parganas, under section 10 read with section 2A of the Industrial Disputes Act to this Tribunal for adjudication in respect of the following issue :

Issue

Whether termination of services of the following workmen by the management is justified? To what relief, if any, are they entitled?

(1) Shri Sushil Kumar Adhikari, (2) Shri Swarup Chandra Adhikari.

On receipt of the order of reference, usual notices were served on the company as well as the two workmen concerned.

The two workmen Shri Swarup Chandra Adhikari and Shri Sushil Kumar Adhikari filed a joint written statement, contending, inter alia, that they had served under the management of Messrs. Chitrabani Cinema as a gate-keeper and a booking clerk for about three and six years respectively. As their pay was very low and as their names were not entered in the attendance register of the management, they sent a representation to the management of the Cinema on 3rd September 1966 (vide Ext.1). They sent another representation to the management on 14th September 1966 [vide Ext. 1(a)]. As no action was taken by the management, they sent a representation to the Assistant Labour Commissioner on 14th October 1966 (vide Ext. 4.). In the meantime the Cinema authorities by the letter, Ext. 5, dated 24th October 1966, informed the workmen that their services would not be required any further with effect from 25th October 1966. By the same letter, they were also asked to receive their dues from the Cinema Office. Then on 31st October 1966 the workers sent a fresh representation to the Assistant Labour Commissioner (vide Ext. 6, dated 31st October 1966). There were conciliation proceedings before the Labour Commissioner (vide Ext. 7 series) and finally the instant reference has been made.

The Company, though received the notice of this reference from this Tribunal on 8th July 1967, did not appear. Accordingly a date has been fixed for ex-parte hearing of this order of reference.

A notice was again issued to Messrs. Chitrabani Cinema informing them about the date fixed for ex-parte hearing of the reference. The Company received that notice on 7th October 1967, but chose not to appear before this Tribunal. Accordingly, the case has been taken up on 11th July 1967 for ex-parte disposal.

The two workmen have been examined in this case' Shri Swarup Chandra Adhikari is P.W.1 and the other workman Shri Sushil Kumar Adhikari is P.W.2. It is proved from the evidences of P.Ws. 1 and 2 as well as the documents exhibited in this case that the two workmen, Shri Swarup Chandra Adhikari and Shri Sushil Kumar Adhikari, served under the Company as a gate-keepter and booking clerk for three and six years respectively. It is further proved that the said two workmen drew only Rs. 30 and Rs. 35 per month respectively as their salary per month till the date of their termination of service by the Cinema authorities on the strength of the letter, dated 24th October 1966 (Ext. 5). According to both the workmen in their evidence, the authorities did not make them permanent and did not enhance their pay, on their repeated requests, and as they sent representations to the Company, they were victimised. They further stated that as they wrote to the authorities to redress their grievances, the authorities actually dismissed them. Admittedly, the workmen were not charge-sheeted before their dismissl. There was no domestic enquiry before their services were terminated. The evidences on record and the circumstances arising therefrom, conclusively prove that in the matter of termination of services of the two workmen there was complete violation of the principles of natural justice and I hold as such. I further hold that both the workmen have been victimised by the managment of the Cinema and that there was unfair labour practice adopted by the management in the matter of terminating the services of the two workmen in question.

Both the workmen prayed for reinstatement with full back wages. Both of them also stated that they have not been paid by the management their earned salary for three months till the date of their dismissal by the letter Ext. 5, dated 24th October 1966. They also prayed for an order directing the company to pay such earned salary.

In view of my findings above, I hold that the two workmen Shri Swarup Chandra Adhikari and Shri Sushil Kumar Adhikari are entitled to the prayers as mentioned above.

In the result, I hold that the termination of services of the two workmen Shri Sushil Kumar Adhikary and Shri Swarup Chandra Adhikari, by the management of Messrs. Chitrabani Cinema, Monirampore, P.O. Barrackpore, 24-Parganas, is illegal and is not justified. The two workman Shri Swarup Chandra Ashikari and Shri Sushil Kumar Adhikari be reinstated in their respective posts on the same terms and conditions on which they used to serve before, with full back wages. They are also entitled to their earned salary legally due to them.

This is my award.

AWARD

This case arises out of a reference made by an order of the Governor, West Bengal, under section 10 of the Industrial Disputes Act, 1947. The order of reference was conveyed to the office of the Industrial Tribunal under Government of West Bengal, Labour Department, order No. 2715-I.R./IR/11L-260/67, dated Calcutta, the 21st June 1967. The Industrial dispute referred to this Tribunal for adjudication was between Messrs. R. G. Shaw and Sons (P.) Ltd., (hereinafter called the Company) and their workmen represented by Calcutta Motor Workers' Union (hereinafter called the Union). The issue that arose out of the dispute is as follows:

> Whether the refusal of employment to Shri Gorak Nath is justified ? To what relief, if any, is he entitled ?

On receiving the order of reference, this Tribunal started case No. VIII-406/67 on 29th June 1967 and called upon the parties to appear before the Tribunal and further asked the Union to file its written statement. At first, there was some difficulty in serving notice to the Company, but subsequently that difficulty was overcome. The Union filed its written statement in triplicate. After the notice was duly served, Shri H. Chakraborty, Advocate, appeared for the Company and received a copy of the written statement filed by the Union. Thereafter various dates were fixed for taking various steps. After going through the usual process of maturation, the case became ripe for hearing on 23rd March 1968. On that date a joint petition was filed by the parties praying for an adjournment on the ground that a talk of settlement was going on between the parties. After hearing the parties, the Tribunal granted time as prayed for. Thereafter Shri H. L. Roy, Advocate, appearing for the Union and Shri H. Chakraborty, Advocate, appearing for the Company, filed a joint petition of compromise. From the petition it appears that it was signed on behalf of the Company and also the Union among others by their respective Advocates. I went through the petition and found the terms of settlement arrived at by the parties, fair and reasonable. The terms of settlement having accepted by the parties, there is no reason why this Tribunal should not accept the same. Accepting the terms of settlement arrived at by the parties amicably, I hereby dispose of this case by passing a compromise award on the basis of the petition filed before me. The petition which embodies the terms of agreement shall form an integral part of the award and shall be published as Annexure "A" hereof.

Send the usual numbers of copies of this award to the State Government for necessary action.

AWARD

By order of the Governor under Government of of West Bengal, Labour Department, order No. 2522-I.R./IR/11L-196-66, dated the 14th June 1967, an industrial dispute between Messrs. Duncan Brothers & Co. Ltd. (hereinafter called the Company), and their workmen represented by Duncan Brothers & Co. Ltd., Employees' Union (hereinafter called the Union), has been referred to this Tribunal under sub-section (2) of section 10 of the Industrial Disputes Act, 1947, for adjudication. The ussue arising from the dispute referred to for adjudication has been stated thus :

Issue

Whether Shri Moone Mahato is entitled to pension on his retirement under the Pension Schemes of the Company ? If so, what quantum ?

On being called upon to file the written statements, the parties filed their respective written statements.

The case made out by the Union in its written statement may be stated in short as follows :

The workman affected personally in this dispute is Moone Mahato who had been a permanent worker of the Company in the category of sub-staff before his retirement on 1st October 1965, after serving the

Company for a period of 32 years without any blemish. As a condition of service, Shri Moone Mahato was eligible for pension in addition to other retiral benefits but the Company refused to grant pension to Moone Mahato for reasons best known to it. Moone Mahato made repeated representations before the Company but without any effect. Having failed in his personal efforts to secure pension from the Company, Moone Mahato referred the matter to the Union to which he belonged. The Union in its turn wrote to the Company to consider the case of Moone Mahato in the matter of granting him pension. The Company wrote back to the Union expressing its inability to grant pension to Moone Mahato. The Union again wrote a letter to the Company requesting it to reconsider its decision. But the Company was unwilling to change its decision and, therefore, the dispute could not be solved at bipartite level. Thereafter the Union made a representation to the Labour Commissioner requesting him to take up the matter in conciliation. Thereafter a series of discussions and exchange of views over the dispute took place at the tripartite level but without any result. The parties to the dispute, however, agreed to make a joint request for reference so that the dispute may be solved by adjudication before an Industrial Tribunal.

The Union further states that the plea which the Company raised in order to avoid giving pension to Moone Mahato by referring to an award is a misconceived one inasmuch as the terms of reference in the said award was related to the Revision of Gratuity Scheme and the Revision of the Scheme of Pension was not an issue before the Tribunal which passed the award relied upon by the Company. The members of sub-staff retired from the service of the Company with requisite qualification to their credit, had been granted the benefit of pension. The refusal on the part of the Company to grant pension to Moone Mahato therefore, was not only unjust, unfair, and illegal but discriminatory as well.

The Union prayed that this Tribunal should pass an award directing the Company to grant pension to Moone Mahato in addition to other retiral benefits in the same line as granted to others after holding that the pension was a condition of service for the sub-staff as well.

The Company in its written statement in reply stated that the various allegations made by the Union were baseless and incorrect inasmuch as they were irrelevant for the purpose of present adjudication. The Company stated its position as follows :

That before the award, dated 1st April 1965 (referred to in the statement of the Union), the workmen of the subordinate staff category were either getting pension or gratuity. The question regarding the quantum of pension and whether the particular sub-staff would get pension or gratuity depended solely on the discretion of the Company. Granting of pension or gratuity was never a condition of service. The Company had the right to grant either pension or gratuity to the superannuated sub-staff at the Company's discretion. Moone Mahato retired from the Company's service on the 30th September 1965, long after the aforesaid award was given by the Tribunal. On the retirement of Moone Mahato he was offered gratuity in terms of the award which he refused to accept. The Union, wrote a letter to the Company and asked the Company to give pension to Moone Mahato and not gratuity in view of the fact that he had given his option in favour of pension. But in view of the award, dated 1st April 1965, there was no rule for an employee to choose between gratuity or pension and the said award is still binding between the parties. The Company submitted that the demand made by the Union was unjust, and illegal and the Tribunal should reject the Union's claim.

The parties did not choose to adduce any oral evidence and they relied upon the documentary evidence. Exts. A to C have been marked in favour of the Company and Exts. 1 to 7 have been marked for the Union.

Referring to paragraph 11 of the Union's written statement in which it has been written "that it may be mentioned here that earlier all sub-staff who had retired and had to their credit requisite qualifications were granted this benefit of pension", the learned Legal Adviser for the Company submits that the words "requisite qualifications" have not been explained anywhere by the Union. In his submission Shri P. Pathak, an officer of the Mercantile Federation to which the Union is affiliated, submits that requisite qualification means 30 years' service in the Company. He refers to Ext. 3 and submits that the persons who had served the Company for 30 years or more, had been granted pension. He points to the following names :

Bhagboth Gochai and Ram Charan Ram.

It appears from Ext. 3 that Bhagboth Gochai served the Company for 32 years and 4 months before being superannuated. On his superannuation he received a pension of Rs. 20 per month. At the time of his retirement his basic salary was Rs. 45 per month. Ext. 3 further shows that Ram Charan Ram served the Company for 36 years and 6 months before being retired. On retirement he received a pension of Rs. 25 per month. At the time of retirement his basic salary was Rs. 54 per month. But the learned Legal Adviser of the Company picks holes in the case of the Union by referring to Ext. 3 itself. He points out that Sunwar Ali who served the Company for 29 years before retirement was granted pension of Rs. 20 per month by the Company. Abid Hussain who served the Company for 27 years and 4 months before retirement was granted pension of Rs. 20 per month by the Company. Mooneswar P. Singh who served the Company for 29 years and 7 months, and then retired, was granted a pension of Rs. 24. The learned Legal Adviser therefore contends that 30 years' service was not the criterion for granting pensions. He thereafter directs the attention of the Tribunal to Ext. A. Ext. A is a copy of an award passed by the Industrial Tribunal (Mercantile). The learned Legal Adviser refers me to the Pension Scheme in the award. In part (b) of the Pension Scheme of this award it is stated "Subordinate staff in the service of the Company at 17th February 1949 ....At the discretion of the Company". The learned Legal Adviser for the Company submits that the award clearly states that the question of granting pension to the subordinate staff was left by the award at the discretion of the Company. Thereafter he refers me to

Part (c) of the Pension Scheme. It has been written there "Clerical and subordinate staff whose service with the Company commences after 17th February 1949.....Nil." The learned Legal Adviser submits that the clerical and subordinate staff whose services with the Company commenced after 17th February 1949, were not entitled to any pension under the award given by Shri Ashutosh Das Gupta, Chairman, and Shri Sailesh Chandra Chakraborty, Member. The question of granting pension to the subordinate staff in the service of the Company on the 17th February 1949 was left by the said award at the discretion of the Company. The learned Legal Adviser for the Company therefore, contends that the question of granting pension was a matter left to the sole discretion of the Company by the award so far as the subordinate staff in the service of the Company on 17th February 1949 was concerned. The learned Legal Adviser submits that Moone Mahato is a subordinate staff, who was in the service of the Company on the 17th February 1949. Therefore on the basis of that award it was open to the Company to grant him pension or not at its discretion. The learned Legal Adviser for the Company contends that it was not the service condition of the employee Moone Mahato that he would get pension as of right after serving the Company for 30 years.

Thereafter the learned Legal Adviser for the Company draws the attention of this Tribunal to another award passed by Shri P. Basu, Bar-at-Law, Judge, Sixth Industrial Tribunal. It appears from a perusal of Ext. D that the said award was passed on the basis of an agreement arrived at by the parties amicably. The Memorandum of the said Agreement is Annexure 'A' to the award and forms a part thereof. The learned Legal Adviser draws the attention of this Tribunal to issue No. 3, Gratuity in the Memorandum of Agreement. The learned Legal Adviser contends that the previous award passed by the Mercantile Tribunal, if not binding on the parties, the Basu Award is still in force. He points out that under the Basu Award the employees were entitled to Gratuity on their retirement or their inability to continue in the service of the Company. The employees were entitled to Gratuity according to the scale laid down in the Memorandum of Agreement which forms a part of the award. The learned Legal Adviser for the Company contends that in the Basu Award, there is no Pension scheme. The learned Legal Adviser contends that because the employees were dissatisfied with the previous award, so they wanted Gratuity to be paid to all the employees and accordingly an Agreement was arrived at between the parties. The learned Legal Adviser submits that Moone Mohato is accordingly entitled to Gratuity alone and not to pension.

The learned Spokesman of the Union submits that Moone Mahato is entitled to pension because the Pension Scheme has been in vogue. He relied upon Ext. 3. It is true that Ext. 3 shows that certain persons who served the Company for more than 30 years had been granted pension instead of Gratuity. Ext 3 further shows that some persons who had served the Company for less than 30 years, had also been granted pension. Those who had been granted pension, it is seen from Ext. 3 and also from Ext. B, had never been granted Gratuity. On the other hand it is seen that who had received gratuity, had not been given pension. Therefore it appears that the employees (by employees here, I always mean employees of subordinate staff category) had never been granted at any time both gratuity and pension. Before me the learned Spokesman of the Union admits that the employees were not entitled to both pension and gratuity. They were always entitled to one benefit, that is to say, either pension or gratuity but not both. He contends that because Moone Mahato had served the Company for more than 30 years, he was entitled to pension. I have not been able to find in record that any employee who served the Company for more than 30 years was entitled to pension as of right. There is nothing in the evidence to show that it was a condition of service in the Company to grant pension to the employees who had served it for more than 30 years. The earliest document that is available is Ext. A. It has already been seen that Ext. A, the award of the Industrial Tribunal (Mercantile), left the matter of pension at the discretion of the Company in the case of subordinate staff who were in the service of the Company on 17th February 1949. As regards subordinate staff joining the service of the Company after 17th February 1949, the award clearly stated that they were not entitled to any pension. Therefore from Ext. A it cannot be deduced that payment of pension formed a condition of service in the Company in regard to the employees serving it for more then 30 years. True, Ext. 3 shows that employees who had served the Company for more than 30 years, had been given pension by the Company. The number of employees who were granted pension after 30 years' service in the Company are two only in Ext. 3. However, Ext. B, shows that five employees who had served the Company for more than 30 years had been granted pension. It is also true that from Ext. 3 and Ext. B it cannot be found that any employee who had served the Company for more than 30 years had received no pension. But any way, one cannot come to the conclusion that as of right a subordinate staff serving the Company for more than 30 years was entitled to pension. Ext. A clearly shows that the matter of granting pension to subordinate staff in the service of the Company from before the 17th February 1949 was left in the discretion of the Company. Therefore in my opinion, the Union has not been able to establish that a sub-staff who had served the Company for more than 30 years, was eligible to pension as of right. When the matter is left to the discretion of the Company, the Company can exercise the discretion and do as it deems fit. Because the Comyany exercised its discretion on a number of occasions in a certain manner, it cannot be held that the Company should go on exercising its discretion in the similar manner.

The learned Spokesman of the Union submits that the Basu Award did not take away rights of the subordinate staff to get pension. But in my opinion, Ext. 1(a) clearly shows that the subordinate staff never had the right to demand pension. The matter of granting pension to a certain class of sub-staff was at the discretion of the Company and as regards another class of sub-staff the Company was not needed to exercise their discretion even. Ext. C, the Basu Award, clearly shows that the Company assumed liability to pay Gratuity. The learned Spokesman of the Union has submitted before me that the employees of the Company were not entitled to both the benefits at the same time. They were entitled to one benefit, either Gratuity or Pension. The Basu Award made it incumbent upon the Comapny to pay Gratuity to its workman inter alia on retirement. As the employees are not entitled to two benefits at the same time and as they were entitled to gratuity under the Basu Award, the employees cannot claim pension from the Company on retirement. It is an admitted position of the parties that the Basu Award is still in force. Therefore in my opinion, in view of the Basu Award, Moone Mahato is not entitled to pension. Leaving aside the question of the Basu Award even under the Industrial Tribunal Award (Mercantile), Moone Mahato is not entitled to pension as of right. What he is not entitled to as of right it cannot be granted by this Tribunal. Therefore, in my view, in the circumstances of the case, Shri Moone Mahato is not entitled to any pension.

This is my award.

By Government of West Bengal, Labour Department, order No. 5735-I.R./IR/10L-408/67, dated the 7th November 1967, the present industrial dispute was referred to this Tribunal, under section 10 of the Industrial Disputes Act for adjudication upon the issue mentioned below :

Issue

Whether the closure of the factory is real and bona fide ? Whether the closure was due to circumstances beyond the control of the management and in the circumstances justified ? What relief, if any, are the workmen entitled to ?

On receipt of notice from the Tribunal both the parties appeared and filed their respective written statement

The case of the Company is as follows :

Towards the end of July 1967 the workmen of the factory, at the instigation and assistance of some outsiders took the law in their own hands and indulged in various illegal and unjustified activities such as stoppage of delivery of finished products with threat and violence, and obstructions and prevention of entrance of the lorries to take the delivery of its products and threatening and intimidating to the members of the supervisory and managerial staff and the loyal workers with physical violence. The management issued a notice on 31st July 1967 urging upon the workmen that they should not resort to unfair, illegal and unjustified activities but to allow the management to carry with its business peacefully. On 1st August 1967 also the workmen indulged in violent activities. On 2nd August 1967 the situation deteriorated further, and the workmen wrongfully confined the members of the supervisory staff in the office room from 8 a.m. till 11 p.m. without any food and drink. The supervisory staff were rescued at 11 p.m. by the officer-in-charge of the local police-station on the strength of search warrant issued by the Subdivisional Magistrate, Serampore. After this incident also the workmen continued to indulge in violent activities. Then the Company had no other alternative but to close the factory and thereby close down the business.

The Union denies that the workmen indulged in violent activities as alleged by the Company. It is alleged by the Union that the workmen were trying to improve their lot, and that when all requests to the management proved abortive they organised the present Union and submitted a charter of demands to the management on 2nd August 1967. It is further alleged by the Union that the management closed down the factory in order to victimise the workmen, and that the closure was a mala fide act of the management.

The Company took a preliminary objection as to the maintainability of the reference. It was submitted on behalf of the Company that as the establishment was no longer in existence there should not be any industrial dispute and, as such, the present reference was not maintainable. But as the question before me was, whether the closure is real or not, I held that the reference was maintainable (vide Order No. 12, dated 29th May 1968). The Company was, however, permitted to raise this question again at the time of hearing. But at the time of hearing the learned lawyer on behalf of the Company did not press this point. However, as there is the question whether the closure is real or not, I am of opinion that the reference is maintainable.

The first point for determination is whether the closure of the factory, i.e., the closure of the business is real or not.

O.P.W. 1 Shri A. R. Kajaria is one of the partners of the Company. He says that on 31st July 1967 lorries went to the factory in order to collect finished articles which had already been sold to the parties, and that the workers prevented those lorries from entering into the factory. He says that again on the 1st August also the same thing happened. His further evidence is that on the 2nd August the workers made a gherao of all the officers including the Factory Manager, and that the gherao which was started at 8 a.m. continued till 11 p.m. and that by a search warrant issued by the Subdivisional Magistrate, Serampore, the officers were rescued by the police help. There was no cross-examination on this point. That being so, I find no reason to disbelieve the evidence of O.P.W. 1 Shri Kajaria. P.W. 1 Shri Sambhu Das Gupta is the Secretary of the Union. He does not deny the allegations made by P.W. 1 in his examination-in-chief. Moreover, he is not a workman of the Company and, as such he is not competent to depose on this point. I am satisfied from the evidence of O.P.W. 1 Shri Kajaria that on 31st July 1967 and on 1st August 1967 the workmen prevented the Company's lorries from entering into the premises of the factory, and did not allow finished articles to be taken out for giving delivery to different parties to whom those articles had been sold. I am also convinced that on 2nd August 1967 the workmen gheraoed the officers of the Company from 8 a.m. to 11 p.m. Exhibit B is the notice, dated 31st July 1967, and Ext. B(1) is the notice, dated 1st August 1967. By these notices the workers were asked by the management to refrain from illegal and unjustified activities, but it seems that the workmen did not pay any heed to those notices. It is true that on 2nd August 1967 the workers submitted a charter of demands to the Factory Manager. But they had no right to indulge in gherao or confinement of all officers from 8 a.m. till 11 p.m. It is clear that the workers of the Company were not in a mood to allow the management to do their business. It appears that on 11th August 1967 the Company issued a notice and closed the factory. There is practically no dispute that the Company closed the factory on 11th August 1967. Even in the written statement the Union admits that the Company closed the factory on 11th August 1967. The Union, however, wants to say that the Company closed the factory in order to victimise the workmen. But the allegation of the Union seems to have no substance. It has been clearly proved in this case that on 31st July 1967, 1st August 1967 and 2nd August 1967 the workmen indulged in violent activities. Considering all these facts I am not inclined to think that the Company closed the factory in order to victimise the workers. It is clear that the Company closed the factory as the workmen were not allowing the management to run the business. I am, therefore, convinced that the closure is real and bona fide.

Exhibit 7 is the notice of closure. It has been stated therein that the services of the supervisory and the clerical staff as also Durwans and Watch and Ward men were retained. So a question has arisen as to whether the Company merely closed the factory or it closed the entire business. The evidence of O.P.W. 1 is that at the time of closing the factory the Company decided to close the business, and that the supervisory and the clerical staff as also Watch and Ward staff were retained merely to carry out the work incidental to or connected with the said closure of the factory. In the notice itself it has been stated that the services of those employees were retained for carrying out the work incidental to or connected with the closure of the factory. That being so, the evidence of O.P.W. 1 Shri Kajaria cannot be disbelieved. It is in evidence that there were finished articles inside the factory. The Company was in need of disposing of those goods. Simply because that the Company disposed of the finished goods after the closing of the factory it cannot be said that the Company did not, in fact, close the business. The finished goods could not be disposed of earlier before the closure as the workers stood in the way of doing so. Finished goods cannot but be disposed of. It is further the evidence of O.P.W. 1 that the supervisory staff, managerial staff and other people whose services were retained beyond the date of the closure are no longer in the employment of the Company, and that they left either voluntarily or their services were terminated. This part of his evidence also goes unchallenged. As a matter of fact, P.W. 1 Sambhu Das Gupta also admits that no work was done in the factory after the colsure. Considering all these facts I am convinced that the Company closed its business. It may be that the Company has trading business at another place. In this reference we are not concerned with any trading business; we are concerned with the manufacturing business that was being run by the Company at 95K G. T. Road. The manufacturing business has been closed. I find that the closure of the business is real.

It is not open to the Tribunal to go into the question as to the motive of the Company in closing down the business and to enquire whether it was bona fide or mala fide or whether it was done in order to punish the workmen. It has been laid down by His Lordship of the Supreme Court in the case between Messrs. Hume Pipe and their workmen that the question whether the action of the Company is mala fide or bona fide cannot be gone into by the Tribunal. In this case I am convinced that the action of the Company in closing the business is bona fide. The workmen were not allowing the Company to run its business and as such, the Company thought it proper to close its business. So there is nothing mala fides in the action of the Company. I am convinced that the closure of the business is real and bona fide.

The question whether the Company closed its business under circumstances beyond its control cannot be gone into in this case as the Company is prepared to pay legal dues to the workmen under section 25FFF, read with section 25F of the Industrial Disputes Act.

It is not the case of the Union that the Company did not offer the workmen their legal dues. In the written statement the Union made a prayer that the workmen should be given full wages from the date of closure till such time when the factory is reopened. But as the Company closed the business it is not bound to pay full wages to the workmen. No other relief has been prayed for by the Union in its written statement. It is not the case of the workmen that they were not offered their legal dues by the management. If the Company does not pay legal dues to the workmen then they should make a prayer under section 33(c) of the Industrial Disputes Act. But in this reference they are not entitled to any relief.

This is my award.

AWARD

This is a petition under section 33A, Industrial Disputes Act, by the petitioner-workman against the O.P.-Company and was filed before the Seventh Industrial Tribunal.

The petitioner-workman's case is that he was a workman serving under the O.P.-Company. An industrial dispute between the O.P.-Company and its workman was referred to the Seventh Industrial Tribunal by the Government of West Bengal, by its order, dated 6th August 1962. The O.P.-Company has dismissed the petitioner-workman from his service on and from 30th March 1965 in violation of the provisions of section 33, Industrial Dispucs Act. The petitioner-workman joined his service on 7th March 1956. He was serving as a Durwan at the factory of the O.P.-Company at a salary of Rs. 105 only per month. The annual rate of increment is Rs. 10 per annum. The petitioner-workman had to do his duty of checking the factory hands at the time of their entry and exit to and from the factory to detect unauthorised taking out of the property of the O.P.-Company, by which he has earned displeasure of the factory hands and some other employees. He was permitted to take coal from the factory for his personal use and previous permissions were obtained for the purpose on 20th February 1965. The petitioner-workman took about 10Kgs. of coal from the coal, dump of the factory and kept it near the gate for obtaining permission to take the same out. Some unknown person or persons put a gunmetal valve inside the coal bag on a hidden position. When the bag was searched the gunmetal valve was found inside the bag. The petitioner-workman was charge-sheeted on 20th February 1965 for removing a bag full of coal with a gunmetal valve, to which he replied on 22nd February 1965. The explanation of the petitioner-workman was not accepted and he was informed by a letter, dated 26th February 1965, that there would be a domestic enquiry on 19th March 1965. The domestic enquiry was held accordingly and the principles of natural justice were grossly violated. The petitioner-workman received a letter, dated 30th March 1965, intimating that the enquiring officer had found him guilty and he was dismissed from his service with effect from that. The finding of guilt is perverse and against the evidence adduced at the time of the enquiry and is a result of bias. He was not supplied with proceedings and findings of the enquiry. He preferred an appeal to the Managing Director of the O.P.-Company on 2nd April 1965, but was informed by a letter, dated 19th April 1965, that the appeal has been rejected. No notice-pay was offered to him before his dismissal or simultaneously nor any application for permission for approval of the order of dismissal by the O.P.-Company have been filed before the Seventh Industrial Tribunal and this order of dismissal passed against him is in violation of section 33, Industrial Disputes Act. He prays for reinstatement with full back wages under section 33A, Industrial Disputes Act.

Notice was served upon the O.P.-Company and the O.P.-Company filed a written statement to contest the case contending, inter alia, that even if there be any violation of section 33, Industrial Disputes Act the employer is entitled to a hearing on merits. It is specifically denied that the order of dismissal was passed with an ulterior motive. It is also denied that the petitioner-workman was permitted to take coal for his personal use or that obtained any previous permission for the purpose. The specific case of the O.P.-Company is that the petitioner-workman was seen removing a bag full of coal to the Goomti near the gate while he was on duty. On receiving reports a search was made, when a piece of gunmetal was found hidden inside the bag. It is also denied that any workman inserted the gunmetal valve in the petitioner-workman's bag. It is next contended that the petitioner-workman was given all reasonable opportunities to defend the case at the time of the domestic enquiry and also that there has been no violation of the principles of natural justice as such at the time of the enquiry. The order of dismissal was passed by the Works Manager after considering the relevant documents and the proceedings and findings of the enquiry holding the petitioner-workman to be guilty of the charges. An appeal preferred was also considered by the Managing Director, but he found no grounds for setting aside the order of dismissal. It is specifically denied that the petitioner-workman was dismissed by way of victimisation or in violation of the principles of natural justice or by way of unfair labour practice as such. The petitioner-workman is not entitled to any relief under section 33A, Industrial Disputes Act.

The case has been transferred to this court by my learned predecessor's order No. 15, dated 14th August 1967. The following points, therefore, arise before me for determination at the time of hearing of the case:

(1) Is the petition maintainable under section 33A, Industrial Disputes Act ?

(2) Is the petitioner-workman entitled to reinstatement and back wages under section 33A, Industrial Disputes Act, as prayed for ?

Decisions

Point No. 1

The present petition under section 33A, Industrial Disputes Act, is maintainable only on the ground of violation of the provision of section 33, Industrial Disputes Act. The petitioner-workman has specifically alleged that no notice-pay was tendered or paid to him nor any petition for approval of the order of dismissal was filed before the Seventh Industrial Tribunal. These facts have not been categorically denied in the written statement filed by the O.P.-Company. The petitioner-workman as P.W. 1 has stated that he was not given one month's wages at the time of dismissal. He was not cross-examined in this respect nor any evidence has been adduced on behalf of the O.P.-Company to show that one month's wage was paid or even terndered to the petitioner-workman by the O.P.-Company in accordance with section 33, Industrial Disputes Act. There is no evidence whatsoever from the witnesses examined on behalf of the O.P.-Company that a petition was filed before the Seventh Industrial Tribunal for approval of the order of dismissal passed against the petitioner-workman. So, I find that there has been gross violations of the provisions of section 33(2)(b), Industrial Disputes Act, and the present petition therefore, is clearly maintainable.

This point is so answered in the affirmative.

Point No. 2

The O.P.-Company has not complied with the provisions of section 33, Industrial Disputes Act, at the time of passing the order of dismissal against the petitioner-workman, but still the O.P.-Company would be entitled to a hearing on merits as to whether the charge levelled against the petitioner-workman has been established on the basis of the evidence adduced at the time of the enquiry and also at the time of the present hearing.

Exhibit 1 is the charge-sheet, dated 20th February 1965, served upon the petitioner-workman on the ground that he removed a bag full of coal with a gunmetal valve hidden inside it with the intention of taking it out of the factory premises. Exhibit A is the reply to the charge-sheet by the petitioner-workman, dated 22nd February 1965. Exhibit B is the proceedings of the enquiry. Exhibit C is the report of enquiry Exhibit 2 is a letter, dated 26th February 1965, by the O.P.-Company to the petitioner-workman intimating that an enquiry would be held. Exhibit 2(a), dated 13th March 1965, is the notice of enquiry. Exhibit 3 is a letter of dismissal, dated 30th June 1965, by the O.P.-Company to the petitioner workman. Exhibit 4 is a copy of the appeal by the petitioner-workman to the Managing Director of the O.P.-Company. Exhibit 5 is a letter, dated 19th April 1965. by the O.P.-Company to the petitioner-workman intimating that the appeal has been rejected.

It is clear from the charge-sheet Ext. 1 that the charge was for removal of the bag full of coal along with a gunmetal valve hidden inside it. The petitioner-workman's specific case is that he is entitled to take coal from the factory for his personal use and has obtained previous permission for that. The O.P.-Company has specifically denied this case of the petioner-workman in its written statement stating that the petitioner-workman was never entitled to use coal nor any permission was even granted to him as such. It appears from Ext. A, a reply to the charge-sheet by the petitioner-workman that he admits taking of the bag full of coal for his personal use. The fact has been admitted by him in his statement at the time of the domestic enquiry and even at the time of hearing of the present case as P.W. 1. The petitioner-workman must prove his specific case that he was permitted to take coal from the factory for his personal use, failing which the charge of taking coal for personal use from the factory stands admitted.

The petitioner-workman has examined only two witnesses in support of his case including himself as P.W. 1. He has stated in his examination-in-chief that he used to get coal, wooden pieces and kerosene from the company free of cost. There is no mention in his written statement of getting wooden pieces and kerosene from the Company and these are clear afterthoughts. In his cross-examination he has stated that a permission was necessary only as he was taking coal outside the factory premises, the Managing Director issues a permission on such occasion, Monomohan was entitled to take out such a permission, and that he did not get any permission from Shri Dibakar Dutta, the Managing Director, on that date. P.W. 2 states even in his examination-in-chief that he has never seen the petitioner-workman to carry coal outside before 20th February 1965. He however, states that the Durwan's staying inside the factory premises should get coal, wooden pieces, etc., from the Company. He has also seen the petitioner-workman and other Durwans to take coal from the Company and to use it while they stay inside the factory premises. In his cross-examination he states that he cannot say the amount of coal that each Durwan gets nor he can say which person used to supply coal to them. He has never seen any specific order allowing the Durwan to use any coal. O.P.W. 1 is the Commercial Manager of the O.P.-Company. He has categorically denied that coal, wooden pieces, jute and kerosene are supplied free of cost by the O.P.-Company. O.P.W. 2 serves under the O.P.-Company and admits in his cross-examination that the Durwans, who live inside the factory premises take coal of the factory. O.P.W. 3 serves in the Machine Shop under the O.P.-Company and states in his examination-in-chief that no workman was permitted to take coal from the factory, but states in his cross-examination that the Durwans who stay inside factory premises cook with the coal from the factory. O.P.W. 4 also serves under the O.P.-Company and states in his examination-in-chief that he cannot say whether Durwans are entitled to take coal as such from the factory. O.P.W. 5 also serves in the Machine Shop under the O.P.-Company and states in his examination-in-chief that the Durwans are permitted to take coal as such from the factory. Be that as it may, the petitioner-workman must prove that taking of coal from the factory to outside for his personal use was an unauthorised act and also that he has obtained previous permission in this respect. On the existing evidence, it is clear that the Durwans, who stay inside the factory premises use coal of the factory, but it is not clear whether they use coal as such surreptitiously or authorisedly. There is no evidence, whatsoever of the petitioner-workman's getting any permission from the Managing Director for taking coal outside on any previous occasion. Under the circumstances, the use of O.P.-Company's coal by its Durwans and by some of the O.P.Ws. does not create any right for the petitioner-workman to remove coal outside. Even the admission of O.P.Ws. that the Durwans are permitted to take coal as such from the factory would not help the petitioner-workman to show that removal of coal was an authorised act, if he fails to prove the authority. The fact of removal of coal by the petitioner-workman being admitted, the charge on this ground would fail only if the alibi of the petitioner-workman as to permission be established, the petitioner-workman has miserably failed to prove that the removal of coal was an authorised act or that he has removed the coal outside previously on any permission from the Managing Director, as stated, as required and as per his own statement as P.W. 1. Under the circumstances, I must hold that the petitioner-workman is guilty of removal of one bag full of coal for his personal use from the factory for taking it outside. It is interesting to note even at this stage that the enquiring officer in his report Ext. C has stressed upon this part of the charge framed against the petitioner-workman and the punishing authority, Works Manager, has also concurred with that findings of the enquiring officer. The learned lawyer for the petitioner-workman urges that on the admissions of the O.P.Ws. as to use of coal from the factory by the Durwans, the fact of removal of coal by the petitioner-workman should not be accepted as a misconduct for which he should be dismissed. Clearly such weighing of punishment is not left to this Court by way of using of its own discretion. I have already indicated that the charge of removal of coal has been established, which has been stressed upon by the enquiring officer and accepted by the punishing authority and if the punishing authority considers this established charge to be a ground for passing an order of dismissal against the petitioner-workman, that order cannot be interfered with.

As to other part of the charge relating to removal of the gunmetal valve hidden in the coal bag of the petitioner-workman, it is admitted that the gunmetal valve was found to be hidden in the coal bag on search. The specific alibi of the petitioner-workman is that ome other workman or workmen have kept it concealed in his bag. It is clearly a conjecture and is ot substantiated by any evidence whatsoever. The etitioner-workman as P.W.1 does not even name any of the workman with him.

It is well-settled law that the apparent must be cepted to be real state of affairs, until and unless it proved to be otherwise. It would thus be presumed at as the gunmetal valve was hidden inside the itioner-workman's coal bag meant for removal side, the petitioner-workman was responsible for s act as well and the onus would lie heavily upon to prove that the gunmetal valve was kept hidden e beyond his knowledge by some one else to feed grudge against the petitioner-workman as alleged. true that it was not impossible to place the gunmetal ve in the coal bag of the petitioner-workman by some one else, as there is evidence on record that the petitioner-workman was not all along holding the coal bag in his custody, but this mere possibility cannot be accepted as an alibi without proof of the fact on the basis of direct evidences and/or corroborating circumstances. There is literally no evidence nor any corroborating circumstances from which the petitioner-workman's specific alibi of the gunmetal valve being placed in his bag beyond his knowledge by another or others can be accepted. It is true that none of the O.P.Ws. 2 3, 4 and 5 have seen the petitioner-workman to put the gunmetal valve inside his coal bag, but I have already observed that on finding the gunmetal valve from within the petitioner-workman's coal bag, the onus would lie heavily upon the petitioner workman to rebut the case and to show that he was not responsible for the act. The learned lawyer for the petitioner-workman has attracted my notice to a statement in cross-examination by O.P.W.3 that on the relevant date the petitioner-workman was not posted at the gate of the factory. He then states that there are three Durwans and the Durwans shift their positions every half an hour. The learned lawyer for the petitioner-workman urges on the basis of the above evidences that the petitioner-workman could have easily carried the gunmetal valve and kept it in the coal bag at the time when he was placed in the gate of the factory instead of waiting for a permission for taking coal outside. I have already indicated that there is not corroborating circumstances to suggest that the petitioner-workman ever took any permission to remove coal outside or tried for any such permission even on the relevant date. It would be a clear case of conjecture to accept on the existing evidence that as the petitioner-workman did not remove the coal bag while he was on duty at the main gate, he was certainly not trying to remove the gunmetal valve in his bag. It is interesting to note that the petitioner workman P.W. 1 never states that he was ever on duty at the gate on the relevant date, even in his examination-in-chief. He names Shri Jibakanta Jha to be a Durwan on duty in the gate. I am also not inclined to accept for the purpose of theft of the gunmetal valve. It was most opportune for the petitioner-workman to remove the bag containing the gunmetal valve when he was on duty, as in that case it would have been easily noticed that Durwan was not within the factory premises within his duty hours. So, on the above scrutiny I find no substance in the argument of the learned lawyer for the petitioner-workman as such.

On the above discussions, I hold that the petitioner-workman has failed to prove any alibi that some one else put the gunmetal valve in his bag, so he must be held responsible for removal of the gunmetal valve concealed in his bag.

Both the charges have, therefore, been established against the petitioner workman and the findings of the enquiring authority stand quite justified. The punishing authority was also entitled to pass an order of dismissal against the petitioner-workman on the ground of misconduct as such.

The petitioner-workman, therefore, cannot be entitled to any relief by way of reinstatement and back wages as prayed for.

This point is so answered in the negative.

The petitioner-workman, therefore, is not entitled to reinstatement or back wages as prayed for under section 33A Industrial Disputes Act.

This is my award.

Issue

> Whether the termination of service of Shri Arabinda Ghosh is justified. What relief, if any, is he entitled to.

Usual notices were served upon the parties directing them to appear on 15th September 1967 and the Union to file its written statement by that date. Both the parties appeared on that date and the Union filed its written statement. Shri A. Sircar, Advocate, appeared on behalf of the opposite party-Company. The opposite party-Company was directed to file its written statement by 4th October 1967 by my order No. 2, dated 15th September 1967. On 4th October 1967 the opposite party-Company filed an authority authorising Shri A.K.Sircar, Advocate, to represent their case and also prayed for time for filing written statement, which was allowed by my order No. 3, dated 4th October 1967, fixing 26th October 1967 for filing written statement. The opposite party-Company was absent on that date and after taking time on several occasions ultimately filed its written statement on 27th January 1968. 26th April 1968 was fixed for fixing the date of hearing by my order No. 11, dated 25th March 1968. The parties sent a joint petition by registered post, dated 17th April 1968, which was received on 19th April 1968, intimating that there is a talk of compromise between the parties and prayed for time till 31st May 1968. By my order No. 12, dated 19th April 1968, 25th May 1968 was fixed for compromise or for hearing. The Union filed an authority on that date authorising Shri A.R.Sircar to act on their behalf in this case. The parties were absent on 25th May 1968 and the case wa fixed on 2nd July 1968 for hearing by my order No 13, dated 25th May 1968. The Union was absent on 2nd July 1968 and on the prayer of Shri A. Sircar Advocate for the opposite party-Company, the case was adjourned till 8th July 1968 for hearing by my order No. 14, dated 2nd July 1968.

The parties in the meantime have sent a joint petition, dated 28th June 1968, by registered post, which has reached the office on 1st July 1968, but was not put up before me on 2nd July 1968. This joint petition of compromise is under the signatures of Shri Sunil Chowdhury, President of the Union, and Shri Girija Shankar Seth, one of the employers, both dated 28th June 1968. Shri A. Sircar, Advocate for the opposite party-Company, appears before me and states that there has been a compromise of the industrial dispute between the parties on the terms stated in the joint petition of compromise. On a perusal of the joint petition of compromise, I find that the terms of compromise are lawful, reasonable and fair and that the parties have compromised the entire dispute pending between them as such. Under the circumstances, I am inclined to pass a "no-dispute" award, in terms of the joint petition of compromise . A "no-dispute" award be passed accordingly in terms of the joint petition of compromise, which be made a part of this award.

This is my award.

AWARD

The Government of West Bengal, Labour Department, by order No. 551-I.R./IR/11L-12/67, dated 10th February 1967, had referred under section 10 of the Industrial Disputes Act to the Fifth Industrial Tribunal an industrial dispute relating to the undermentioned issue existing between Messrs. Kesoram Industries and Cotton Mills Ltd. in respect of their factory, viz., Indian Refractories of Kulti, district Burdwan, and a section of their employees represented by India Refractories Employees' Union of Begunia, Barakar, district Burdwan. Subsequently by order No. 1407-I.R., dated 7th March 1968, the Government withdrew the proceedings of that industrial dispute from the Fifth Industrial Tribunal and transferred the same to this Ninth Industrial Tribunal for adjudication.

Issue

Whether the dismissal of Shri Kanai Lal Barik is justified ? To what relief, if any, is he entitled ?

Both parties had appeared before the Fifth Industrial Tribunal and filed their respective written statements. After the transfer of the proceedings to this Tribunal notice was sent to them for appearance and they duly appeared before this Tribunal. The case was taken up for hearing on 4th June 1968. The Union examined only one witness, P.W. 1 Kanai Lal Barik; and the Company examined O.P.W. 1 Shri K. B. Sarma and O.P.W. 2 Shri N. C. Sen. Several documents were marked as exhibit on either side.

The case of Union inter alia is that Kanai Lal Barik was a permanent employee of the Company with a spotless record of service. He is the Assistant Secretary of the Union and this fact is well-known to the management. On or about 24th January 1966, Shri Barik and another employee were turned out of the factory without assigning any reason for the same. The workmen in a body submitted a joint representation to the management demanding immediate action, but it was without any effect. Later on Shri Barik was served with a charge-sheet, sent under registered post, containing false allegations. He submitted a reply by letter, dated 31st January 1966. Thereafter the Company held a sham enquiry and dismissed him by letter, dated 12th February 1966. It is alleged that the action of the Company is wholly unjustified, unfair and illegal and it was done with the ulterior motive to victimise Shri Barik for his trade union activities.

The case of the Company, in brief, is that there was a change in the management of India Refractories at Kulti with effect from 1st January 1966. When the new management took charge of this factory acts of indiscipline and lawlessness continued for a considerable period. On 24th January 1966 the management received complaint against Shri Barik that after punching attendance card at about 7 a.m. on that day he had gone inside the department and resorted to strike and instigated other workmen to strike work. In the circumstances the Company by a charge-sheet, dated 24th January 1966, directed him to show cause and suspended him pending enquiry. As Shri Barik refused to accept that charge-sheet the Company sent another charge-sheet, dated 25th January 1966, further charging him for refusing to accept the first charge-sheet. He submitted explanation and a departmental enquiry was duly held in his presence. The Enquiry Officer found that he should be dismissed: and accordingly he was dismissed by letter, dated 12th February 1966. By filing a subsequent rejoinder the Company further states that it had no knowledge of the alleged connection of Shri Barik with the Union. It is said that the representation, dated 24th January 1966, by about 20 workers had nothing to do with the matter relating to Kanai Lal. The Company also denies the allegation that action was taken against Shri Barik with the object of victimising him for his trade union activities. Another point taken in the written statement of the Company to the effect that the written statement of the Union has not been properly verified, was not pressed at the time of trial. The Company also did not press the objection regarding non-maintainability of the reference, which they had taken in their supplementary written statement filed on 16th April 1966.

Admittedly Shri Kanai Lal was charge-sheeted by the Company on 24th January 1966 and he refused to accept that charge-sheet. He says that as the charge-sheet was tendered to him after he had been driven out from the factory so he refused it. The Company, however, sent another charge-sheet, dated 25th January 1966 (Ext. 1), by registered post and he got the same. He submitted his reply, dated 31st January 1966, and this is Ext. 2 An enquiry on this charge-sheet was held by Shri Balani, the then Personnel Officer, on 11th February 1966. The Comany did not produce this enquiry officer, nor were the proceedings of the enquiry and the report of the enquiry officer proved and marked as exhibit. Only some signatures appearing in the proceedings were proved from the admission of Shri Kanai Lal in cross-examination. This much it appears from evidence that Shri Kanai was present in the enquiry with his witness; but this Tribunal cannot look into the proceedings of enquiry and the report of the enquiry officer as these have not been legally proved.

Under the law, however, the Company can, irrespective of the enquiry proceedings, prove its case by independent evidence adduced before the Tribunal. Let us, therefore, see how far the Company has been able to substantiate the charges of the charge-sheet by evidence in this Tribunal.

The charge-sheet, Ext. 1, contains two allegations :

(i) The workman concerned refused to accept a charge-sheet on 24th January 1966 at about 2-15 p.m. in presence of witnesses.

(ii) He on 25th January 1966 at about 7 a.m. struck work without proper notice and incited a few others, who were willing to work, also to strike work.

Regarding the first allegation no eye-witness has been examined though the charge-sheet states that witnesses were present. Neither O.P.W.1 Shri K. B. Sharma nor O.P.W.2 Shri N. C. Sen says that he was present when the first charge-sheet was tendered as alleged. The case of the Company as suggested in cross-examination of Kanai Lal is that one Beni Madhab, Durwan (who was present in the Tribunal and shown to Kanai Lal), handed over the charge-sheet and Kanai refused the same. But this Beni Madhab was not examined. Kanai says in cross-examination that at 2-15 p.m. on 24th January 1966 Beni Madhab told him that a charge-sheet had been issued in his name and he should go to the Time Office to take it; but he refused to go there on the ground that he had already been driven out of the factory. This action on the part of Kanai cannot be considered so serious as to justify his dismissal.

Kanai Lal was working as a fitter in the maintenance department of the mechanical workshop in this factory. O.P.W.2 N. C. Sen was the mechanical engineer under whom Kanai was serving. It is admitted by both parties that one Rama Mitra who was also employee in the maintenance department had been suspended and the workers submitted a mass petition on 24th January 1966 against this order threatening that they would stop work unless Rama Mitra was allowed to join his duty. This petition has been produced by the Company and this is Ext. A. The signature of Kanai Lal Barik appearing in the second sheet of this petition was also exhibited by the Company (Ext. A-1). The learned representatives of the company pointed out that in the second-sheet of this petition new serial numbers have been given and the serial numbers of the first page have not been continued in it. But that makes little difference. It was elucidated from Kanai in cross-examination by the Comany itself that he put this signature Ext. A-1, in this petition, Ext. A, on 24th January 1966 while he was on duty. The company has produced the attendance register, Ext. B (Page 49), to show that Shri Kanai Lal was suspended with effect from 24th January 1966. But it is significant to note that in the column under the date 24th January 1966, the letter "P" was at first written showing that Kanai actually joined this duty on that day. Subsequently the letter "S" of "Suspended" was overwritten on this letter "P". So the case of the Company that Kanai did not at all work on 24th January 1966 cannot be taken to be true. Kanai states in cross-examination that the majority of the workers of the maintenance department stopped work before 2 p.m. on 24th January 1966. O.P.W.1 K. B. Sharma, the then Finance Manager of the Factory, deposes that he and the personnel officer Mr. Balani, on being informed about this incident, went to the mechanical workshop and found the workers standing idle, and there they also found the chief engineer. Mr. Bhattacharya and the mechanical engineer Mr. Sen present. O.P.W.2 Mr. Sen corroborates this fact and he testifies that the workers told him that they were on strike in protest against the suspension order on Rama Mitra, who was also a fitter in his department. Of course according to these witnesses of the Company this incident took place at 7 a.m. in the morning; but the fact remains that admittedly almost all the workers of this department were unwilling to work until and unless Rama Mitra would be taken back. It is strange that the Company did not take any action against any other worker excepting Shri Kanai Lal for this incident, while so many workers were equally guilty. There is no evidence to show that charge-sheet was issued against any other worker for this incident of this date, 24th January 1966. It was taken from Shri Kanai Lal in cross-examination that no other worker, excepting him, was charge-sheeted over this incident of 24th January 1966. O.P.W.2 Shri Sen says in cross-examination that on 24th January 1966 Kanai Lal's duty was from 6 a.m. to 2 p.m. and he had no over-time on that day. He further says that the duty of Kanai had been over before the charge-sheet was tendered to him. He wanted to say that Kanai was all along present in the factory, till the end of his duty hour on 24th January 1966, but he did not work. He admits that a log book is maintained in the factory which would show that on 24th January 1966 Shri Kanai Lal Barik attended the workshop but did not work; but that log book has not been produced. It is alleged by both O.P.W.1 Shri Sharma and O.P.W.2 Shri Sen that Kanai was collecting signatures of other workers in the petition, dated 24th January 1966, Ext. A. But no such specific allegation has been made in the charge-sheet, Ext. 1, dated 25th January 1966, where it is only said that he struck work and incited a few other willing workers to strike work.

Kanai has denied that he collected signatures of other workers; and had this fact been true then surely this allegation would specifically appear in the charge-sheet. In the circumsance it stands to reason that Kanai was singled out by the management, out of many other workers who were also equally guilty, as he was an active member of the Union as asserted by him. In the petition, Ext. 3, dated 25th January 1966, the workers have made an allegation that Kanai was driven out on 24th January 1966 without any written order.

Considering all these facts and circumstances it seems to me that the order of dismissal cannot be upheld and this workman should be reinstated. Of course he had been guilty to some extent as he did not obey the direction of his superior officers, O.P.W.1 and O.P.W.2, who aver that they asked the workmen to resume work and assured them that the cause of Rama Mitra would be dealt with according to law. I find no reason to disbelieve this evidence of these two responsible officers of the Company. I find that the action of Kanai Lal was to some extent condemnable as he did not pay heed to the direction of his superior officers and broke the discipline of the Factory. Accordingly, I cannot allow him full wages for the period of his unemployment.

This Tribunal, therefore, gives this award that the Company should reinstate Shri Kanai Lal Barik within one month from the publication of the award in the Official Gazette and also pay him half of the amount which he would have been entitled to had he not been dismissed by the Company.

AWARD

On the 3rd of August 1966, by order of the Governor, the Government of West Bengal, in its Labour Department, referred to this Tribunal, an industrial dispute between the Commissioners of the Bhadreswar Municipality (hereinafter called the Municipality) and their workmen represented by Sailen Chatterjee, relating to the undermentioned issue for adjudication.

Issue

Is the dismissal of Shri Promotho Dutta, Lorry Driver, justified ? To what relief, if any, is he entitled ?

On the basis of the said reference this case was registered on 17th August 1966 and the parties were called to appear before the Tribunal on 6th September 1966. The workmen were further asked to file their written statement. On 6th September 1966 Shri Sailen Chatterjee appeared for the workman and prayed for one week's time to file the written statement. Shri S. Roy, Advocate, appeared for the Municipality. The Tribunal granted time to the workman to file written statement on 29th September 1966 but on that date, no written statement for the workman was filed. However, after taking some more adjournments, written statement was filed for the workman and the Municipality also filed its written statement. Thereafter various dates were fixed for taking various steps in the case.

Ultimately the case ended in a compromise. The parties filed a petition before this Tribunal stating therein that the dispute was settled amicably between the parties on terms annexed to the petition. The petition bears the signature of Shri Sailendra Kumar Chatterjee, for the workman. The aggrieved workman Shri Promatha Chandra Dutta, has also signed the agreement and also signed the petition. I have perused the terms of settlement annexed to the petition and I find the same fair and reasonable The parties have compromised their dispute and there is no reason why the Tribunal should not accept the terms of settlement arrived at between the parties. Hence, accepting the petition, I hereby pass a compromise award in terms of the settlement which with the petition shall form an integral part of this award and shall be published in the "Calcutta Gazette" as Annexure "A".

Let usual number of copies be sent to the State Government for necessary action.

AWARD

By order No. 4045-I.R./IR/10L-48(A)/65, dated the 14th September 1965, Government of West Bengal, Labour Department, referred an industrial dispute between Shri Hariram Agarwalla, Licencee, Barakar Electric Supply Co., and his workmen represented by the Barakar Electric Supply Co. Employees' Union, to this Tribunal for adjudication on the following :

Issue

Whether the termination of service of Shri Keso Goala is justified ? To what relief, if any, is he entitled ?

After service of usual notices the Company entered appearance on 20th November 1965 by telegram. The Union however entered appearance on 5th March 1966 and filed written statement on 3rd June 1966. Thereafter the Company filed written statement on 26th August 1966. The Company took adjournments on the last two dates of hearing and the Union representative endorsed no objection to the prayer for adjournments. It was then submitted that parties were trying to effect an amicable settlement. On the last date of hearing, that is, on 16th July 1968, the Company was present. The Advocate for the Union was also present but the workman concerned did not turn up and on that ground the learned Advocate for the Union prayed for an adjournment but it was rejected, on grounds recorded in the order, dated 16th July 1968. The record shows that the workman concerned never turned up before this Tribunal on any of the dates of hearing. In the circumstances it is to be presumed that he is not in any way interested in the case under reference. The Tribunal accordingly presumes that there is no subsisting dispute and therefore passes a "no dispute" award.

AWARD

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. Hindusthan Motors Ltd., P. O. Uttarpara, district Hooghly and their workman Shri C. S. Jayraman, 62 Southern Avenue, Calcutta-29, to this Court by its order No. 5967-I.R./IR/10L-140(B)/66, dated 15th November 1967, under section 10 read with section 24, Industrial Disputes Act, on the following issue:

Issue

Whether the discharge of Shri C. S. Jayraman is justified ? To what relief, if any, is he entitled ?

Usual notices were served upon the parties directing them to appear on 6th February 1968 and the petitioner workman to file his written statement by that date. Both the parties appeared on that date and the petitioner-workman filed a petition for time for filing written-statement which was allowed by my order No. 2, dated 6th February 1968, fixing 7th March 1968 for filing written-statement. The petitioner-workman filed his written statement on 7th March 1968 and by my order No. 3, dated 7th March 1968, the O. P. Company was directed to file its written statement on 11th April 1968. The O. P. Company took time for filing written statement on that date and ultimately filed its written statement on 10th May 1968. 22nd June 1968 was fixed for filing documents by the parties by my order No. 3, dated 10th May 1968. The petitioner-workman filed a petition on that date intimating that the dispute has been settled out of court and he does not seek to proceed with the case and also intends to withdraw his petition filed before the court.

On a perusal of the petition of the petitioner-workman, it appears that the parties have settled this dispute out of court and that there is no pending dispute between the parties. Under the circumstances, I am inclined to pass a "no dispute" award. A "no dispute" award passed accordingly in terms of the petition of the petitioner-workman, which be made a part of this award.

This is my award.

AWARD

The Government of West Bengal, in its Labour Department, by its order No. 5571-I.R./IR/11L-479/67, dated 26th October 1967, has referred to this Tribunal an industrial dispute between Messrs. Azad Hind Hotel, 1 Panditiya Road, Calcutta-29, and their workmen represented by Shop Assistants' Association of Bengal, B-73, College Street, Calcutta-12, for adjudication in respect of the following issue:

Issue

> Whether the refusal of employment of the workmen of the concern since 3rd August 1967 is justified? To what relief, if any, are they entitled?

The case of the Union as narrated in the written statement is that the management did not allow the workmen any privilege as provided under the West Bengal Shops and Establishments Act, 1963. The employees placed their grievances before the management times without number but the management did not care. The workmen became members of the Shop Assistants' Association of Bengal in May 1967 and the Association complained their grievances to the Chief Inspector, Shops and Establishments, West Bengal, to take steps against the management for violation of the provisions of the West Bengal Shops and Establishment Act, 1963. The Supervising Inspector, Shops and Establishmnts, West Bengal, visited the said establishment in the month of June 1967 and subsequently prosecution was launched against the management. The Association raised an industrial dispute before Labour Officer on 25th July 1967. The management being aware of the said dispute closed down their business on the night of 2nd August 1967 without any information either to the employees or the competent authority. That over the closure another dispute was raised before the Labour Officer. The Labour Officer requested the management thrice to attend the tripartite conference but the management failed to attend the conference. Hence the reference. It is stated that the management re-opened the shop in November 1967 and the refusal of employment since 3rd August 1967 to the workers by the Company is only to deprive the workers from the legitimate facilities. In the circumstances, it is prayed that this Tribunal should declare that the refusal of employment is unjustified and the workers should be reinstated with back wages.

The Company has put its case in the written statement. It denied all the allegations made against it regarding the provisions of Shops and Establishments Act. The hotel did not close business on 2nd August

1967 but it could not do any substantial business after 28th of July 1967 as its employees illegally without any prior notice remained absent enblock at the instigation of outsiders from 29th July 1967 and started illegal strike.

From 29th July 1967 the employees started demonstrating outside the hotel and held out all sorts of threatenings. Customers were not allowed to enter the hotel. On 12th August 1967 the management stopped even the supply of tea. After getting assurance from the local police station for adequate security the management re-started the business from 24th November 1967. As the firm's working partner was seriously ill it applied to the Labour Officer for time to attend the conference. The firm had always had the intention to listen to any genuine grievances of the employees but no grievance was made known to the Firm. No employee reported for duty from 29th July 1967 and there was no occasion for the Firm to refuse their employment. The employees left their job of their own accord and went on illegal strike from 29th July 1967 and never reported back on duty at any time thereafter. In the circumstances, the firm was obliged to recruit new posons for running its business from November 1967 and at present it has sufficient staff to carry on its business and hence the question of taking back the old employees cannot arise. In paragraph 16(iii) it is stated that seven of the employees mentioned by the Union never worked at the hotel and the firm came to know of their name for the first time from the perusal of the said list, supplied by the Union. It is also stated that five of the employees voluntarily left their jobs after taking their dues and giving a letter in writing to the firm to that effect. As regard four others it has been stated that they left work long before the alleged dispute. Lastly, it is stated that there was no dispute between the Firm and its employees as alleged or at all and the present dispute is wholly unwarranted and has been made to harass the firm.

It is the admitted position that the old employees worked at the Hotel up to 28th July 1967. Some of the workers deposed that they worked up to 1st August 1967 and in the morning of 2nd August 1967 they found the hotel closed. It is the case of the Proprietor that on 29th July 1967 all the employees together absented from work. They made demonstration, shouted slogans and thus it was impossible for the management to run the hotel. Tea was supplied at the hotel up to 12th August 1967 and after that the supply of tea also had to be stopped. The hotel remained completely closed and the same re-opened on 24th November 1967. It is the case of the Proprietor that one Chanu Gopal Roy was taken to task for not doing his work satisfactorily. His service was terminated. Over that termination the employees became agitated and demanded that Chanu Gopal Roy should be taken back. The Proprietor did not agree and hence the trouble. On behalf of the Union it has been argued most emphatically that the provisions of the Shops and Establishments Act have not at all been complied by the management. The Secretary of the Union draws my attention to the various provisions of the Act and submits that none of the provisions has been respected by the management. That may be so, but in this reference I am not at all concerned whether there has been any violation of the provisions of the Act. For the violation of the provisions of the Shops and Establishments Act the competent authority will take steps. It is to be seen whether the management illegally and without any reason closed the Hotel and refused employment to its employees. Of the employees only 6 have been examined in this case. P.W.6 is Some Bahadur. He simply states that he joined the Hotel 2 years back and he was a table boy. In cross-examination he states that he worked till the hotel was opened . He denies the suggestion that he left the hotel 4 months before the hotel was closed. It is the case of the management that Some Bhadur left his job long before the dispute arose. O.P.W.3 Bikram Singh—one of the Partners deposes with reference to the attendance register that Some Bahadur worked up to 25th March 1967. The Attendance Register is Ext. H of this case. On behalf of the Union there is nothing to contradict the statement that Some Bahadur left his job in the month of March 1967. That being so, Some Bahadur cannot claim reinstatement. P.W.5 is Pulin Behari Das. It is his evidence that he joined on 1st June 1964. From 2nd August 1967 the hotel was closed. It is the case of the management that this witness never worked at the hotel. The Attendance Register Ext. H does not show his name. None of the witnesses examined on behalf of the Union deposes that this witness worked at the hotel. He admits in cross-examination that he has nothing to show that he used to work at the hotel. He further states that Ram Maity, Channu Das, Govinda Roy, Chittaranjan Roy know that he used to work at the hotel. Govinda Roy, Chittaranjan Roy have been examined in this case but they did not say that P.W.5 Pulin Behari Das used to work at the hotel. Besides the uncorroborated statement of the witnesses there is nothing to show that he worked at the hotel. He also does not say how long he worked. Again he does not say that he wants reinstatement. I am, therefore, of opinion that it has not been proved that Pulin Behari Das worked at the hotel. This worker therefore is not entitled to claim reinstatement. P.W.4 Jagadish Shaw. It is his evidence that the hotel was closed on 2nd August 1967. He prays reinstatement and back wages. The Company admits that Jagadish Shaw was a worker and he worked till the closure of the hotel. It is the admitted position that the Hotel was re-opened in the month of November 1967. None of the old employees was taken. The Hotel started with all new hands. Assuming that the hotel had to be closed for some unavoidable reasons during the particular period the fact remains that the hotel restarted in November 1967 and when the service of Jagadish Shaw was not terminated there is no reason why he should not get back employment. There is however nothing to show that Jagadish Shaw approached the management in the month of November for employment. That being so, I do not pass any order for back wages but I order that Jagadish Shaw should be taken in forthwith as an employee at the hotel. P.W. 3 is Sushil Kumar Das. The Company admits that he worked till the hotel was closed. In cross-examination he admits that they all became angry over the the dismissal of Chanu Gopal Roy and they demanded that Chanu Gopal Roy should be re-instated. After 27th July 1967 the Proprietor did not allow him to work. He admits that he went to his native place in October 1967. He cannot say when the hotel re-opened after October 1967. He approached the Proprietor for employment. This witness also did not approach the Proprietor for employment when the hotel was re-opened. Admittedly, he was not at Calcutta and left Calcutta for his native place in October 1967.

In the circumstances, there was no obligation on the part of the management to employ this worker, when the hotel re-opened. This worker is therefore not entitled to claim reinstatement. P.W.2 is Chitta Ranjan Roy. In cross-examination Chitta Ranjan Roy deposes that the Proprietor told him that he might continue work but others would not be allowed to work. He refused this offer. Even after 1st August 1967 he remained at the hotel for 4 months, when the Proprietor offered employment to this worker and when the worker himself refused that employment for the reasons best known to him no fault can be found with the employer and the worker cannot claim reinstatement. P.W.1 is Gobinda Prosad Roy. It is his evidence that he was working at the hotel evenafter 28th July 1967. After 28th July 1967 he worked for 4 days. After 2nd August 1967 he went to the hotel on 5/6 occasions but on every occasion he found the hotel closed. The shop re-opened on 24th November 1967. He approached the Proprietor but he stated that he would not re-employ them and he had started the Hotel with new staff. In cross-examination it is his definite evidence that he went to his native place in August 1967 and came back in April 1968. So long he was at his native place. So it is seen that soon after the hotel was closed he left Calcutta, went to his native place and remained there till April 1968. That being so, he cannot claim reinstatement, as the Hotel was started as early as in November 1967. No other worker has come forward before this Tribunal to place his claim.

Considering the entire evidence on record and the facts and circumstances of the case I find that only Jagadish Shaw is entitled to claim reinstateomnt. As has already been said he is not entitled to get back wages. The claim of all other workers is negatived for the reasons stated above. The issue is thus disposed of.

This is my award.

ANNEXURE

Memorandum of Settlement

Name of the Parties : M/s. Airways (India) Limited, 31 Chittaranjan Avenue, Calcutta-12, and their workmen represented by Aero Employees' Union (Regd. No. 2845), Gurudwara, No. 2 Gate, Calcutta Airport, P.O. Sultanpur, Dist. 24-Parganas.

Representing Management : Mr. K. K. Roy, Director.

Representing Workmen : Mr. N. Guha, President of the Union.

Short recital of the case :

As per terms of the agreement dated 17th September 1967, (between the representatives of the Union namely, Aero Employees' Union, representing the workers of the Company and the management, in presence of Shri R. K. Ghosh, Labour Officer, West Bengal), discussions on the different dates were held between the representatives of the Union and the Managemetn regarding the mode, manner and time of the six per cent. deductible advance (given in October 1967 to all workmen of the Company drawing salary up to Rs. 300 per month) and in certain cases to some drawing salary more than Rs. 300 per month as a special consideration. The representatives of the Union expressed its willingness to settle the bonus issue for the year ended on 31st December 1966 without taking recourse to adjudication. The Union contended that the said advance should not be deducted but should be treated as payment against their demand for the bonus for that year.

In course of the discussions, the Union also raised the question of bonus for the years ended 1962, 1963, 1964 and 1965 which are subject pending adjudication by giving them some more amount, beyond what has actually been paid, by ex-gratia payment for those years.

The Management contended that, on the trading results of the year and/or as per calculation to the Second Schedule of the Payment of Bonus Act, 1965, the workmen were not entitled to any profit-sharing bonus for the years prior to the Payment of Bonus Act coming into force and or not entitled to any bonus except under section 10 of the Act, after the same came into force.

However, in order to create better relationship between the employer and the employees—the Management agreed to discuss the points raised by the Union but at the same time pointed out that some settlement regarding payment of bonus should be reached for some future years to maintain peace in the industry.

After protracted discussions, the matters have been settled on the following terms :—

Terms of Settlement

1. It was agreed that the bonus for the next 3 years namely, 1967, 1968 and 1969 will be paid according to the Payment of Bonus Act, 1965, subject however, that in case of workmen drawing total wages up to Rs. 500 per month if the calculation as per Second Schedule of the Act, falls below 9 per cent. of the total wages of the workmen for that year, the difference between the actual calculation and the nine per cent. will be made up by making extra payment to that extent, as an ex-gratia payment. Fulfilling the conditions stated hereinbefore and after bypartite examinations of the calculation under Second Schedule to the Payment of Bonus Act, the Union after recording its views on the said examination with the Management, on the year to year basis shall not raise any dispute during the Agreement period but may raise the disdisputes in a constitutional manner, if any, difference of opinion is formed, regarding the said calculation under Second Schedule, on the expiry of the agreement period.

2. The Company and the Union shall, within a month of signing this settlement, jointly apply to the Tribunals concerned for withdrawal of the Bonus disputes regarding the years 1962, 1963, 1964 and 1965 pending before them.

The bonus issue for the year ended on 31st December 1966—now pending conciliation before the Labour Officer— shall also be withdrawan by the Union.

3. In view of the terms and conditions as contained in clauses 1 and 2—the Management agree not to recover the advance of 6 per cent. made by it in terms of settlement dated 17th September 1967 or in accordance with Director's discretion in pursuance to clause 3 of the said settlement dated 17th September 1967 and shall treat this as an ex-gratia payment.

Second Industrial Tribunal.

Government of West Bengal, in the Labour Department, by its Order No. 2226-I.R. IR 10L-48/65, dated Calcutta, the 2nd June 1966, referred an industrial dispute between Messrs. Barakar Electric Supply Co. and their workmen represented by the Barakar Electric Supply Company Employees' Union to this Tribunal for adjudication on the following :

Issue

Whether the dismissal of Md. Islam, a driver, is justified? To what relief, if any, is he entitled?

After service of usual notices the parties entered appearances and the Union filed written statement on 3rd November 1966. The Company filed its written statement on 21st January 1967. On the date of hearing i.e., on 16th July 1968 the workman concerned did not turn up. Neither his Union representative was present. On his behalf learned Advocate Shri M. M. Saha, submitted that the Union did not like to proceed with the case or contest it. On that basis a "no dispute" award was reserved on that date. Before the "no dispute" award was recorded or delivered, an application, signed and verified by the Vice-President of the Union, was filed on 17th July 1968 for hearing of the case. That petition was rejected on grounds stated in the order, dated 17th July 1968, and more particularly because the Tribunal has no jurisdiction to reopen the case after passing the order reserving a "no dispute" award.

In the premise and also because the record revealed that the workman concerned did not actually turn up before this Tribunal on any of the dates of hearing, it is presumed that the alleged dispute referred to this Tribunal for adjudication ceased to exist. In the circumstances this Tribunal passes a "no dispute" award and the reference is disposed of accordingly.

Taken at my dictation and corrected by me.

No. 5779-I R IR/11L-89/68.—31st July 1968.—Whereas under the Government of West Bengal, Labour Department, order No. 5635-I R./IR/11L-140/66, dated the 30th October 1967, the industrial dispute between Messrs. Davidson of India Private Ltd., Industrial Estate, P.O. Kalyani, district Nadia, and their workmen represented by Davidson Employees' Union, Workshop Road, P.O. Kanchrapara, district 24-Parganas, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Fifth Industrial Tribunal;

And whereas the said Fifth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Davidson of India Private Ltd., Industrial Estate, P.O. Kalyani, district Nadia, and their workmen represented by Davidson Employees' Union, Workshop Road, P.O. Kanchrapara, district 24-Parganas (Case No. 837 67.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri T. K. MUTSUDDI, Judge,

Fifth Industrial Tribunal

Present for the Company : Shri J. N. Chatterji, Legal Adviser, and Shri D. K. Ghosh, Assistant Legal Adviser of the Indian Engineering Association.

Present for the Union : Shri Phani Ghosh, President of the Union.

By the Government of West Bengal, Labour Department, order No. 5635-I.R./IR/11L-146/66, dated the 30th October 1967, this industrial dispute between Messrs. Davidson of India Private Ltd. and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication on the following issue :

Issue

1. Whether the dismissal of Shri David James is justified ? To what relief, if any, is he entitled ?

On receipt of notice from the Tribunal both parties made appearance and filed their respective written statement.

The Company takes a preliminary objection as to the maintainability of the order of reference. The reference was made by the Government on 30th October 1967. The Company has filed a copy of the order passed by the Hon'ble High Court which is marked Ext. A. This order shows that Messrs. Davidson of India Private Ltd., stood dissolved from 30th September 1967 and all the rights and powers of the said company vested in Messrs. Andrew Yule & Co. Ltd., As the reference was made on 30th October 1967 and as Messrs. Davidson of India Private Ltd., stood dissolved on 30th September 1967, by the order of the Hon'ble High Court, it is submitted by the learned lawyer appearing on behalf of the Company that the reference is not maintainable. The contention of the Company's lawyer is acceptable to me. The reference was made on 30th October 1967, but one month before that Messrs. Davidson of India Private Ltd., ceased to exist. Thus at the time of making the reference Messrs. Davidson of India Private Ltd., was not in existence. There cannot be any reference against any non-existant Company. As the reference was made after Messrs. Davidson of India Private Ltd., had ceased to exist, I am of opinion that the reference is not maintainable. The reference should have been made against Messrs. Andrew Yule & Co. Ltd., But this was not done by the Government.

In my opinion Government should make a fresh reference, this reference being not maintainable

The present reference is rejected.

AWARD

The Government of West Bengal, Labour Department, by order No. 3443-I.R./IR 10L-46 68, dated 10th June 1968, referred under section 10 read with section 2A of the Industrial Disputes Act, 1947, to this Court an industrial dispute relating to the undermentioned issue existing between Messrs. Hindusthan Mineral Corporation, 24 Ghoshala Road, Liluah, Howrah, and their workman, Shri Baleswar Singh, 423 G. T. Road, Liluah, Howrah, for adjudication :

Issue

Whether the termination of service of Shri Baleswar Singh is justified ? To what relief, if any, is he entitled ?

The parties were duly served with notices of this proceeding and they appeared and filed a joint petition. The application states that this case has been mutually compromised and that an agreement has been made and that a "No-dispute" award in terms of the Memorandum of Settlement should be passed. The Memorandum of Settlement has been placed on record. I have looked into the Memorandum of Settlement and I think the terms as embodied therein are fair, lawful and proper. Shri Chandra Dhar Dubey, the representative of the Company, and the workman also submitted that the Memorandum of Settlement was duly signed by both the parties. I accordingly accept the prayer of the parties and pass a "No-dispute" award in terms of the Memorandum of Settlement which do form a part of the award.

(3) If the explanation given by the absentee workman is considered not satisfactory by the Manager or the officer authorised by the employer in this behalf, the Manager may either treat the period of unauthorised absence of the workman as absence without wages even though leave with wages may be due to him, or terminate his lien on his appointment, depending on the gravity of the case:

Provided that in case a workman loses lien on his appointment his name shall be kept on the "badli" or "waiting" list.

(4) If the absentee workman does not submit any explanation to the Manager or the officer authorised by the employer in this behalf within the time limit given in the notice, the Manager may terminate the lien of the workman on his appointment forthwith.

The workmen detained shall be entitled to receive wages for the whole of the time during which they are so detained. The workmen not detained will receive wages up to the time they are told to leave the establishment. Such wages in the case of piece-rate workers shall be the average daily earnings for the previous month. Wherever practicable, reasonable notice shall be given for resumption of normal work.

(3) The procedure and payment in the event of the workmen being laid off as a result of any stoppage referred to in clauses (1) and (2) of this order shall be regulated in accordance with the provisions of the Industrial Disputes Act, 1947 (Act 14 of 1947).

Provided also that where an order imposing fine or stoppage of annual increment or reduction in rank is passed under this sub-clause, the workman shall be deemed to have been on duty during the period of suspension and shall be entitled to the same wages as he would have received if he had not been placed under suspension, after deducting the subsistence allowance paid to him for such period:

Provided also that in the case of a workman to whom the provisions of clause (2) of article 311 of the Constitution of India apply, the provisions of that article shall be complied with.
